Senic Resort Burns

Arrah Wanna hotel, located in a beautiful spot on the Salmon River in the Mt. Hood district burned to the ground last Monday. The building was of frame construction two and a half stories high and was valued at \$30,000. It was covered by \$4,500 insurance. J. L. Bowman, Portland, of the Brownsville Woolen Mills, is the owner. Mr. and Mrs. George Spencer, lessees of the hotel discovered the flames when the second floor was in fire. They telephoned for help to the Sandy Lumber Co., five miles away and to forest rangers. It soon became apparent that the hotel would burn, and the efforts of the fire fighters were turned to saving the twenty cottages and the summer home of Mr. Bowman near by. The water pipes serving the hotel burst during the fire and the workers formed a water line to the Salmon River, a distance of more than one hundred feet. The cottages and the Bowman residence were saved. The mountain resort, which was famed for its rustic setting and natural attractions, was opened Memorial day for the season, and a number of guests were there at the time of the fire.

Sandy Is Defeated

The Sandy nine went down to defeat Sunday when the home team crossed bats with the Boring boys on the Boring diamond. The score stood five to eight.

Bids Soon To Be Called For

Two units of the Mt. Hood Loop in Clackamas County have been ordered advertised for a rock surfacing and bids will be opened at the meeting of the Highway commission, June 28th. The grade has been made on the Loop in Clackamas County and it must be surfaced if it is to be saved. The commission decided to advance the cost of this surfacing and look to

Multnomah county to live up to its agreement to assist in financing the road. These units are from Sandy to the Multnomah county line, and from Cherryville to Brightwood. The contract for rocking the unit from the boundary of the forest to government camp was let last week to A. D. Kern. This includes ten and a half miles of rocking.

Last Community Sing

The last community Song Service of the season was held in the M. E. church last Sunday evening. Although the crowd was not large, the numbers were all well given. The audience sang a hymn to open the program, followed by a responsive reading. Then came a mandolin selection, "Old Kentucky Home," by Mr. Milliron, solo Mrs. Edna Esson; solo, Miss Margaret Miller; solo, Dorothy Esson; Saxophone solo, "The Holy City," Mr. Milliron, selection Sandy Quartet; selection, Male Quartet. These community sings will doubtless be taken up again in the fall.

Marmot Boy Hurt

Edward Sen Eyck, son of R. A. Sen Eyck of Marmot, met with what might have been a serious accident last Wednesday, while falling timber at the Sandy Lumber Company's Mill, a falling limb struck him on the back of the head, cutting a gash several inches long and rendering him unconscious. He was taken to the Good Samaritan Hospital where he is reported as improving rapidly. His friends hope for a speedy recovery.

Death Ends Suffering

Max Winchey, who has been falling in health for about four years, died at

his home on Sandy Ridge last Thursday night about eleven o'clock. He has been confined to his bed for several months and death came as a welcome relief from the most intense suffering. He leaves besides a wife and five little children, one brother, Fred, and a sister. The funeral services were held in the M. E. church in Sandy, Sunday afternoon. Rev. Pitts officiating. Interment was in the Sandy Ridge cemetery.

Work Moving On New School Building

The basement for the new High School building is nearly done. A shed for the cement has been built and much of the material for the building is on the ground. The footings for the foundation will be finished this week. The drillers sunk a hundred and forty four foot well and now have fifty feet of water in it. A pressure pump will be installed and a tank built shortly.

At the recent school election, three new high school districts were added to Sandy-Union High School District No. 2. These were Sandy Ridge, Greenwood and Hillcrest. This makes ten districts that have consolidated, and the last addition increased the districts valuation \$150,000.

Plans For Float

The three young ladies chosen to be the City of Portland's guest that day are Miss Gertrude Meinig, Miss Hazel Beers and Miss Bernice Dixon.

Ford Gets Through

A Ford machine went through to government camp Sunday, this being the first machine through this season. This is the fourth year a Ford-car has held this record. A Hub started through but ran into a snow bank. One of the party went on foot to Government camp after Mr. Pridemore who very kindly returned with him to lend aid and encouragement. The entire party dug and shoveled and got out of the snow bank only to encounter another. This was also overcome, but the next obstacle was a newly fallen tree, seemingly hanging onto the stump by a few silvers. The three

men with rocks and pocket knives finally finished what the wind had begun, rolled the tree out of the road and the way was open. But in the meantime, this Ford car had driven up and the Hub bunch, being good sports, turned to and helped it through, so the Ford could still hold the honor of reaching the camp first. The driver of car is unknown, but the Hub party was Fred Kabel, Mr. and Mrs. W. E. Kumps, Mrs. C. E. Kump and Miss Helen Brunke. Mr. Pridemore came out from the hotel Monday in a Ford, on his way to Portland for a few days.

NEW ZEALAND PIANIST TO PLAY AT CHAUTAUQUA

Guy Marriner Will Be Heard With Noted Artist Trio.

Guy Marriner, pianist with the Steelman-Marriner-Taylor Trio, which is to be one of the musical delights of Chautauqua, is a young New Zealand artist who made his initial bow before the American audiences last year in a series of brilliant concert appearances before western audiences. So great was his success that he has been engaged for a long Chautauqua tour this season, and local people will have an opportunity of enjoying the

rare musical gifts of this young performer. He has already won for himself an enviable reputation as an artist in New Zealand and Australia, where he has appeared in concerts in many of the leading cities. He is an artist of rare musical attainment, whose career will be watched with great interest by musical critics and others who have had an opportunity of hearing him.

FRED STONE'S COUSIN IS ALSO NOTED FUNSTER

Vernon Stone to Delight Chautauqua Folks With Merry Antics.

Vernon Stone, who is to appear with Electra Platt at Chautauqua, on the sixth day, is a "companion piece" to his first cousin, Fred Stone, of Montgomery and Stone fame. It is said

he can get more real wholesome volume, harmony and syncopation out of the banjo than any six ordinary banjo artists. In a moment of side-splitting fun he hauls forth his one-string fiddle, made from an old cigar box, and produces some amazing tones with a show of technique that is surprising.

TIME IS EXTENDED FOR APPLICATIONS FOR BONUS

June Twentieth Is Final Date For Acceptance By The Commission

STATE GIVES OPINION

Rights Of Bonus Pass To Next Of Kin Upon Veteran's Decease Is Not An Estate

A recent ruling of the state bonus commission, based upon an opinion of the state attorney-general, extends the time limit for filing initial applications for the cash bonus or loan from May 25 to June 20, 1922.

Initial applications must be filed within one year after the bonus law became of force and effect, according to statute and the rulings of the bonus commission. Under this latest opinion of the attorney general the governor's proclamation dated June 21, 1921 putting into effect the Constitutional amendment, also determined the effective date of the legislative amendment. Accordingly, initial applications reaching the commission up to midnight of June 20th will be accepted.

Under another recent opinion of the attorney general, the applicant's right to receive either the cash bonus or loan is established by the filing of his

initial application. Should the applicant in his initial application, express his preference for the loan for some reason be unable to complete the loan transaction, he would be entitled to receive the cash bonus in lieu thereof, although the time limit for making application for the cash bonus has expired.

By filing initial applications before June 21st, eligible veterans or relatives of deceased veterans whose cases are affected by the result of the suits now pending in the courts, shall protect themselves.

This applies more especially to the eligible relatives of veterans who have died since filing their applications and before same were acted upon.

A recent circuit court decision holds that the bonus is not a part of a deceased veteran's estate, but in case of the veterans' decease, after the law became effective, the right to the bonus passes direct to the next of kin as named in the act; the same as though the veteran had died in the service.
