The Herald.

WEDNESDAY OCTOBER 12, 1892

Local News.

—Dr. McPheeters moved into the E. J. McKinnon residence last Monday.

—Mrs. S Haskell left at this office yesterday morning five plums of the average size and fully matured, raised on her ranch one mile east of Burns.

—A. A. Cowing, the democratic state central committee man for Harney county, appointed the following executive committee in Burns: Chairman W. C. Byrd, secretary Wm. Miller, two committeemen M. R. Biggs and G. S. Sizemore. The purpose, of this committee is to work for the success, in the county, of Cleveland and Stevenson and to distribute to the voters of the county such literature as deemed necessary, which will be furnished by the state executive committee, to organize Cleveland clubs when requested to do so etc. This committee will meet in a few days and appoint helpers or committeemen in each precinct in the county, who will be immediately aporised of their appointment. We hope all democrats will push this work and prove their appreciation of the good work accomplished by Grover Cleveland for the poor man, when he was in a position to be of service to him.

Board of Equalization.

The Board reduced the tax on horses 20 per cent. On the fifth day of the present month, Peter French was summoned to appear before the board to show cause why his assessment should not be raised from 6500 to 15000. Peter French not appearing before the adjournment of the board, the matter was refered to the county court.

County Proceedings.

Commissioners court was in session a part of two days the 10th and 11th inst. The contract for building a bridge across the west fork of Silvies river on the Saddle Butte and Narrows road, was awarded J. H. Oard. Price 400.

Taxes to defray county expenses. A levy of 10 mills was made. Poll tax $1. A 5 mill tax for school purposes, one tenth mill military tax. It was ordered that on receipt of the state levy the county clerk extend the same upon the tax roll of this county.

The equalization board having adjourned without coming to a definite understanding in the matter of raising the assessment of Peter French the same was refered to the county court to take such action as the court deemed necessary. The court decided to leave the assessment as it appeared on the assessment list. Judge Miller and commissioner Altnow voting in the affirmative commissioner Sitz dissenting.

From the Telegram of the 7th.

"The democratic street parade which took place on the evening of the 6th in that city: It was a stunner, Cleve and steve, flags and fire works. Over two thousand men in line.

"Have you heard from Georgia? If you want to cause the discomfiture of a republican or a third-party man ask him this simple question. Seventy thousand majority smacks of the good old days, and it did not take fraud and intimidation to accomplish it. It was a square, honest fight of white man against white man, and every negro voted as he wished."

PORTLAND DEMOCRATIC PARADE.

"Republican criticisms were all wails of despair. They were not only surprised at its size and enthusiasm, but absolutely chagrined The g. o. p. effort of Saturday was a toy parade compared to last nights magnificent demonstration. It was a paralyzer. Boss Lotan's heart sank within him as he looked upon the mighty throng of democratic voters and said to himself, "Where am I at?"

GREAT BIBLE COMPETITION.

Thousands of Dollars in Rewards for Bible Readers.

THE LADIES HOME MAGAZINE presents its great Fall Competition to the public of America. Twelve different series of Bible questions appeared at this office [illegible] following the second, [illegible] Fifth, Sixth, Seventh, etc. Ladies Seal Coat; 4th, [illegible] Ladies Gold Watch; 5th, Six Dozen Tea Spoons; 10th, Elegant Silver Teaset; to the next [illegible] following articles of silverware, making the most expensive and elegant collection of prizes ever offered by any publication. WHAT IS IT? WHAT HAS IT DONE? WHAT CAN IT DO?

The original and only Compound Oxygen Treatment, that of Drs. Starkey & Palen, is a scientific adjustment of the elements of Oxygen and Nitrogen magnetized; and the compound is so condensed and made portable that it is sent all over the world.

It has been in use for over twenty years; thousands of patients have been treated, and over one thousand physicians have used it and recommended it—a very significant fact.

"Compound Oxygen—Its Mode of Action and Results," is the title of a book of 200 pages, published by Drs. Starkey & Palen, which gives to all inquirers full information as to this remarkable curative agent and a good record of surprising cures in a wide range of chronic cases—many of them after being abandoned to die by other physicians.

Will be mailed free to any address on application.
