KELLY AND SULLIVAN START WILLAMETTE WORK

(Register Lane County Special)
EULA, Ore., Aug. 10.—Kelly and Sullivan contractors, who have the contract of constructing the last five mile unit east for which there is an appropriation on the new south side Willamette highway, have two camps established and the work of clearing the right of way is going on rapidly.

It is understood there is to be a bridge about one and one half miles east of Eula. This will give those living on the north side an outlet to the new highway which no doubt would be much preferred to the narrow rocky trail that serves for a highway at present on the north side.

Large Cougar Seen

(Register Lane County Special)
EULA, Ore., Aug. 10.—A large cougar was seen in the roadway here a few days ago at two different times during the day. This is the first one seen in this vicinity for some time. As yet no sheep or calves have been missed but a roving cougar is usually in quest of a meal and owners of stock may feel lucky that this one did not kill some of their animals.
