Mr. and Mrs. R. H. Currin entertained about 30 friends at a "cherry eating." Inasmuch as the cherries were already picked and ready for assimilation, the guests made an unusually good showing. Cards, games and dancing settled the cherries. Black Republican and Lambert cherries such as the Currins grow would bring fancy prices on the eastern market.

June 21st, a nine pound daughter was born at the home of Mr. and Mrs. W. Gribbens on the Heights.

An eight pound son arrived at the home of Mr. and Mrs. Ward Douglass of Eagle Creek, June 27th.

Rees, Caroline Mattoon, Miss M. Sturgeon, and the Progress.

Preaching service was held last Sunday at the Nora Hale Looney Memorial church in Garfield. The pastor gave an outline of the work of the various benevolent societies of the M. E. church and suggested the amount the Estacada charge is privileged to give for the world-wide extension of the work. A preaching service will be held July 5th at 3 P. M. at the Zion church.

Electric Parade

The famous Electric Parade of the Rose Festival of Portland is to be reproduced under the auspices of the Portland Ad Club on the night of July 4th, in the City of Portland. So many people did not see the parade during the Rose Festival that this led to a general expression to have it reproduced. The Portland Ad Club took the matter up and has succeeded in making the arrangements for staging this wonderful and marvelous exhibition. The entire twenty-one floats will be reproduced. Queen Thelma and her maids, the thousand red men and bands galore will all be part and parcel of the affair. A general invitation has been extended to everyone not only in Portland but in outlying districts to come to Portland and witness this thrilling affair.

Base Ball

Manager Byers received a phone call from the manager of the Powers Team of Portland, which team was expected to play the double header here July 4th, saying that they could not keep the engagement. Mgr. Byers immediately got the phone busy and tied up with the Fulton Club, which is considered a much stronger aggregation.

It was a keen disappointment to the fans to have no game here last Sunday and the week before. Do not blame Mgr. Byers. The editor was manager of the local team once and he knows what irresponsible managers some of the Portland teams have.

B. O. Boswell this week received a letter from Jack Cassidy, who is now residing at East End, Alberta, Can. Jack wished to be remembered to his friends in Estacada. The letter sounded as though he was doing well in business and his present location bids fair to be a prosperous town if expected oil wells produce.

On account of lack of space this week, much of the late correspondence had to be ommitted.
