Canneries To Be Built

White Salmon, Wash: Subscriptions are being solicited for stock in the Columbia River Co-operative Association to be built here in the near future to care for the by-products of the growers in the White Salmon-Underwood districts. **Shares of $25 each are being liberally subscribed for.**

Junction City, Oregon: The farmers of this place have realized 35 cents a pound for their butter fat during the past year due to cooperation and this has inspired them to further extend their co-operative work in the organization of a cannery. Saturday a mass meeting was held which was attended by 250 farmers and their wives. Subscription papers were circulated in the assembly and $7000 was taken but enough the money.

The price of the daily Portland Journal, Sunday included, is $7 50; without Sunday $5 00. To all those subscribing at the Progress office at the prices named above, we will give one and a half year's subscription to the Progress free. This offer will expire very soon.

SO THE PEOPLE MAY KNOW

The editor of the Progress does not write these lines, conceived after deep thought and scientific research. If she did—but she don't.

We believe we know why so many woman are so tardy in registering. Bless them, they are waiting until they get their new spring hats.

While in the reform business why not tackle the courts. The lawyers wont so the laymen must. First, save the contents of the poor man's pocketbook by giving the circuit court the last guess in all civil cases where not over one thousand dollars is involved.

Not content with milking the Clackamas cow at regular milking time, Oregon City milkers are preparing to feed the animal on guff and taffy and pull her teats for $600,000 more for the purpose of building an automobile highway. It is superfluous to say where this highway will be built providing the cow doesn't rear up on her hind legs and refuse to stand for an extra milking.

The interests of town and community are the same. What is good for one is well for the other. So if at the big meeting Saturday, ways and means can be found to bring about a betterment of conditions for either or both, new industries be developed, and a never-say-whoa spirit be inoculated into all, the results will be amazing. The little world in which we live will be happier, more contented, and the prosperity, created by our own efforts, we can pass around among ourselves and enjoy it, and when the stranger looks in upon us, we can truthfully greet him with the old familiar salutation: "Come on in, the water's fine."

School Fair

The Estacada Second Annual School Fair held last Thursday at the school house, was considered even better than the one of last year. Pupils and parents as well as all people living here, seemed to take a great interest in the affair and there were over two hundred visitors besides the school children. The total number of exhibits was 267. Following is a partial list of the prize winners; the remainder will be published next week:

GIVE THAT PUNY CHILD THIS GUARANTEED REMEDY

If your child is under-weight, listless, ailing, liable to get sick easily, it needs a medicine to build its weight and strength. For this purpose there is nothing else we know of that we can so strongly endorse as Rexall Olive Oil Emulsion. The remarkable success of this splendid medicine is due to the fact that it contains ingredients that tone the nerves, enrich the blood and furnish to the entire system the strength, weight and health-building substances it needs. And, it does all this without injuring the stomach. In fact, Rexall Olive Oil Emulsion is not only pleasant to take, but even the most sensitive stomach is benefited by it, and the digestion improved. On the other hand, it contains no alcohol or habit-forming drugs, which most parents object to giving their children. It does its good work by taking hold of the weakness and builds the body up to its natural strength, at the same time making it strong to resist disease.

If Rexall Olive Oil Emulsion doesn't build your child up, feed the stunted, puny muscles, and make the little one lively, strong, well, and full of the animal spirits children are meant by nature to have, come back and tell us and get your money back. We don't want you to lose a cent. We think this is no more than fair, and it leaves you no cause to hesitate. For old people also—for convalescents—for all who are nervous, tired-out, run-down, no matter what the cause—we offer Rexall Olive Oil Emulsion with the same guarantee of entire satisfaction or money back. Sold only at the 7,000 Rexall Stores, and in this town only by us $100—Estacada Pharmacy, Estacada, Oregon.

Gresham Outlook: With a capital stock of $641, the Corvallis cannery, operated by the Benton County Fruit Growers' Association, did a business of $55,000 in 1913. The establishment packed 17,850 cases of fruits and vegetables, making 38 carloads of 36,000 pounds each. Growers received approximately $12,000 for raw material.

TWO HOME WOMEN TALKED ABOUT HAIR

Two women met in our store the other day, when one of them said:

"My, how pretty your hair looks! What have you been doing to it?"

"Why, I have been using Harmony Hair Beautifier for the past two weeks," was the reply.

"Why, indeed!" replied the first woman, "that is just what I am using. Isn't it great, and don't you think my hair shows a lot of improvement?"

Harmony Hair Beautifier is becoming all the rage among both men and women who are particular in the care of their hair. It is just what it is named—a hair beautifier. It seem to polish and burnish the hair, making it glossy, silky-soft, and more easy to put up in graceful, wavy folds that "stay put." Contains no oil, and will not change color of hair nor darken it. Simply sprinkle a little on your hair each time before brushing it.

To keep your hair and scalp dandruff-free and clean, use Harmony Shampoo. This liquid shampoo gives an instantaneous rich, foaming lather that immediately penetrates to every part of the hair and scalp, insuring a quick and thorough cleansing. It is washed off just as quickly, the entire operation taking only a few moments. Harmony Hair Beautifier, $1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold only at the more than 7,000 Rexall Stores, and in this town only by us.—Estacada Pharmacy, Estacada, Oregon.

School Items

By Our High School Reporter

Websterian program tomorrow at 2:05. Everybody welcome.

The E. H. S. plays the Parkplace High School at the latter place on Feb. 28. The season will probably close the week after that.

Watch the Junior class. They are going to start something pretty soon, and they are not going to start something they cannot finish either. Hurrah for the class of 1915.

The greatest game of the season will be played next Friday (tomorrow) night. The Estacada commercial club and E. H. S. will clash on the floor of the Estacada Pavilion. This is the game that everybody has been asking for and there ought to be a record breaking crowd. There is going to be a double-header so if you don't get your money's worth it will be because you are not there. The E. H. S. is going to win but it will be a close and fast game just the same. The following are the players for the High School: Graham, capt., Morton, Bartlett, Dale and Denny. This game is for the championship of the city and vicinity and those 'champs' are going to be the E. H. S. team.

Anybody wishing a definition of "sportsmanship" might write to the Gresham High School. They thought they got the worst of the refereeing and called off the return game at Estacada which was to have been played on March 6 altho they had a contract signed calling for the game. When we arrived there we found no one to meet us and we had to hunt around till we found the manager. Then the contract called for expenses, for eight men and this would naturally mean car fare and one meal, because had we not taken a special car we would have had to leave here at 5 o'clock which would have been too early to get supper, but the G. H. S. did not think the expenses included a meal and so we lost two dollars there that rightfully belonged to us. Don't you think our neighboring school is some sport when it backed out of a friendly game of basket ball.

Keep in mind the Cannery and Good Roads meeting which will be held in Estacada, Saturday, Feb. 21.
