Clean Man

Cleanliness is less than half the battle. A man may bathe a dozen times a day, and still be unclean. Good means cleanliness not only outside, but inside. It means a stomach, clean bowels, clean blood, a clean liver, and healthy tissues. The man who is clean in this way looks and act it. He will work with energy and think healthy thoughts.

Never be troubled with liver, lung, stomach or blood. Dyspepsia and indigestion originate in unclean stomachs. Blood diseases are found where there is unclean blood. Pimples and bronchitis mean unclean lungs.

Dr. Pierce's Golden Medical Discovery

prevents these diseases. It makes a man's insides clean and healthy. It cleans the digestive organs, makes pure, clean blood, and clean, healthy flesh.

Gives tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol or habit-forming drugs.

Constipation is the most unclean uncleanliness. Dr. Pierce's Pleasant Pellets. They never gripe. Easy to take as candy.

WANTS TO BEAT 'FRISCO

McCredie Says He is Sure of Winning Second Place in the League

"I am sure Portland can win second place, and perhaps we can capture first place; but the one thing I want to do before all others this season is to take one series from San Francisco," said Manager McCredie, of the Coast League team, before starting south on a five weeks' trip last night. Portland lost six out of nine in the series with the Seals ending Decoration Day. Then on the Seals' first trip north they won four out of six. On the last two occasions the teams met each has won three games. They meet twice more, one series beginning at Oakland tomorrow afternoon and the other beginning October 19. San Francisco has won 16 and Portland 11 out of the games to date, but Mac hopes to have the balance the other way before the season is over.

Manager McCredie has added materially to the strength of his Coast League team. In addition to transferring Chinault to the Coasters, he brought Tommy Murray and Phil Cooney down to the Coast League team and sent Armbruster and Breen to the Northwest League. In making this trade he adds a catcher who can help Fisher without taking away from the strength of the team and in addition strengthens the base running and hitting of the team.

Baseball Brevities

After trying hard all season Los Angeles finally succeeded in winning a series from San Francisco, getting four out of seven games played last week.

Today at San Francisco McCredie's bunch opened a seven-game series with the Seals, and Mac expects he will win the odd game.

STARTED FOR OREGON WITH H. G. HADLEY

James Casey, of Woodburn, who is visiting his daughter, Mrs. E. L. Campbell, here, came to Oregon in 1851, coming part of the way in the employ of the late Henry G. Hadley, as his blacksmith. Mr. Hadley had twelve of the finest brood mares he could purchase in Illinois before starting and needed a horseshoer to keep them fit for travel. Mr. Casey, who was 25 years of age then, left on the two thousand mile journey, nearly all the way a wilderness, on an hours' notice. He is 82 years of age.
