SCHOOL TEACHERS SCARCE IN PACIFIC NORTHWEST COUNTRY

Seattle, Aug. 11.—Schoolma'ams of other sections of the country who are desirous of a change of air and scenery and an increase in salary should sit right down and write a letter applying for a job, addressed to the educational authorities of almost any city or town in Washington, Idaho, Montana or Oregon. Chances are two to one they will find the offer snapped up immediately, owing to the great shortage in the crop of schoolma-ams in the Northwest. As there are more men than women in this section, and pretty schoolma-ams are always quoted above par in the matrimonial market—but the education authorities want nothing sai dabout that phase of the matter. It is so that that the present shortage of schoolma-ams is due.

HOME INVESTMENTS BEST

Suburban acreage about Eugene is growing in value very fast. Two years ago I offered hill lands in City View Park at $40 per acre, and very few persons could be induced to buy. Last month I sold this same land at auction, without improvements, for $105 per acre, and at private sale on long time for $200 per acre. The future growth of Eugene will soon make it worth $1000 to $2000 per acre. Last month I sold Florence acreage by auction for 46 times what it sold for six years previously, and the joke of it is that the buyer resold it within thirty days for eight times what he paid for it, or 368 times what it sold for a little more than six years ago. This experience will be repeated many times in the next few years. Deepening the Siuslaw bar to eighteen feet will increase its shipping capacity over 400 per cent. If Lane county people, instead of sending their money to Canada and elsewhere for investment would invest it in Eugene and Florence real estate they would make more money and at the same time help develop local interests. Distance may "lend enchantment to the view,' but as a money-maker, compared with home investments, it is a fizzle. For an investment near town that is a real money-maker, see the veteran rea estate man, Geo. Melvin Miller.

H. E. Owen, the real estate dealer, has taken charge of the ads in the Eugene street cars, and commencing September 1st, will charge $1.00 per car for ads in cars, and there will be five cars in service. ill cost $5.00 per month to put ads in the cars, and furnish own ads and cards. There will be two cars on the Springfield run, two on the College Hill loop and one on the Fairmount loop. Ads can be changed at any time, and will be looked after at all times. Other places like Portland, Walla Walla and Seattle, they charge from $2.00 to $4.00 per car, but Eugene, Albany and Salem only $1.00 per car. For ads call at 536 Willamette street. Phone Main 475, or Red 3351. a11

KEEP THE KIDNEYS WELL.

Health Is Worth Saving, and Some Eugene People Know How to Save It.

Many Eugene people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger when all diseased and aches and pains due to weak kidneys can be quickly and permanently cured by the use of Doan's Kidney Pills. Here is a Eugene citizen's recommendation:

Mrs. S. A. Jameson, 149 Madison street, Eugene, Or., says: "I know of a case of dropsy that was cured by the use of Doan's Kidney Pills. I feel certain that this remedy can be relied upon and consequently I willingly recommend it."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

INFURIATED MAN ENTRAPS WIFE WITH LOVER

Quaker City Society Scandalized When Prominent Couple Are Arrested

Philadelphia, Aug. 11.—After having been watched by her husband's detectives for the last three months, Mrs. Mary Ethel Axford, wife of Dr. Walter Axford, one of the leading physicians of West Philadelphia, living at No. 5046 Spruce street, was arrested in company with Thomas A. Conway, manager of the Atlantic City Hippodrome and the New Jersey Fireworks company, in the Koch hotel, the Inlet. Constable Anderson, armed with warrants charging the man and woman with a serious offense, broke down the door of the room to gain entrance.

Daughter With Couple.

When the constable, Dr. Axford and detectives entered the apartment they learned the daughter of Dr. Axford, 4½ years old, was with Conway and Mrs. Axford. The prisoners were taken to the Atlantic City jail. At 3 o'clock in the afternoon they had a hearing before Magistrate Jagmetty and each was held in $1000 bail. Failing to furnish the required bonds they were committed to jail.

"Walter, what did you do this for?" said Mrs. Axford when the room was entered, asserted the doctor.

"I did not answer my wife," said the doctor. "She was weeping hysterically and pleaded for forgiveness. I stepped into the hall and as soon as Conway was dressed he followed me and asked me to 'let up on him.' More than three months ago my suspicions were aroused in regard to my wife, and since then detectives have been watching her movements. Last Wednesday she went to Atlantic City, accompanied by my little daughter, and was stopping in one of the leading hotels. My little boy, 1½ years old, was kept at home."

Last night Dr. Axford says he was informed by Albert G. Briggs, a detective in his employ, that his wife and daughter, accompanied by Conway, entered the Koch hotel about midnight, when, it is asserted, Conway was registered as "John A. Anderson and wife." Axford and Briggs roused Magistrate Jagmetty, and, after stating the alleged facts to him, he issued warrants which were placed in the hands of a negro constable.

Door Forced Open.

The peace officer, accompanied by Dr. Axford, Briggs and Harry H. Tyndale, an assistant of Briggs, went to the hotel and demanded admittance to the room. Koch at first demurred, but finally accompanied them upstairs, and when no response was made to knocking, the door was forced open.

When the man, woman and child had dressed the two former were taken to jail and the little girl was placed in charge of a friend of Dr. Axford.

Mrs. Axford is 25 years old and is considered pretty. Dr. Axford, who is 30 years old, enjoys a large practice in this city and is prominent socially.

CURE FOR DREAD LEPROSY IS NEAR

Honolulu, Aug. 11.—For the first time in history bacilli of leprosy have been isolated and cultivated by Drs. Brinckerhoff and Curry, making possible the development in the near future of toxins and vaccines with which the hitherto incuarble disease may be successfully combated.

By the advancement of theories suggested by M. T. Clegg, the government expert in Manila, the two physicians have brought about their discovery. They are continuing the experiments.

Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and Derangements, the "Discovery" is a time-proven and most efficacious medicine.

The genuine has on its outside wrapper the Signature

You can't afford to accept a secret nostrum as a substitute for this well known medicine of known composition, not even though the seller may thereby make a little bigger profit.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach and bowels. Sugar-coated, tiny granules, easy to take as candy.
