YOUR BIRTHDAY by Stella Wilder

Born today, you always seem to have some scheme or another at a rolling boil on a front burner, while another two or three rest simmering in the back -- for you are never one to leave the future to chance. You want to have a controlling interest in what you do today, tomorrow and in the days to come, and you never allow yourself simply to be at the beck and call of someone you would call a "boss."

SATURDAY, NOVEMBER 26

SAGITTARIUS (Nov. 22-Dec. 21) -- Whether dealing with many or few, you'll have to maintain a high level of diligence today. Pay keen attention to those around you.

CAPRICORN (Dec. 22-Jan. 19) -- You may not be as far ahead as you thought you were. This fact highlights the difference between your perception and reality right now.

AQUARIUS (Jan. 20-Feb. 18) -- A friendly game of chicken shows off just how ready you are to face a real challenge when it comes. Don't take this too seriously.

PISCES (Feb. 19-March 20) -- What you share with others today will take on greater meaning because it will become a rallying cry for all those on your side of things.

ARIES (March 21-April 19) -- At what point must you say "no" to those who are threatening to take too much from you? Today is a good day to make your boundaries clear.

TAURUS (April 20-May 20) -- What was said clearly and effectively before may have to be restated today -- again, in no uncertain terms. Those who hear you will get it.

GEMINI (May 21-June 20) -- Profit and pleasure are not the same thing, and today you'll be more interested in one than the other -- but which? Someone else spells it out.

CANCER (June 21-July 22) -- You can economize quite effectively and maintain a high level of productivity at the same time. It seems you're nearing a turning point.

LEO (July 23-Aug. 22) -- Take a look at what is going on all around you today and you'll understand why someone close to you suggests you've not been keeping up.

VIRGO (Aug. 23-Sept. 22) -- This is a good day to assume a greater role in the drama of your own life. Too many others have been manipulating the story lately.

LIBRA (Sept. 23-Oct. 22) -- Someone close to you knows what you're going through, but you can work together to face down a challenge. You'll be playing a numbers game.

SCORPIO (Oct. 23-Nov. 21) -- You may find yourself confused by notions of "before" and "after" -- but today "during" is really the most important thing to embrace.
