HOROSCOPES *by Stella Wilder*

MONDAY, APRIL 1, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you are bright, positive, optimistic, forward-thinking, and always eager to do what is right -- especially in situations where "right" and "wrong" are not always easy to determine. You lend a helping hand to others, and you will even go so far as to sacrifice something that is dear to you if it means you will be doing something to assist someone in need. You believe in the power of intellect, and that applying brainpower to a problem is better than trying to force a solution into place. You would rather negotiate than dictate terms to another, and open discussion is, as far as you are concerned, a great way to learn.

TUESDAY, APRIL 2
ARIES (March 21-April 19) -- Someone you love brings something quite surprising out in you today. He or she may have more than either of you bargained for right now.
TAURUS (April 20-May 20) -- An unexpected turn of events can be seen as either positive or negative, depending on which way you want to go as a result.
GEMINI (May 21-June 20) -- You can do something through official channels, or do it your own way by taking a certain shortcut. Where do fewer dangers lie?
CANCER (June 21-July 22) -- You may do something that results in a setback of sorts, but that is likely to buy you time that you will find very useful right now.
LEO (July 23-Aug. 22) -- You must allow those who can to help you today. You may be feeling quite overwhelmed, but even a little moral support can work wonders.
VIRGO (Aug. 23-Sept. 22) -- Why are you waiting to do something you know how to do and that you can get done in no time at all? There's no time like the present.
LIBRA (Sept. 23-Oct. 22) -- You may be wondering why someone keeps proposing the same idea over and over. Perhaps you should consider it before you say no again.
SCORPIO (Oct. 23-Nov. 21) -- You can enjoy something that is a favorite of yours today. Let someone else share it with you, and you'll increase your pleasure.
SAGITTARIUS (Nov. 22-Dec. 21) -- You are trying to wrap your head around a very difficult concept. Perhaps a friend holds the key; don't be afraid to ask for help.
CAPRICORN (Dec. 22-Jan. 19) -- A shock to the system needn't have any lasting effects. When all is said and done, take time to relax and reflect on what happened.
AQUARIUS (Jan. 20-Feb. 18) -- You may find it difficult to do as you are told today -- but if you don't, you'll find it even more difficult to deal with the repercussions.
PISCES (Feb. 19-March 20) -- You are far more able to get things done today than a certain someone who likes to think of himself or herself as a rival. Show them how it's done.
