Oregon Notes.

Ex-Governor Z. F. Moody, of Salem received a telegram this week informing him of the death of his brother, William F. Moody at Philadelphia.

Gov. Geer's first commission was issued on the afternoon of Jan 10 making Miss Lyttle Watson notary public. The pen with which the document was signed was sent to Miss Watson.

The new court house at Coquille, Coos county has been completed. It is a fine structure of brick with stone trimmings. The county jail is located in the basement. The building including furniture cost $15,000.

Some of the envelopes which contain the transcript of votes for governor were delivered to the speaker of the house of representatives were opened. The reason for this was that many were merely addressed to the secretary of state without any memorandum as to the contents.

Why

Do people buy Hood's Sarsaparilla in preference to any other,—in fact almost to the exclusion of all others?

Because

They know from actual use that Hood's is the best, i. e., it cures when others fail. Hood's Sarsaparilla is still made under the personal supervision of the educated pharmacists who originated it.

The question of best is just as positively decided in favor of Hood's as the question of comparative sales.

Another things: Every advertisement of Hood's Sarsaparilla is true, is honest.
