TRY MOORE AT COQUILLE

MAN ARRESTED HERE TO BE TAKEN TO COOS COUNTY

E. E. Moore, alias Harry Hurst and H. W. Lovelace, arrested in Eugene, held in the Linn county jail in connection with an alleged conspiracy to defraud the Western Union Telegraph company, has been taken to Coquille for hearing.

It is alleged that Moore, with a woman named Louise Hagler, who is held in Marshfield, attempted to defraud the Albany office of the telegraph company of $950. The woman was an operator in Marshfield and gave an order on the Albany office. The alleged attempt was not successful, but the pair were later arrested when they attempted to continue operations at Eugene.

ADAMS WILL BE SPEAKER

WILL TELL RADIO FANS ABOUT EUGENE

In the community programs to be given through the Oregonian's radio station, "KGW," E. J. Adams will represent Eugene on the evening of July 23, according to announcement by E. E. Chadwick, secretary of the chamber of commerce.

The Oregonian has offered the use of its station for broadcasting programs from the different communities of the state and Mr. Adams will deliver an address telling radio fans throughout the country who are in touch wiht this station, on what advantages Eugene and Lane county have as a place for homeseekers.

Bids Wanted for Laundry Work

The business office of the University of Oregon will receive bids until July 14th for laundrying about twelve hundred articles of army uniforms, such as woolen shirts, breeches, etc. Blank forms for submitting bids and all information may be secured at window 5 of the Business Office in the Administration bldg. 7-8-3

EVANGELISTS ARRIVE

PROFESSOR PATTERSON AND JOE MARSHALL HERE

Will Assist Evangelist Jacobs in Meeting at Big Tent at Thirteenth and Oak

Professor J. R. Patterson, formerly of Los Angeles, Cal., and Joe Marshall, music director, are in Eugene ready for the opening service at the big tent auditorium corner of Thirteenth avenue and Oak street.

The final preparations were made in the tent last night and Evangelist Jacobs will deliver the

Professor J. R. Patterson

first address tonight, taking for his subject, "The two greatest events in the history of the world as foretold in the Bible." Monday night Professor Patterson will discuss "The Bible in the Critic's Den." In a conversation with friends last night he said in port: "The Bible is the most bitterly hated and at the same time the most dearly loved book in the world. It is the most expensive book in the world; it has cost the life-blood of more people than all other books combined. It has been exploded times without number but it remains a complete whole today."

Song service will begin at 7:45. Service will be held every night except Saturday.

STRAUB, YOUNG TO STAY

REGENTS SUSPEND 70-YEAR RULE AT UNIVERSITY

SALEM, Ore., July 7.—Meeting here today a committee of the board of regents of the University of Oregon voted to suspend the rule of retirement for university faculty members reaching the age of 70 years, in the cases of Dean John Straub and Professor F. G. Young, who have passed the retirement age.

Dean John Straub, who has served the university for more than 40 years, is at present dean of men, and a professor of Greek. He is one of the best liked members of the faculty, and has for several years been affectionately known as "the father of the freshman class."

Professor F. G. Young is a professor in sociology, and is known as an authority in his field.

No Collection: No Charge

L. M. Travis, Inc. The oldest and most efficient collection agency in the upper Willamette valley, began in 1901, and now employs five trained assistants. Our service is used extensively in Lane county by the Oregon-Washington League of collection experts, by the Lane County Credit Assn. and by the Collection Agencies Assn. of Oregon. We collect for anybody, anywhere, and remit every Saturday. No collection; no charge.

And Even Children Need Glasses

¶ Parents should know that quite a large number of young children are troubled with defective vision.

¶ If these are neglected, school hours become one long nightmare to the little ones who suffer much needless pain and undeserved blame for dullness when the fault lies in the eyes and nerves which obstruct the understanding.

¶ By our scientific methods we can read the eye like a book and prescribe the right glasses, which will give perfect satisfaction.
