(Register Lane County Special)
CRESWELL, Ore., April 16.—The grange met in regular session on Saturday afternoon with a good attendance. Report of Worthy Master C. E. Hewitt to the meeting of Pomona grange at Irving was heard. Announcement of the 50th annual session of the Oregon State grange to be held at Newport June 5 was read. Among the standing committees appointed appear the names of Mrs. Carrie Hewitt on committee of elections and C. E. Hewitt on committee of appeals. CRESWELL NEWS NOTES
(Register Lane County Special)
CRESWELL, Ore., April 16.—The Epworth league elected its delegates Sunday evening to the state convention to be held at Eugene the end of this week. They are Lucile Laird, Chester Pritchett, Burton Laird, Marie Curran and Francis Scarbrough. The society, however, will attend the meetings as a body so far as possible and it is expected a banner delegation will represent Creswell.

The Creswell District Sunday school convention was held at Cloverdale church on Sunday with a record-breaking attendance. The little church was not large enough to hold the crowd which filled the windows and put their automobiles as close as they could get within hearing distance. The program was most attractive and only carried out that minute features were presented.

On Saturday afternoon at the home of Miss Ruth Barnes the Junior Epworth league was entertained with a birthday party. The day was ideal for the event and the young people had a delightful time with games and sports. The committee having the event in charge were Miss Barnes, Miss Lola Emerson, Miss Jane Mooney, Miss Hattie Curran and Miss Ruth Gleason. Ice cream and cake were served.

Kelly Langton left for Seattle Monday where he will commence work with the Independent Paving company for whom he worked last year. He will have a job of driving truck.

Ernie Everson returned to Sun Eugene Sunday to spend the day with his folks.

DAILY MARKET REPORT

GRAIN JOURNAL MARKET REPORT
PORTLAND, Ore., April 16.—Cut of 1c a pound in the price of butter and butterfat, as announced by the Journal in a previous issue, took effect at the week's opening here. The cut in price placed best prints at 44c a pound, as compared with 45c in effect last week. The cut in the price of butterfat was somewhat unusual, being exactly the same as in butter. Usually at this period of the season, with butter prices inclined to dip, the trade usually cuts an additional cent a pound off the buying price of fat.

The fact that both butter and fat quotations were similarly reduced for the day indicates that the trade is not at all sure that the price cut will be followed by another.

Cube butter is inclined to show a steady tone around 40c for extras and 39c for prime firsts.

EGG TRADE SHOWING ACTIVITY
Considerable activity showing in the general egg market, with 30c the current quotation at 29@31c and henneries 32c per dozen. No change in selling values noted. Storage operations continue on an extensive scale.

CHEESE DEMAND QUITE ACTIVE
Activity is continued in the market for cheese. There is practically no price cutting at the moment, and the spread in the selling price between Tillamook and other districts has been somewhat lessened.

BIDDING LINE FOR CHICKENS
Because of the scarcity of offerings as well as the very liberal demand, poultry growers are holding advances of fully 5 cent for hens of suitable weights. Light weight broilers are still sluggish.

POTATO MARKET QUITE ACTIVE
Quite fair activity is shown in the potato trade at Willamette valley points, with bids generally at 60@65c for good stuff and occasional selections at 70@75c. The latter are well worth a premium of 15 to 25 cents over ordinary stock. California new Garnets are quoted at 3½c, as are new Florida offerings, while California new whites are quoted around 3½c pound.

FANCY ASPARAGUS IS ARRIVING
Fancy asparagus from Oregon-Washington points is arriving here, with sales generally around $3 per dozen pound bunches, although selections were sold as high as $3.25. California grass is quoted at 19@20c generally.
