## CITY NEWS.

A marriage license has been issued to Clair S. Baker and Carrie Bosserman, both of Springfield.

Hunters are beginning to take out their licenses for the year 1907. The county clerk's force has been busy the last few days issuing them.

Hendershott's orchestra played for a dance at Creswell last night.

Among the carload shipments from the Eugene depot yesterday were the following: A car of lumber by the Walters Lumber Company to California; a car of canned goods by the Allen Fruit Co. to Portland and three cars of lumber by the Eugene Lumber Company, one to Salt Lake and two to California.

Miss Rose Melville's private railroad car, in which she is making her eighth annual tour as the Posey county girl, is called the "Sis" Hopkins," and is in reality a fully epuipped five-room flat with all the necessary fixings. It is lighted by electricity and has a dark room, where Miss Melville rides her hobby of amateur photography when traveling between cities. At the Eugene theatre tonight.

New Year's day is always observed by the people of Eugene probably more than any other city in Oregon. The day is usually as quiet as Thanksgiving or Christmas, all branches of business suspending during the afternoon, and the banks closing all day. The old custom of receiving New Year's callers is being observed by a number of Eugene residents and the Fortnightly Club kept open house at the public library this afternoon. A large number of people, gentlemen predominating, accepted the club's hospitality.

Some one stole Lester Tozier's suit case and a bundle of clothing as he was waiting at the depot Monday night for the local to take him to Creswell. The suit case and clothing were left in the waiting room and when [illegible] to get them they were gone. [illegible] were notified, but as yet they have not found the stolen articles nor a clew to the thief.

A boys' basketball team, styling themselves the Willamette Athletics, went to Harrisburg [illegible] afternoon to play against a team in that town tonight. The Eugene team will line up as follows: Kuykendall, centre; Watson and Apperson, forwards; Mummey and Burton, guards.

Some new steel record cabinets re being installed in the vault at the county clerk's office, the old ones having all become crowded with the papers in circuit and probate court cases.

**The Ideal Family Laxative**

is one that can beu sed by the entire family, young and old, weak and strong, without any danger of harmful effects. It should have properties which insure the same dose, always havng the same effect, otherwise the quantity will have to be increased and finally lose its effect altogether. These properties can be found in that old family remedy, Brandreth's Pills, because its ingredients are of the purest herbal extracts, and every pill is kept for three years before being sold, which allows them to mellow. We do not believe there is a laxative on the market that is so carefully made.

Brandreth's Pills are the same fine laxative tonic pill your grandparents used. They have been in use for over century, and are sold in every drug and medicine store, either plain or sugar-coated.
