EUGENE DISTRICT CONSTABLESHIP

With the passage of the law putting the sheriff on a salary, the position of constable not only in Eugene but the more important precincts of the county gained importance. On fees the sheriff very naturally took most of the service of criminal process of the justice court till especially in Eugene there was so little left for the constable that he usually failed to qualify after being elected.

Now it is different. The constable serves the process of his court, both civil and criminal, and it is well for the voter to look for a suitable man for the place. L. Bonney is one of the candidates, and he comes before the people with good recommendations not only from service in a somewhat similar position in the city but from his acquaintances and the people by whom he has been employed. A man of good habits, possessing the very good qualification of attending strictly to his own business, and that well and promptly, his election would be creditable to the voters of the several precincts forming the district.

Resolutions of Condolence

Whereas, In view of the loss we have sustained by the accidental drowning of our friend and associate, Dudley R. Newell, and of the still heavier loss sustained by those who were nearest and dearest to him; therefore be it

Resolved, That it is but a just tribute to the memory of the departed to say that in regretting his removal from our midst we mourn for one who was in every way worthy of our respect and regard.

Resolved, That we sincerely condole with the family of the deceased on the dispensation with which it has pleased Divine Providence to afflict them, and commend them for consolation to Him who orders all things for the best, and whose chastisements are meant in mercy.

Resolved, That this heartfelt testimonial of our sympathy and sorrow be forwarded to the parents of our departed friend by the undersigned committee appointed by the Associated Students of the University of Oregon.

BOLD BURGLARS ARE AT WORK IN EUGENE

Broke Into Dunn's Bakery and Schwering & Lindley's Barber Shop

Secured Some Money and Goods at Bakery But Nothing Was Molested at the Barber Shop --No Clew

Burglars broke into Dunn's bakery and Schwering & Lindley's barber shop last night and one dollar in cash and several dollars' worth of goods were taken from the bakery, nothing in the barber shop being molested.

The burglary was discovered this morning when the employes of the two places went to open the doors. At the bakery the lock on the rear door was broken to pieces and at the barber shop the bolt which fastens the rear door was broken square in two and the fastenings torn loose.

The sum of one dollar in nickles was left in the cash register at the bakery over night, and this was taken. Several dollars' worth of chocolate candy was taken from one of the cases and a number of cigars and several packages of cigarettes are missing. The buglars evidently worked up a perspiration in their efforts to break down the door, as they devoured a quantity of ice cream in the rear room.

At the barber shop nothing was disturbed, the razors and other tools all being locked up and no money being left in the cash register.

Chief of Police Farrington was notified of the burglary and he has been endeavoring to find a clew to the guilty persons, but without result.

GOOD ROAD WORK BY CRUSHER CREW

Rock Crusher No. 2 at Work at Lowell Under Supervision of Mr. Goodenow

Lowell, May 28.—Lane county rock crusher No. 2, under supervision of Superintendent Goodenow, is now located at Lowell, 23 miles southeast of Eugene, and has been doing some good work. As in "ye olden times" the rain fell and the winds blew, but harmed not their good crushed rock road that was made last fall, and they are working hard at it again this spring, having about two and one-fourth miles graveled.

The people in this community are very much pleased and are doing their part in making this part of the county a model in good roads. Let the good work continue until Lane county is one continuous section of good roads and the banner county of Oregon.

PARTY OF STUDENTS GO TO BOHEMIA

Nine students and an instructor of the O. A. C. passed through the city yesterday on a trip to the Bohemia mines, under ten days' instruction in practical mining. They went to Cottage Grove and thence to the mines, where they will make topographical plats of the ledges and general lay of the country in connection with their lines of study. The party consisted of C. L. Proebstel, instructor; Arthur Garrett, Harold Rumbaugh, H. C. Getz, J. Lingo, M. B. Beldon, C. R. McCormick, Polo Singh, a native Hindoo, F. M. Roth and Mr. Reiling.

VIEWS OF GOVERNOR GEO. E. CHAMBERLAIN

At the 1905 convention of the National American Woman Suffrage Association, held in Portland, Oregon, Governor George E. Chamberlain gave the address of welcome in behalf of the state. He was outspoken in expressing his belief in equal suffrage. "It is strange that the mother who is capable of caring for the welfare of a child in the home cannot do so in the state," he said, and further: "The question of woman suffrage has begun to be taken up seriously by the people of the United States. I am glad that Oregon has been chosen as the place for your convention. I hope that the state will give women the ballot, and I hope that every state will do it."

STREETCAR FRANCHISE AGAIN DISCUSSED

The proposed ordinance granting to the Willamette Valley Co. a franchise for a street railway system in Eugene was discussed again by the city council last night, but no action, further than officially reading it for the first time, was taken. Two more readings are necessary before a vote is taken on it. The amendments recently suggested by members of the council were contained in the ordinance as read last night, yet there was still considerable objection to several clauses on the part of two or three councilmen.

Several sewer and street contracts were let as follows:

Sewer in alley between Willamette and Olive 500 feet south, let to Samuel Manrude for $290.90; sewer in alley between Seventh and Eighth west from Jefferson to Manrude for $647.04, and in East Eleventh street from High to the University, to Mummey Bros. for $3297.

Contract for improving Fairmount boulevard and Walnut avenue was awarded to Robt. McCulloch at 18c per cubic yard for grading and 74c for graveling. Atherton avenue was awarded to Mathews and Croner at 40c for grading and 68c for graveling.

Mathews and Croner were also awarded contracts to grade Seventh street, from High to the mill race, for $20 and to gravel at 60c a yard; alley between Seventh and Eighth streets from Park to Pearl, grade for $66 and gravel at 62½c; and Sixth street, from High to the mill race, to be graded under the direction of the street committee.
