FOR SALE—Real Estate

AUCTION
The undersigned will offer at Public Sale to the highest bidder at 2 o'clock p. m. on Saturday, January 9th, 1926, at the corner of Fourth and High streets in Eugene, Oregon, the tract of land situated in Lane County, Oregon, and described as follows:
The N.E.¼ of the S.W.¼; the S.½ of the N.E.¼ and the N.W.¼ of the S.E.¼, Section 13, Twp. 17 S., R. 3 E., 160 acres. About two miles south of Al Cook's place on McKenzie highway.
This quarter section was cruised in 1916 by C. V. Oglesby (now of the Ogles by-Muir Timber Co. of Eugene) and at that time showed 2,300,000 feet of merchantable timber according to his estimate, and to my knowledge and belief, there has been no damage by fire or other causes since then.
Mr. H. F. Keeney, County Assessor, places a valuation of $4000 on this tract, and I have his signed statement that he assesses it at not more than 50% of the estimate made by his timber cruising deputy, so that according to his judgment, the tract must be worth at least $8000.
The above property is clear of all incumbrances and a warranty deed, abstract and copy of the cruise will be furnished the purchaser.
Terms—(Amounts under $600) cash, balance land sale contract, two years at 6%.
The sale will be without reserve and bona fide in every way, and will be conducted by J. K. Greer.
5% commission on amount received (in cash) will be paid to any real estate dealer in Lane County who furnishes me with the name of a prospective purchaser not later than one week preceding date of sale, if his client is the successful bidder.

BRADLEY THE LOAN MAN
DAILY CHAT WITH CLIENTS
Feller came in yesterday and wanted to list his house, and Louie Borde, thats our real estate manager, said "Lets go look at it." Feller says, "You got to see it before you list it?" Louie says "Yes." When we list a house we agree to turn the whole force of our organization on the sale of it, and we want to see where and what it is and how it is priced before we make any promises to work on it. Feller said that sounded pretty good to him. That's what he wanted was some body to sit out and sell it. Here's the kind of deals Louie lists.
