We have installed a system of accounts whereby we think that a some better method will be used to record the accounts of your city.

As the indications are that your city affairs are likely to assume a much larger volume in the future than the past, it will be necessary to enlarge upon this method as the occasion demands.

In reference to this system, it will be necessary for the City Treasurer to give a receipt for all amounts received by them, filing a duplicate with the City Recorder.

All collection agency should also give receipts, filing duplicates with the City Recorder who will issue to them all blank receipts and should keep a record of such. Then when settlement is made with Treasurer, the Recorder will be in position to detect any mistakes or amounts overlooked and can have same adjusted at the time.

The Treasurer will report to the Council each month, giving amongst other matters, the balance in the General and Sewer funds which no doubt will be of great assistance to your deliberations.

As a result of our audit we would make the following suggestions:

That $13.62 be transferred from General Fund to the Cemetery Fund, being the balance due on July 1, 1914 as we find it, taking the amount of the report of Mr. Niswonger of April 7, 1914, as a basis.

That some action be taken, as peaceable as possible, to collect the amounts of the Sewer Assessment No. 1 as shown to be all delinquent; this not only in fairness to those that have paid, but the City will soon be in need of these amounts to meet interest and other obligations.

That the same action be taken in regards to the delinquents on Street Assessment No. 1.

That, if, as appears, the entry on the Lien Docket against Lot 1, Block 12, D. E. Hunter, Street Assessment No. 1, is an error that an order be made to have the same erased from same, thereby relieving Mr. Overturf's account with $172.90.

There is also a few accounts due as noted on Exhibit "H" which should be collected or put in shape to make settlement.

Respectfully submitted,
CRANDALL & ROBERTS,
Certified Public Accountants,
By MAX CRANDALL.
