EDITOR HERALD.—At a road meeting held in the school house of school district No. 32, to consider the improving a part of the road in in road district No. 12, on December 18, 1905. A statement was made by a person who was advocating plank roads, that there is a rock road in the vicinity of Portland which the wagons cut through when heavy loads of ties were hauled over it and that the sawmills gave lumber to plank the rock road so the ties could be hauled.

As it would be well for the people to know more about that "rock" road, I wrote to Judge Webster, of Multnomah county, asking for the facts in the case, also for information as concerning the experience of Multnomah county with plank and rocks roads. Judge Webster handed my letter to Road Supervisor H. B. Chapman for detailed reply. As it is interesting and instructive reading for those interested in permanent road building, will you please publish it in the HERALD that the entire county may have the benefit of the information contained therein. R. A. EASTON.

Troutdale, Oregon, Jan. 1, 1906.
Mr. R. A. Easton,
Sitkum, Oregon.

Dear Sir:—Your letter of December 18, to County L. R. Webster, was referred to me for reply. We have had no such experience with rock roads as you speak of. Rock roads have given excellent satisfaction in this county. People are getting so particular they want nothing but rock roads. The cost depends on conditions and distance rock has to be hauled. They will cost from $2,000 to $4,000 per mile. We have one mile built this summer that cost $5,000 per mile. This mile was constructed under difficult conditions, hundreds of teams passing over it daily while the work was going on.

As to the cost of plank roads that depends on the cost of plank. We have had to pay from $2 to $6.50 per M. With very heavy hauling they will last two years. If the hauling is light they will last for about ten years. We use 3x8x8 plank laid on 3x12 stringers if travel is heavy, if light, laid on ground without stringers. It costs from $1 to $1.50 to put plank down. It costs us from 50 cents to $1.00 per yard to crush the rock in this county. I will be glad to hear from you at any time and gladly give any information I can. Hoping I have answered all your questions, I remain,

Yours truly,
H. B. Chapman,
Supvsr. Dist. 1, Multnomah county, Oregon.

The new year brought no relief from the steady stream of immigrants which the Old World is dumping on our shores. In a single day last week more than 6000 of the newcomers entered New York and only a small portion of them brought more than the minimum amount of collateral necessary to grant them admission to this country. The steamship lines are reaping a harvest. Of the crowd that swarmed in the last week more than 1600 came on the steamship Slavonia and more than 1400 on the Princess Irene, both of the vessels coming from Italian ports. The new year has also brought an increase in the number of English immigrants, the difficulty in securing employment in the United Kingdom having become a very serious matter. So long as the present wave of prosperity continues to roll over the land there will not be much difficulty in assimilating most of this labor from Europe, but with the first breath of hard times there will be an army of unemployed in other cities than London.—Oregonian.

The Best Physic.

When you want a physic that is mild and gentle, easy to take and certain to act, always use Chamberlain's Stomach and Liver Tablets. For sale by R S Knowlton.

Kansas farmers are making whiskey of their surplus corn. This is quite unnecessary as long as they have Peruna sold in all their drug stores.

Knowlton's drug store has on display a large stock of Books, embracing almost everything from 5c toy books to the latest and most popular fiction.

Mr. Frank Rockefeller says he does not object to going to jail. Jails now are not what they once were. One meets some of the most prominent people there now-a-days.

Sick Headache.

This distressing ailment results from a disordered condition of the stomach. All that is needed to effect a cure is a dose or two of Chamberlain's Stomach and Liver Tablets. In fact, the attack may be warded off, or greatly lessened in severity, by taking a dose of these Tablets as soon as the first symptom af an attack appears. Sold by R S Knowlton.

Lessons.

Mrs. Lillian M. Candlin wishes to announce that she is now ready for pupils. Classes will be formed for Wednesdays and Saturday mornings. Instruction will be given in Pastel painting, Drawing, Pyrography and Wood Carving.

CROUP

Begins with the symptoms of a common cold; there is chilliness, sneezing, sore throat, hot skin, quick pulse, hoarseness and impeded respiration. Give frequent small doses of Ballard's Horehound Syrup, (the child will cry for it) and at the first sign of a croupy cough apply frequently Ballard's Snow Liniment to the throat.

Mrs. A. Vliet New Castle, Colo., writes, March 19, 1902: I think Ballard's Horehound Syrup a wonderful remedy, and so pleasant to take. Sold by R. S. Knowlton.

Beginning with the February, 1906, number, our magazine will be called Watson's Magazine. It will have a handsome cover. Several new features will be added. The price at bookstores and news-stands will be 15 cents. To be just to our present subscribers, we have decided to receive renewals and new subscriptions at $1 a year, up to March 31, 1906. After that the subscription price will be $1.50 per year. This is a golden opportunity for those who are not within reach of news-stands. If you have never seen the magazine, ask for sample copy, mentioning this paper and address, Tom Waton's Magazine 121 West 42d St., New York City.

HEALTH

Means the ability to do a good day's work, without undue fatigue and to find life worth living. You cannot have indigestion or constipation without its upsetting the liver and polluting the blood. Such a condition may be best and quickest relieved by Herbine, the best liver regulator that the world has ever known. Mrs. D. W. Smith, writes, April 3, '02: "I used Herbine, and find it the best medicine for constipation and regulating the liver I ever used." 50c. Sold by R. S. Knowlton.

Itch—Ringworm.

E. T. Lucas, Wingo, Ky., writes, April 25, 1902: "For 10 to 12 years I had been afflicted with a malady known as the 'itch.' The itching was most unbearable; I had tried for years to find relief, having tried all remedies I could hear of, besides a number of doctors. I wish to state that one single application of Ballard's Snow Liniment cured me completely and permanently. Since then I have used the liniment on two separate occasions for ringworm and it cured completely. 25c, 50, and $1.00. Sold by R. S. Knowlton.

Fraud Exposed.

A few counterfeiters have lately been making and trying to sell imitations of Dr, King's New Discovery for Consumption, Coughs and Colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit, through stealing the reputation of remedies which have been successfully curing disease, for over 35 years. A sure protection, to you, is our name on the wrapper. Look for it, on all Dr. King's, or Bucklen's remedies, as all others are mere imitations. H. E. BUCKLIN & CO., Chicago, Ill., and Windsor, Canada. R. S. Knowlton.

Startling But True.

People the world over were horrified on learning of the burning of a Chicago theater in which nearly six hundred people lost their lives, yet more than five times this number or over 3,000 people died from pneumonia in Chicago during the same year, with scarcely a passing notice. Every one of these cases cases of pneumonia resulted from a cold and could have been prevented by the timely use of Chamberlain's Congh Remedy. A great many who had every reason to fear pneumonia have warded it off by the prompt use of this remedy. The following is an instance of this sort: "Too much cannot be said in favor of Chamberlain's Cough Remedy, and especially for colds and influenza. I know that it cured my daughter, Laura, of a severe cold, and I believe it saved her life when she was threatened with pneumonia." W. D. Wilcox, Logan, New York, Sold by R. S. Knowlton.
