THREE-STORY ADDITION TO MATLOCK BLOCK

Will Be Extended Back to Alley—Appearance of Old Building Will Be Improved and When Addition Is Finished Will Be One of Handsomest in City

J. D. Matlock, owner of the three-story Matlock brick at the corner of Eighth and Willamette streets, announced to a Guard representative today that he intends in the near future to build a three-story brick addition to the structure extending from the rear back to the alley, to occupy the space where the old frame building in which is located a barber shop and tailor shop now stands.

Mr. Matlock expects to be able to build the addition this fall, yet it is possible that he may be compelled to wait until next spring. No plans for the addition have yet been drawn and the cost has not been estimated, but it will be well built and substantial. Mr. Matlock intends to greatly improve the appearance of the old building and when the new addition is completed the structure will be one of the handsomest in the city. The addition will be about 50x30 feet in dimensions.

The work of remodeling the front of the building is now under way and later a cement walk will be built on West Eighth street the entire length of the building.

IMP OF INDIGESTION

How to Get the Better of This Cause of Misery

A scientific writer upon stomach troubles says: "If you have ever suffered from indigestion—and who has not?—your imagination has probably pictured a ferocious little imp dancing in the pit of your stomach, causing that organ to neglect all of its duties, with a result that is not only painful, but fills you with misery from day to day." This writer certainly had suffered with indigestion, for there is no more disagreeable, nerve-racking and sick-all-over disease than indigestion.

A great many people who have been treated for years for diseases of the heart, liver or kidneys, when they used Miona stomach tablets found that not only did Miona cure the stomach disorder, but it made them well all over and the other trouble were also cured.

If you suffer with nervousnes sleeplessness, indigestion, sickness nervous headache, pains in the back or sides, get a 50c box of Mi-o-na from Hull's drug store and the one of the little tablets before eevry meal. It will do you a world of good and you will soon be well and free from indigestion and its symptoms. Mr. Hull has such faith in this medicine that he gives an absolute guarantee with every box. Ask him to show you this guarantee. a 6 16 27
