CIRCUS MEN TO TALK FOR LIONS

Clinton A. Connelle (Uncle Toby) and Al Priddy from the department of visual education of Ringling Brothers and Barnum and Bailey circuses are to be the speakers for the weekly luncheon of the Eugene Lions club on Wednesday noon, August 28, in the Eugene hotel.

Mr. Priddy has spoken in Eugene before and is an associate member of W. F. G. Thacher chapter of Alpha Delta Sigma, men's national advertising fraternity, on the campus.

"The Other Side of the Circus" will be the subject of the talk to be given by Mr. Priddy at the luncheon Wednesday. Mr. Connelle is to provide entertainment.

The department of visual education in the circus cooperates with national, state and municipal bureaus of education with but a single point in view: "The Betterment of Child Life Through the Way of the Curcus," according to the two visitors. Mr. Priddy has given addresses before service clubs and civic groups over the entire country.

STATE OFFICIAL TO APPRAISE PROPERTY

Appraisal of a number of pieces of Eugene business property prior to the first meeting of the county tax equalization board, Sept. 9, will be made by Special Assessor Selander of the office of the state tax commissioner, Sept. 4.

The appraisals will be made at the request of Ben F. Keeney, Lane county surveyor, who asked that a special assessor make appraisals in order to compare them with the assessments made by the county assessor's office here.

The special assessor will appraise the property without knowledge of the assessments that have been placed on it by county officials. Thus it will be possible to determine whether local assessments are just and reasonable.

Plumber Goes to Jail; Lacks License

John T. Vail, Eugene plumber, was convicted in police court last Monday on a charge of engaging in plumbing work without a license. Vail was given a choice of paying a fine of $25 or serving twelve and one-half days in the city jail. He elected to go to jail and is now serving his sentence. A complaint was filed Monday after Building Inspector R. W. Rundlett found that Vail had installed plumbing at 671 east 16th street.

Vail was fined on a similar charge about a year ago and appealed the case to the district and the supreme court, each court sustaining the findings of the lower court.

Miss Skow Plans Demonstrations

Additional home demonstration meetings for September were announced Monday by Miss Gertrude L. Skow, home demonstration agent.

At Linslaw, Sept. 24, a meeting in clothing renovation will be held. An advanced clothing meeting will be held in the Walker district, Sept. 25. A meeting for Blachly, Oct. 1 has also been scheduled.

The meet planned for Wednesday at Creswell has been postponed until later.

The airport of the Kreider Reisner corporation at Hagerstown, Md., is to be equipped for night flying. Hagerstown is one of the cities on the Washington-Pittsburgh airway, which soon is to be lighted for night air mail service.

BLACK TOP PAVING IS SELECTED FOR WEST SECOND ST.

Second avenue west will be paved with black top from Blair street to the city limits. The taxpayers of the neighborhood, in urging the paving of the street, asked that the lowest bid be accepted regardless of the material being concrete or warrenite. Granting the request, the Stien Bros. bid of $14,295.40 for black top was accepted by the city council Monday night and the contract awarded.

Councilmen Reid and Hendershott voted that the council abide by the custom of recent years of insisting on concrete paving for the city of Eugene, the other members of the council voting for the black top. The next low old, that of Hargreaves and Lindsay, was $14,994.20 for concrete.

The council adopted recommendations that the persons residing beyond the city limits who have connected with the city sewer system be required to pay an amount to be stipulated by the council, and that such persons should, within two years, vote to be annexed to the city. No outlying district, however, will be permitted to connect with the city sewer system without petitioning for admission to the city.

A petition asking that the Southern Pacific extend bus service to the north end of the city and bearing 200 names was presented. The council was informed by T. L. Billingsley, in charge of the Southern Pacific bus lines, that the proposed line would not bring revenue enuogh to pay more than 2 5per cent of the expenses incurred and that the company could not start the new line while it already had three non-paying lines in the city. The council has no power to order such an extension under the charter granted the company, so merely heard the firm's statement.

Three other paving contracts were awarded by the council as follows:

Madison, 11th to 13th, concrete, to Hargreaves and Lindsay, for $5340.64.

Alley, between Sixth and Seventh from Olive to Charnelton, concrete, to Hargreaves and Lindsay for $2145.95.

Alley between Ninth and Tenth and Willamette to Charnelton, concrete, to Hargreaves and Lindsay for $991.60.

Alley, between 16th and 17th and Willamette to Olive, to Oscar Snow for $1050.

The engine and wreckage from the fire truck wrecked last November was sold to L. P. Harmon for $425 and the council ordered that payment be made for the new truck replacing it.

A petition to limit parking at the new public market to one hour was referred to the police committee for a report at the next meeting.

Permission was granted the University of Oregon to cross a number of streets in extending its heating system.

Temporary planking will be allowed along the south side of Fifth avenue east at the new Swift and company building as ground conditions will not permit paving at the present time. Paving is to be done in one year.

A proposal to zone East Broadway so as to prevent placing business houses in the residence district was referred to the zoning committee of the city planning commission.

Petitions for the paving of Madison street from Eighth avenue to Broadway, and the alley between Eighth and Broadway from High street east were granted.

An ordinance providing for angle parking on Kincaid street from Thirteenth to Fifteenth avenues was passed.

C. W. Mullin, J. W. Hobbs and William Kneeland were appointed new viewers for the opening of Emerald street from Twenty-fourth to Twenty-fifth and the widening of Columbia street from Twenty-third to Indiana avenue.

Police Entertain Young Hitch-Hiker

Curtis Holden of Commerce, Tex., was an over-night visitor at the Eugene police station, leaving Tuesday morning so as to return to his home in time for the opening of the school year.

Curtis is 14 years old and has hitch-hiked his way from his home through parts of northern Mexico, New Mexico, Arizona, Colorado, Lower California, California and Oregon in the 15 days since leaving Commerce.

Attired in a Boy Scout uniform and carrying a small hand bag, he said that he has had no difficulty in getting rides, usually from parties going several hundred miles in a single day. The lad's clean appearance and well-mannered behavior gained him the room off Mrs. Ady's office usually reserved for women prisoners. It was the first time he had spent the night at a police station, he said, usually going to a tourist camp and several times sleeping in the open.

Displaying an unmistakable southern drawl, the youth took his leave thus:

"Well, I thank you-all for letting me stay here. It's time for me to be starting back to school. You know I've found that a fellow can have more fun in school than any place else."

Store Remodeling Nears Completion

Alterations on the second floor of McMorran and Washburne store are nearly completed and the opening to the public will be some time next week after Labor day.

Extensive changes have been made on the floor, new departments have been added and new show cases installed. The office of Karl Thunemann, advertising manager, has been moved from the balcony to the east end of the second floor adjoining the women's ready-to-wear department. This change was made to allow Mr. Thunemann to keep in closer touch with the departments of which he has charge.

NEW ADVANCE IN CALL MONEY IS NOTED ON MARKET

NEW YORK, Aug. 27.—(AP)—Call money advanced from 7 to 9 per cent today and the stock market ran into a heavy storm of selling. Early gains of 1 to 15 points were cut down or wiped out and by early afternoon many of the recent leaders were selling 1 to 6 points below yesterday's final quotations. In the early outburst of buying, more than 20 issues, including half a dozen rails, were lifted to new high records.

The closing tone was irregular, with total sales approximating 4,100,000 shares. The closing sales on the exchange today:

South Bend safely. They took off for Cleveland later.

Rankin Third

Tex Rankin, Portland, held third place when the leg here was completed. His total elapsed time was 13:54:03.

Ted Wells, Wichita, Kans., leader in elapsed time in the race by 4 minutes and 31 seconds, was sixth to leave the ground. On the various legs across the country he and Holman have engaged in a battle of seconds, Holman having gained five minutes and 29 seconds on the leg from St. Paul to Milwaukee. Holman had a new motor installed in his plane at St. Paul and this may give him an advantage in today's final lap.

On today's leg the planes headed south and east to South Bend, Ind., and the returned due east to Cleveland. At the airport it was estimated that the Cleveland lap will be flown in less than three hours.

Time Given

The names of the pilots, time of their takeoff and elapsed time from Portland follow:

W. B. Clark, Portland, 10 a. m., 22:20:33.

Dick Rankin, Portland, 10:02 a. m., 15:35:33.

G. W. Eckerson, Springfield, Ore., 10:04 a. m., 15:05:08.

W. H. Emery, Bradford, 10:06 a. m., 14:59:39.

Tex Rankin, Portland, 10:08 a. m., 12:44:53.

Ted Wells, Wichita, 10:10 a. m., 12:13:41.

Saydor Hall, St. Louis, 10:12 a. m., 14:39:15.

Charles W. Holman, Minneapolis, 10:14 a. m., 12:13:12.

Local Men Will go To Trade Meeting

The seventh annual convention of the Pacific Foreign Council in Seattle, Wash., September 18 and 19, will be attended by several Eugene business and professional men according to present indications.

The development of greater coast unity for world trade expansion through greater production, industry and commerce is given as the purpose of the meeting. Leading manufacturers, merchants, agriculturalists, transportation men, bankers, importers and exporters from all parts of the Pacific coast and from the Rocky mountains west will be at the meeting.

MANY OUT FOR ROTARY MEETING

More than 100 members and guests were present for the weekly luncheon of the Eugene Rotary club Tuesday noon at the Osburn hotel.

Dr. J. Duncan Spaeth, member of the Princeton university faculty who has been here during the university summer school, gave an address to the club on the recent Alaskan cruise taken by the post-session students at the university. Club singing was led by Dr. J. Franklin Haas.

For next week's program, T. J. Flippin is arranging for a Labor day event.

LANE GROUP SEES IRRIGATED PASTURE

Fifteen Lane county farmers and O. S. Fletcher, county agent, were at Corvallis Tuesday afternoon viewing the results obtained from irrigating a pasture of Ladino clover. Ladino clover is raised extensively for seed and pasture in Lane county and the methods of irrigating the crop for pasture is of interest to the farmers of this vicinity.

The pasture visited Tuesday afternoon is one in which three sections of clover are raised in rotation. A flock of 47 head of cattle is moved from one section to the other.

Fine Arts Building Work is Started

Preparatory work on the construction of the fine arts building on the University of Oregon campus was under way Tuesday afternoon with workmen erecting a toolhouse on the site.

It is expected that ground will be broken for the foundations of the structure within the next day or so although no definite date has been learned.

ACTIVE CLUB LUNCHEON

Dr. J. R. Wetherbee is to be speaker at the weekly luncheon of the Eugene Active club on Wednesday noon, August 28, at the Osburn hotel. "Early Civilization in Central America" will be the topic of Dr. Wetherbee's address and he will show slides. Dr. Gilson A. Ross is chairman of the program for the day.

AID PLANS MEETING

The Ladies' Aid society of the Central Lutheran church will serve a covered dish supper at the church parlors on Thursday, August 29 at 6 o'clock. The proceeds will go toward defraying expenses for redecorating the parsonage.

LIME POOLS WILL CLOSE SEPT. 1, 14

Lane county farmers who wish to purchase lime from the state plant must place their orders before Sept. 14 to secure the advantage of the pools now being arranged, O. S. Fletcher, county agent, announced Tuesday morning.

The Eugene, Junction City and Cottage Grove pools will close Sept 14 and the Cushman and North Fork orders will be closed Sept. 1, Mr. Fletcher said.

Arrangements for joining the pools may be made at the county agent's office, local banks, or the organizations making the pools.

Latest reports reaching the county agent's office indicate that more lime will be brought into the county than ever before. The Cushman pool alone calls for 47 tons with prospect of raising the figure before the books are closed. Last year 225¾ tons of lime were purchased by 668 Lane farmers. Mr. Fletcher said that the tonnage will go over 300 this year.

The lime is being used to neutralize acid soil for the raising of clover, vetch, and legumes.

Orchestra Leader Theater Manager

George McMurphy, former University of Oregon student and leader of the famous "Kollege Knights" orchestra, has accepted the position of manager of the new Alder theater in Portland which will open its doors Friday evening.

The general manager of the Consolidated theaters, Charles E. Couche appointed Mr. McMurphy to the position.

Turnover Made to County Treasurer

A turnover of 1928 taxes to the county treasurer from the sheriff Tuesday afternoon amounted to $2,100.84, which was itemized as follows:

State and county, $1,120.67; cities, $468.86; school districts, $466.27; union high schools, $18.60; road districts, $23.16; Port of Siuslaw, $1.36; forest fire patrol, $1.92.
