UPTON GIVES ADDRESS

EFFICIENT ADMINISTRATION PLEDGE OF CANDIDATE

Jack Magladry and John Bell Also Active at Meeting Held in Springfield

(Register Lane County Special)

SPRINGFIELD, Ore., March 19.—Ex-Senator Jay H. Upton, Republican candidate for nomination as governor, in an address before a large body of Springfield citizens, tonight pledged himself to an efficient business-like administration of the office, if he were elected, and the appointment to offices under his supervision of men qualified to fill them capably—preferably men with previous experience in work of the same type.

Jack Magladry of Eugene, candidate for the Republican nomination as state senator from Lane county, also gave a short address. The candidacy of John Bell, of Eugene, for a senate position, was announced at the meeting.

Bell, who attended the meeting Eugenians, did not make an ad- Eugeneans, did not make an address.

The meeting, with Herbert J. Cox presiding, was held in the chamber of commerce rooms, following a dinner at the Drop Inn. The regular meeting of the chamber was postponed that the rooms might be used for Mr. Upton's address.

A number of prominent Springfield citizens, including Ex-mayor Charles F. Eggiman, G. G. Bushman, and B. F. Hamlin, predict that Upton will easily carry Springfield in his race for the nomination, and probably in the final election.

LIONS MEMBER HONORED

"BABY" SHOWER GIVEN FOR JOHN KETELS

Report of Committee On Clean Up of Park Site Given at Meeting of Club

(Register Lane County Special)

SPRINGFIELD, Ore., Mar. 19.—John Ketels was the center of much attention at the luncheon of the Springfield Lions' club today noon, when members present held a "baby" shower for him, in celebration of the birth of his daughter yesterday.

Among other business to come before the meeting was the report of a committee on the beautification of the Springfield city parksite, located on the ground formerly selected by the Southern Pacific company as a location for its shops. The property, which was exchanged by the railroad company for property held by the city of Eugene, was leased to the city of Springfield for 49 years, to be used jointly as a park and for industrial cites. Several hundred acres are in the tract. The parksite is located about one mile east of the city, and when cleared of underbrush, will make a very attractive natural park for picnic parties and like occasions, it is believed.

The clearing of the land will occur at a later date, with the Lions club, the chamber of commerce, and the Ladies' Civic club combined on the project. The women will probably serve a picnic supper on the day which will be selected to clear the site.

About 12 automobiles containing some 50 persons are expected to be in the caravan. The group is expected to gather at the corner of Third and Main streets, Mrs. Eggiman said. Each person is expected to bring a covered dish of some sort, and the party will stop on the way to Drain for a picnic lunch.

After the lodge meeting is over, the Drain circle will serve a chicken supper, Mrs. Eggiman announced.

COUNCIL MEETS MONDAY

SPRINGFIELD MAY APPOINT CITY ATTORNEY

(Register Lane County Special)

SPRINGFIELD, Ore., March 19.—Mayor G. G. Bushman has called a special meeting of the city council for Monday evening to consider the appointment of Ira M. Peterson, recently arrived from Moro, Ore., as city attorney.

The proposed substitution of busses for the present street car service between Springfield and Glenwood station while the Southern Pacific railroad bridge is under repair, will be considered at this time, Mr. Bushman indicated. So far the railroad company has not submitted a petition to the council for a franchise, although under an ordinance passed some 20 years ago, an ordinance was passed requiring any and all busses to pay a tax of five cents for each trip into the city limits.

The ordinance still stands, and the Southern Pacific company will have to pay the tax, it was indicated, unless other arrangements can be made. The ordinance was passed in the interests of the railroad company, when rival bus interests threatened alleged unfair competition to the railroad company's street car service.

OAKRIDGE AID SOCIETY GIVES ENTERTAINMENT

Large Crowd Attends Event At Ridge Theatre

GARDEN SCENE PLEASES

"The Struggles of Ruggles" Is Well Received and Proves Clever Comedy

(Register Lane County Special)

OAKRIDGE, Ore., March 19.—The Ridge theatre was filled Thursday night when the women of the aid society gave their program.

The vocal selection by Jack Phelps was well received as well as the readings by Mrs. Arthur Paddock, Mrs. Roland Dimick and Ross Mathers.

The garden scene with its stage settings of roses and six girls representing various flowers formed a picturesque background for the dance given by two little girls, Evegene Haynie and Pearl Marie Phelps.

Solo Is Given

At the opening of this number, Mildred Flock and Mrs. Ray Temple sang a southern garden song, with Clara Bunn on the piano and Charles H. Croner on the violin.

Dorothy Brodie appeared on the program with a violin solo accompanied on the piano by Mrs. W. H. Thompson.

Those taking part in the two-act comedy "The Struggles of the Ruggles" did good acting and Mrs. Ruggles in the person of Mrs. Claude Jones was unusually well received.

Act Proves Surprise

"The Crazy ola Victrola" was somewhat of a surprise to the audience, but nevertheless was well named. A large box with a horn and a washing wringer on top produced the music as Professor Hayden, a phonograph salesman, turned the machine. His tools for working in case of trouble were a hammer and screw driver.

The refreshments were practically all sold and approximately $65 was cleared. This will go into a fund for purchasing a piano for the church.

DAILY MARKET REPORT

Oregon Journal Market Review

PORTLAND, Ore., March 19.—Advance of 1c dozen in extras on the exchange placed that price again at 25c, with other sizes unchanged. Owing to the extreme demand for eggs to go into coolers, even the increased supply of eggs now being offered is moving rapidly.

Undertone of the trade is favorable. While the local market is somewhat mixed as a result of the sale of weak stock as extras, still, considering the quality of such supplies, prices are being well maintained.

Conditions are being manipulated somewhat at some of the leading marketing points. Due to the anxiety of buyers to secure their storage needs for as little as possible, the prices on some of the exchanges are being held down, although higher values are being offered at other points to secure supplies. This is especially noticeable in the California trade, where values are held down, but the same interests are paying more money in the northern territory.

Butter Trading Basis Held

No change is shown in the general trading basis for butter during the day. On the dairy exchange the only change was a loss of ½c pound for firsts, but the open market was stationary for both cubes and prints.

Chicken Prices Are Higher

Scarcity has forced still another rise of 1c pound generally in the live chicken trade. Heavy hens are selling around 28c pound with some taking a fraction more while light weights are around 24@25c pound. Turkeys are in good call for dressed birds. Wholesalers say that shippers should get their capons in before April 1 when broilers are due.

Meat Prices Are Firmly Held

All country meat prices are being firmly held along the wholesale way with practically no change for the day. General trading in top calves remains around 18c pound with best hogs at 19c.

Seed Potatoes Quoted High

Advances of ½c to 1c pound are being asked for seed potatoes by some of the wholesalers with a scarcity of such varieties as Early Rose and American wonders. Table stock is firmer with country business passing in carloads at $3.00@$3.10 cental.

Onion Market Is Advancing

Advancing prices are noted for onions both here and at primary points. Local stocks of quality are extremely limited with wholesales asking $2.00@$2.25 cental. At country points the bulk of the carload business is at $1.50, although $1.60 has been reported.

Brief Notes Wholesale Trade

Broccoli market unchanged; most sales, 75c@$1.25 crate.

Spinach offerings increasing. Sales $1.00@$1.25 orange box, the former being the extreme top on the Farmers' market.

Rhubarb prices are being held steady.

Asparagus market is steadier with advances of 5c at 16@20c pound.

Bell peppers are very scarce and firmly held at 20@35c pound.

Comb honey market fairly active, but at recent low prices.

Apple trade still active, but sales confined to $1.00@ $1.25 sales generally.

Imperial valley strawberries are down to $4.00 crate for 12s.
