Little Boy Is Injured
(Register Lane County Special)

SPRINGFIELD, Ore., Aug. 24.—The small son of Mr. and Mrs. Thos. Goddard was badly injured when he fell from the wagon in which he and his father were hauling wood. Mr. Goddard was driving and had not noticed his son, who was sitting on the back part of the load of wood.

The boy's feet became entangled in the wheel, causing a painful injury, which fortunately was not serious. He was badly bruised and several of the ligaments of his body were torn but no bones were broken. The accident happened Wednesday forenoon.

GROVE PEOPLE VICTIMIZED

ONE CHAS. CORD ARRESTED AT RED BLUFF, CALIF.

Smooth Stranger Collects Money for Screen Border and Incidentally Passes Spurious Check

(Register Lane County Special)

COTTAGE GROVE, Ore., Aug. 24.—Claiming to be the representative of a Denver firm manufacturing ad border theater screens, Charles B. Cord, who last week visited Cottage Grove merchants and secured a considerable sum of money toward a new advertising curtain to be obtained for the local theater, was arrested Wednesday afternoon in Red Bluff, Calif., and will be returned to this city to face charges of fraud and of issuing a worthless check.

Twenty-five business men of this city signed for a space on the curtain and made cash deposits with Cord, who carried convincing credentials and made a smooth appearance. At a local jewelry store he passed a check for $284 for a diamond ring. The fact that he had cashed a post dated check, having first erased the date, aroused suspicion and subsequent inquiry by telegraph developed that there was no such Denver firm as the one which he claimed to represent. A telegram to the bank on which the check was drawn showed that the bank had no such customer.

While in the city Cord was accompanied by his wife and small daughter and by a young woman who registered as Miss Harriett Beebe. Late this afternoon Mrs. Cord wired from Red Bluff to say that she had the ring and would turn it over to the sheriff there. Cord will be returned to Cottage Grove.

Mrs. Gross, who was Jenny Garoutte before her marriage, was born in Ohio in 1845. She came west with her husband, a veteran of an Iowa infantry regiment, in the late sixties by an ox team. Four children survive.

Cannery Machinery Runs Wild
(Register Lane County Special)

COTTAGE GROVE, Ore., Aug. 24.—Considerable damage to the local cannery was narrowly averted Saturday when the belt to the governor of the engine broke and the machinery started on a mad rampage. The engine, which normally runs 250 revolutions a minute, ran wild for 20 seconds before an employe could reach it and turn off the steam. A few seconds more in which to gather speed would have wrecked the plant and endangered the lives of the many employes at work in the same room. Considerable damage to the steam line and to the foundation over which the engine did its mad dance resulted.

Bohemia Mining District Active
(Register Lane County Special)

COTTAGE GROVE, Ore., Aug. 24.—Mining activities in the Bohemia district, not far from this city, are taking on the appearance of boom days, according to W. H. Ostrander of Cottage Grove, secretary of the Oregon-Ohio Mining company, who has just returned from a trip through the company's mining property. Mining activity in this region has languished for a number of years but with the investment of new capital and the appearance of both new and old prospectors the Bohemia country is showing new life.

SUCH PAINS AS THIS WOMAN HAD

Two Months Could Not Turn in Bed. Lydia E. Pinkham's Vegetable Compound Finally Restored Health

Seattle, Washington.—"I had dragging pains first and could not stand on my feet, then I had chills and fever and such pains in my right side and a hard lump there. I could not turn myself in bed and could not sleep. I was this way for over two months, trying everything any one told me, until my sister brought me a bottle of Lydia E. Pinkham's Vegetable Compound. I took it regularly until all the hard pains had left me and I was able to be up and to do my work again. The hard lump left my side and I feel splendid in all ways. I know of many women it has helped."—Mrs. G. Richardson, 4640 Grass St., Seattle, Washington.

This is another case where Lydia E. Pinkham's Vegetable Compound brought results after "trying everything any one told me" had failed.

If you are suffering from pain, nervousness and are always tired; if you are low spirited and good for nothing, take Lydia E. Pinkham's Vegetable Compound. You may not only relieve the present distress, but prevent the development of more serious trouble.
