YOUR BIRTHDAY by Stella Wilder

Born today, you are a highly creative individual, but that is meant in no way to suggest that you are unfocused, unmotivated or incapable of going about your business in an organized, thoughtful, efficient and effective way. You are likely to be motivated by issues that are grand and universal; the more people who are affected by the things you embrace, the better -- and the more likely you will embrace them in the first place.

SUNDAY, JULY 11

CANCER (June 21-July 22) -- Braggadocio will get you only so far today; you're going to have to put your money where your mouth is in order to impress the masses.

LEO (July 23-Aug. 22) -- It'll be important to someone that you keep up with them throughout the day; you're going through something similar, so you surely understand.

VIRGO (Aug. 23-Sept. 22) -- You know who is likely to give you the biggest challenge today, so you must prepare accordingly. Surprises are likely, but you can handle them.

LIBRA (Sept. 23-Oct. 22) -- Whatever the hot topic is among the group today, you're going to want to steer clear. What you talk about today is likely to haunt you tomorrow.

SCORPIO (Oct. 23-Nov. 21) -- You can shine today, no matter what you are doing, because you understand the importance of enjoying what you do. Give it your all!

SAGITTARIUS (Nov. 22-Dec. 21) -- You can give plenty of what you've recently received, and others will surely be appreciative. A special friend sends a special message.

CAPRICORN (Dec. 22-Jan. 19) -- You are eager to have things return to "normal" as quickly as possible, and this depends on your willingness to lead the way today. Do so!

AQUARIUS (Jan. 20-Feb. 18) -- You want to learn something new today, and you can surely do so -- but take care that you get your information from a reliable source.

PISCES (Feb. 19-March 20) -- The difference between what is real and what is not, what is legitimate and what is not, will be especially clear to you all day long.

ARIES (March 21-April 19) -- You may be waiting for a loved one to get with the program today. In the meantime, you can make a plan that attracts a lot of support.

TAURUS (April 20-May 20) -- You know where you're going, and you know how long it will take to get there -- but someone may be trying to sabotage you. Use caution!

GEMINI (May 21-June 20) -- Keep your wits about you today as you navigate a tricky path. Fortunately, you've been this way before and you know almost all the risks.
