PORTLAND MAN IS WANTED

B. H. WEBB CHARGED WITH EXCEEDING SPEED LIMIT

His Companion Gives Check as Bail Money Then Stops Payment on It —Warrant Has Been Issued

A warrant for the arrest of B. H. Webb, of Portland, was sworn out yesterday, charging him with speeding a car on the highway near Eugene, and Sheriff Stickels has requested the police of Portland to serve it.

A few days ago the Lane county traffic officer stopped a car that was exceeding the speed limit. The three men in the car said they did not have time to come back to Eugene to appear in court, and R. L. Sheppard, one of the occupants, gave the officer a check for $15 as bail money, as Webb, who was the driver and claimed to own the car, said he had no money.

Sheppard stopped payment on the check, drawn on a Portland bank, it was learned a few days ago, and steps were at once taken to collect a fine from Webb.

Sheriff Stickels suggested to the Portland police to hold Webb in jail for a day or so for the trick he had pulled off.

CAR OWNERS ARE FINED

POLICE COURT BUSY WITH TRAFFIC LAW VIOLATORS

Monday is pretty nearly always a good day for news in the local police court. On that day more cars are out and naturally there are more violations of the traffic law, and besides once in a while a man chooses this day or Saturday night on which to "tank up."

Yesterday Judge King fined R. W. Breham $5 for cutting a corner with his car; W. H. Enke $15 for speeding on Blair boulevard; Margaret Strong $2 for parking her car in the restricted zone on Eleventh avenue west, between Willamette and Olive streets, and A. N. Tengs $10 for being intoxicated.

SUPREME COURT TO PASS ON WOMAN JUROR STATUTE

J. J. Chase Rape Case Appealed From Circuit Court

ACCUSED GETS SEVEN YEARS

Large Number of Jurors Empaneled for This Terms Excused and Some Women Decline to Serve

The constitutionality of the woman jury law as enacted by the last session of the state legislature will be tested in the supreme court as soon as possible, according to announcement of the attorneys for J. J. Chase, 60-year-old Camp Creek farmer, convicted at the last term of court for rape on a little girl and who was denied a new trial yesterday by Judge G. F. Skipworth in the circuit court. After the denial of the new trial the judge sentenced Chase to serve seven years in the state penitentiary and his attorneys, Potter, Foster and Inimel, immediately gave notice of appeal. Chase is out on bond.

Other Cases to Go Over

District Attorney Johnston, when it was learned that this case will be appealed, moved to continue three other rape cases that were to have been tried at the present term of court and they will not be tried until the supreme court passes upon this case. It is expected that all questions as to the manner of drawing a jury in such cases and as to the number of women required to serve will be settled in the supreme court decision. Otis Kizer, of Springfield, Willard Carpenter and Moxley are the defendants in the other cases.

Women Decline to Serve

Quite a number of the jurors chosen to serve at the present term of court, which convened yesterday, were excused because of press of business or farm work and several women empaneled for this term declined to serve, being allowed this privilege under the law. To take the places of these jurors an additional panel as follows was taken: W. J. Tuck, carpenter, Eugene; Ira A. Nice, clerk, Springfield; W. P. Lower, farmer, Creswell; W. E. McGillis, farmer, Junction City; Jermiah M. Day, farmer, Alvadore; E. Large, merchant, Eugene; Clinton Hurd, farmer, Coburg; James B. Stewart, farmer, Dorena; Mrs. Clara Wallace, housewife, Creswell; Enoch F. Ream, farmer, Walterville; Alfred T. Beidler, farmer, Cottage Grove; Martin H. Andersen, laborer, Cottage Grove; William R. Robinson, farmer, Eugene; J. H. Daniel, farmer, Eugene; Andrew J. Sheridan, farmer, Eugene.

Some Are Excused

Those excused by the judge were J. B. Young, Tony Bryant, S. D. King, J. B. Hills, Claud R. Downing and Ernest D. Conley. Inez D. Cooley, whose name was drawn, is out of the county. The women who declined to serve are Addie B. Osburn, Della P. Peterson, Agnes Campbell, Jennie Warren, Emma M. Wilkins, Lottie Branstetter, Mabel F. Bell and Sora Culver.

BOOSTER TO BE AT CAMP

MAN WILL TELL TOURISTS OF EUGENE'S ATTRACTIONS

Chamber of Commerce Directors Meet at Municipal Grounds With City Park Commission

The board of directors of the chamber of commerce held its regular meeting last night on the picnic grounds of the city auto camp with the members of the city park board. Decision to maintain a representative at the camp to tell visitors of the scenic attractions near Eugene and the opportunities in Eugene and the county was made. George Howard Godfrey, a student at the University of Oregon, was chosen for this position. Godfrey is a junior at the university this year and is a major in the school of journalism. He has been active in the work of the Emerald, daily publication of students of the university.

The decision to keep a representative at the auto camp came after the realization that there were large numbers of tourists who were looking for places to settle and numbers of others who would stop off to make side trips into the points of scenic attraction in the county if they knew of the existence of such places. The publicity agent of the chamber will interview as many tourists as is possible each evening and tell them of the opportunities which this county has to offer and distribute literature which the chamber of commerce has prepared.

It was decided to hold the next regular meeting of the chamber of commerce at the auto camp on June 26.

B. H. Parker, superintendent of the camp, reported that 34 automobiles had arrived yesterday and that complaints were heard from practically none in regard to the charge. The chamber of commerce is in receipt of letters from Salem and Grants Pass, which state that they are charging for the use of their auto camps and that they have had no complaints.

A map of the county is to be painted on the wall inside the rest cottage at the camp, according to the decision made at last night's meeting. This map will show all the principal roads in the county and emphasize the scenic points and map the way in which they may be reached.

All members of the board of directors attended last night's meeting with the exception of two.

MRS. WARNER HONOR GUEST

MEETS WITH KIWANIS

Closer Relations With Orient Desired, Says Speaker; Kiwanis Sell Tickets for Eugene Chautauqua

Mrs. Murray Warner, donor of the Oriental art collection to the University of Oregon, was the guest of honor at the luncheon of the Kiwanis club yesterday noon and in a short talk to the members of the club told them that one of her chief reasons for giving the collection was to stimulate interest in China and Japan in order that closer trade relations might be realized and so bring about more trade between the countries of the Orient and the Pacific coast states particularly Oregon. Mrs. Warner explained that the collection was a valuable educational asset to the university and that it will give people here a more intimate knowledge of the inhabitants and natural resources of the Orient.

At the conclusion of the luncheon members of the Kiwanis went in a body by automobile to the woman's building on the university campus to view the art collection.

The Kiwanis quartet gave a number of selections and Roy Bryson accompanied by Miss Imogene Letcher, sang several vocal selections.

Plans were perfected at the office of J. N. Pratt last night for the sale of chautauqua tickets. The total amount to put the chautauqua on this year is $2100 and tickets will be on sale at several of the downtown stores and each member of the Kiwanis club will act as a special agent for the sale of the tickets. The Kiwanis club has guaranteed the Ellison-White chautauqua in Eugene.

The committee in charge of the ticket sale is headed by J. N. Pratt. Other members are George McMorran, C. C. Carter, A. R. Gray, E. Walker and J. Miner.

J. N. Pratt has been appointed district trustee for the chapter of the Kiwanis which embraces Oregon, Washington and Western Canada. These trustees will meet in Olympia, Wash., during the latter part of July.

ALASKA CAR IS SEEN HERE

FAMILY TRAVELING FROM JUNEAU TO SAN FRANCISCO

It is seldom that an automobile bearing an Alaska license tag is seen here. There are not many hundred cars in that territory and it is not very often that one is shipped to the states. Yesterday, a little Maxwell, bearing license tag No. 160 issued by the city of Juneau and No. 354 issued by the territory of Alaska, was seen on the streets of Eugene. In the car were W. E. Dozier and family, who are on their way to San Francisco to live after a residence of a number of years in the northland. Mr. Dozier was engaged in the mining business.

Mr. Dozier said that he believes there are more cars in Juneau to the mile of roads than in any other city in the world. There are 216 registered cars there and the total length of the roads, including the city streets and adjacent territory, is only 35 miles. Mr. Dozier said that the roads outside the city are very rough and there is not much pleasure riding there.

EAGLES OPEN CONVENTION

ARRIVE TODAY

State Gathering to Take Three Days; Installation of Newly Elected Officers Tonight

The state convention of the Federated Order of Eagles will open in Eugene today at 10 o'clock when representatives from all over the state will convene at the Eagle's hall for the first regular meeting of the three day session. A small number of Eagles arrived in Eugene last night and practically all of those who will attended the convention are expected to arrive here today.

This evening the recently elected officers of the local lodge will be officially installed by A. W. Redick, of Snohomish, Wash., grand worthy chaplain of the national order. At the same meeting the largest initiation of new members ever to be held by the local aerie will be had.

After the business session Wednesday which will be completed by noon the visiting delegates will be taken for an automobile trip up the McKenzie river to Nimrod inn where lunch will be served. All the meetings are to be held at the local hall on Willamette street between Fifth and Sixth avenues.

On Thursday a public meeting will be held at which time Del Cary Smith of Spokane, past worthy grand master of the order, will address those present on the subject of the old age pension and the educational advantages of the F. O. E.

FIRE RAGING ON WOLF CREEK

SERIOUS FOREST BLAZE REPORTED SATURDAY NIGHT

C. V. Ogiesby at Scene With Crew of Men to Combat Flames in Government Timber Lands

A serious fire is raging in the heavy timber in the Wolf creek district about 20 miles southwest of Eugene, according to a report made to the Western Lane Fire Patrol association. C. V. Ogiesby, chief warden of the association, is at the scene of the fire with a crew of men combating the blaze, according to E. G. Muir, of the Siuslaw Timber company, a member of the association.

The fire was reported by settlers in that part of the county Saturday night and a later report by wardens of the fire patrol association verified the first report that the fire was of dangerous proportions. One of the wardens viewed the blaze from a nearby mountain ridge and gave the location as being in the government property of the California and Oregon land grant near the holdings of the Siuslaw Timber company. Mr. Muir states that it may have spread to the timber lands of the Siuslaw company by this time.

Although there is no immediate danger to dwellings, the Wolf creek district contains patches of very valuable timber and if unchecked the fire will destroy holdings amounting to thousands of dollars, said Mr. Muir

T.B. WORK TO BE CONTINUED

DR. BISHOP HERE TO FINISH CAMPAIGN

Dr George D. Bishop of Salem, has arrived in Eugene to finish the dairy cattle tuberculosis testing work started here some time ago by Dr. G. W. Trubey under the direction of the office of Ira P. Whitney, county agent. Dr. Bishop will be here two or three weeks and the campaign, which has been considered by Mr. Whitney as being very successful will be closed.

Dr. Bishop worked in the vicinity of Coburg yesterday, will work between Elmira and Noti today, Wednesday around Goshen and Creswell and next week in the Crow and Noti localities.

OIL EMPLOYES GATHER

BID GOOD-BYE TO JEFFRIES; WELCOME LINCOLN

Members of the Eugene organization of the Standard Oil company met at the chamber of commerce last night to bid farewell to L. B. Jeffries, who has been promoted from the position of special agent here to the post of assistant district sales manager at Tacoma, Wash., and to welcome C. S. Lincoln, of Walla Walla, Wash., who is taking the position vacated by Mr. Jeffries here. Mr. Lincoln held a similar position in the Washington town.

In recognition of the efficient service and brotherhood of Mr. Jeffries, the members of the local organization presented him with a traveling bag and a traveling toilet set. Mr. Jeffries has conducted the local office of the company in a very efficient manner and his new position with the Standard Oil company is considered by members of that organization to be a considerable promotion.

WOMEN CHOOSE DELEGATES

AUXILIARY OF AMERICAN LEGION MEETS

The women's auxiliary of the American Legion held its last meeting before vacation at the chamber and elected the delegates from the local chapter who will represent them at the state convention to be held at The Dalles, July 27, 28 and 29. The women chosen were Mrs. R. H. Fields and Mrs. E. S. Tuttle. The alternates elected were Mrs. Robert E. Biddle and Mrs. W. W. McCormack.

The meeting last night was a purely business one and the election of the delegates was the only business transacted. No meetings of the auxiliary will be held until next September. Since the women's auxiliary opens its year of activities in January no annual reports were heard at last night's meeting.

CUT GRASS ORDER OF CHIEF

NOTICE IS GIVEN TO DRESS UP STREETS AND ALLEYS

Between June 15 and 25 is designated by Chief of Police Christensen for property owners to cut the grass, weeds and brush adjacent to their premises and he has given public notice through the press that anyone failing to do so will be subject to a fine, according to the city ordinance.

The chief gives notice that grass, weeds and brush in streets and alleys must be cut and that all premises be brightened up to that extent. Many property owners and renters need no notice of this kind, but there are others that make no pretense of keeping the streets and alleys neat, and these are the people that the notice is intended for.

SMALL FIRES ARE REPORTED

SEVERAL BURNING IN SIUSLAW NATIONAL FOREST

Several small fires have been reported in the Siuslaw national forest, in the coast district, according to reports received by R. S. Shelley, supervisor of the forest. The supervisor said yesterday that the timber and brush, even on the coast side of the mountains, despite the moisture from the ocean, are very dry and fires may be expected to break out at any time.

One of the fires reported to the supervisor is on Drift creek in southern Lincoln county, another is on Cummins ridge in Lane county near the line and there is one on Yahaats mountain.

WORTHLESS CHECK GIVEN

JOHN OLSON TENDERS BAD PAPER FOR BICYCLE

The police are looking for one John Olson, who gave to Arthur Hendershott of the Eugene gun store a bad check for $55 in payment for a bicycle but did not get the machine, so Mr. Hendershott is out nothing.

Olson went to the store yesterday morning and picked out a bicycle and tendered this check in payment. Mr. Hendershott told him to remain at the store until he went to the bank and cashed the check but he found that Olson had no funds on deposit. When Mr. Hendershott returned to the store he found that Olson had disappeared and the bicycle was in its accustomed place.

ACKERSON GETS HIS DEGREE

EUGENE MAN RECEIVES PH. D. DEGREE FROM COLUMBIA

Word has been received here that Luton Ackerson has received his Ph. D. degree from Columbia university, New York. Mr. Ackerson attended Columbia three years under the federal board and specialized in psychology and administration.

Mr. Ackerson will be remembered as the Rhodes scholar from Oregon in 1916. He spent one year at Oxford before he returned to United States and enlisted in 1917. He is the son of Mr. and Mrs. J. C. Ackerson, 2174 Lincoln street. Dr. and Mrs. Ackerson will go to Oxford to live for the next two years. They will sail from New York September 1 on the Majestic which is the largest steamer in the world.

It is rather unusual for the trustees of the Rhodes fund to postpone the attendance at Oxford so long, as Mr. Ackerson left there in 1917. It is the general rule that no married student shall enter but Mr. Rhodes was granted this double privilege because of his fine work under the federal board.

Mrs. Ackerson was formerly Merle Stearns, principal of Condon school and taught for several years in Eugene. She is a daughter of Mrs. J. O. Bristol.

RUBENSTEIN FOUND GUILTY

FUR DEALER CONVICTED SECOND TIME OF OFFENSE

Accused of Selling Furs Without Dealers' License and Appeals From Justice Court

Elia Rubenstein, of this city, who was convicted in the Eugene justice court a number of weeks ago of the offense of engaging in the fur business without first having obtained a fur dealers' license, was convicted in the circuit court yesterday. His case had been appealed from the justice court and was the first to come up for trial at the opening of the summer term of circuit court.

The jury chosen to try the case consisted of Mary T. Butler, Diana T. Finlayson, Abbie F. Wheaton, Elizabeth E. Day, Roy C. Brewer, Thomas H. Forbes, William E. Coyle, Sylvester Cox, Linda Middleton, J. Sylvester Cox, R. E. Waler and H. M. Stewart.

Rubenstein was given ten days in which to file a motion for a new trial.
