OREGON ELECTRIC AT HARRISBURG

Survey Runs Over Fourth Street —Other News of Interest

The surveying party of the Oregon Electric passed a line down Fourth street today, coming into town from the north side just a few feet east of the C. E. Maxson residence property. They practically parallel the S. P. line at least to the other side of the river. In coming from Albany they found a fine route and one that will scarcely call for a second survey.

This company has just been granted a franchise by Eugene, one of the conditions being that the company have their line in operation to Eugene within 18 months.

Enjoy Fine Auto Trip.

Bird Rose and John Warner returnd last week from their sixteen days' auto trip through central Oregon. They took in Madras first, then going south to the state line, stopping at all the principal towns and villages. There is evidence of a rapid settlement of all the country through which they passed. Both railroads up the Deschutes are being rapidly pushed and all the towns that the cars will pass are showing great signs of activity. They returned through the mountains on the Medford route, encountering no difficulties until they reached Sand Hill, some distance this side of Grants Pass, where they had to abandon their auto temporarily.

Sudden Death.

Little Goldie Rickard, the 8-year-old daughter of Mr. and Mrs. J. H. Rickard, living five miles north of Harrisburg, passed away Wednesday morning, her demise resulting from an acute attack of appendicitis dating from only three days before her death. She was brought to the hospital here and an operation followed, but despite all that surgery, medical skill and loving hands could do she failed to rally.

She was the youngest daughter, an exceptionally bright and lovable child. The parents have the symathy of the entire neighborhood in their great beeravement. The funeral was held at 2 o'clock today from the South Methodist church, Rev. Walbeck presiding. Interment in the Alford cemetery.—Bulletin.

Silence!

The instinct of modesty natural to every woman is often a great hindrance to the cure of womanly diseases. Women shrink from the personal questions of the local physician which seem indelicate. The thought of examination is abhorrent to them, and so they endure in silence a condition of disease which surely progresses from bad to worse.

It has been Dr. Pierce's privilege to cure a great many women who have found a refuge for modesty in his offer of FREE consultation by letter. All correspondence is held as sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Favorite Prescription restores and regulates the womanly functions, abolishes pain and builds up and puts the finishing touch of health on every weak woman who gives it a fair trial.

It Makes Weak Women Strong, Sick Women Well.
