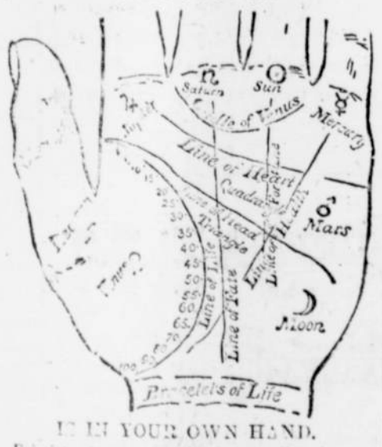
YOUR FUTURE



IN YOUR OWN HAND.

Palmistry pretends to tell what the lines in your hand mean. It will amuse you, it nothing more. The above diagram almost explains itself. The LINE OF LIFE indicates probable length of life. Each BRACELET adds many years. We make LINE OF LIFE denotes strong power; clear LINE OF CONSTANCY, riches. Both combined mean success; but you must begin with modern methods to win. You will find plenty of these in Demorest's Family Magazine so attractively presented every month of the family is entertained by this magazine alone. A CLEAR HEART bespeaks tenderness; a straight LINE OF FATE, peaceful life; the reverse of these. A well defined LINE OF HEALTH makes you doctors' bills; so will the tender hints in Demorest's. No other magazine publishes so many articles to interest the home circle. You will be subject to extremes of high spirits or despondency if you do not GIRDLE OF VENUS well marked. Keep your spirits by having Demorest's Magazine to read. By subscribing to it for 1891 you will receive a library of exquisite works of art of great value, besides the much prized premium picture, 22x28 inches, "I'm a Dude!" which is almost a real baby, and equal to the original oil painting which sold for $300, and you will have a magazine that cannot be equaled by any in the world for its beautiful illustrations and subject matter, that will keep you posted on all the topics of the day, and all the facts and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; and while Demorest's is not a fashion magazine, its fashion pages are perfect, and you get with it, free of cost, all the patterns you will need during the year, and in any size you choose. Send in your subscription at once, only $2.00, and you will realize a great saving. Address the publisher, W. Jennings Demorest, 15 East 14th St., New York. If you are unacquainted with the Magazine, send for a specimen copy. A large OUTLINE means honesty; a large TRIANGLE on the FIRST DIVISION OF THUMB means will; LONG SECOND DIVISION, reason; the MOUNT OF JUPITER betokens pride; that of SATURN, prudence; the SUN, success; MOON, imagination; and MERCURY, love of pleasure; and MERCURY, wisdom. The sum of these as above go to prove the last and most valuable.

Harper's Weekly

ILLUSTRATED.

Harper's Weekly is acknowledged as standing first among illustrated weekly periodicals in America. It occupies a place between that of the hurried daily paper and that of the less frequent monthly magazine. It includes both literature and news, and presents with equal fidelity and vigor the real events of current history, and the imaginative themes of fiction. On account of its very recent series of illustrations of the World's Fair, it will be not only the best guide to the great exposition, but also its souvenir. Every public event of general interest will be fully illustrated in its pages. Its contributors being from the best writers and artists in this country, it will continue to excel in literature, news, and illustrations, all other publications of its class.

Harper's Bazar

ILLUSTRATED.

Harper's Bazar is a journal for the home. It gives the latest information with regard to household fashions, and its numerous illustrations, patterns, designs, and pattern-sheet supplements render it indispensable alike to the home dressmaker and the professional modiste. No expense is spared to make its artistic excellence of the highest order. Its household articles, stories, and short essays, serious and humorous, are of the best character. The illustrations and descriptions of the latest Parisian and American styles, and the practical suggestions for home decoration, furnish a practical source, entitled "At the Fireside," "Dance Music," "Dive Thorne silver, and "Where or will be frequent contributors." The work of women in the Columbian Exposition will be fully represented with many illustrations. T. W. Higginson in "Women and Men" will please a numerous audience.

THE TOLEDO BLADE.

And book containing all the Nasby Letters for One Dollar.

In answer to a general demand from all parts of the United States, the Toledo Blade has published in one volume, cloth bound, all of the "Nasby Letters" ever written by the late D. R. Locke, omitting perhaps a few unimportant letters on local or fogotten topics. Only a few of these letters were ever published in book form. Everybody has read some of them, but who has read all of them? The book contains over 500 large pages, and all the Nasby Letters written during a period of twenty-five years; also a portrait of D. R. Locke from his last photograph. It would sell at one dollar or more, but will never be placed on sale. One hundred thousand copies are now being printed and bound, and one copy will be sent postpaid by mail free to every person who this winter remits one dollar for the Weekly Blade one year. Everybody invited to send for a specimen copy of the Weekly Blade, which will give a full description of the book "The Nasby Letters."

THE TOLEDO WEEKLY BLADE is the best and most popular weekly newspaper published in this country. It has the largest circulation of any weekly newspaper, and goes to every State, Territory and nearly every county of the Union. Only one dollar a year, including the above mentioned book free. Send post-card to THE BLADE, TOLEDO, OHIO, for a free specimen copy of the paper. Send the addresses of your friends also.

IT PAYS

There are single retail shoe stores in our cities which sell 2,000 pairs of shoes a day, making a net profit of $10,000 a year. We do not sell a great many pairs, the clear profit on our ladies', misses' and children's shoes being one cent a pair, and on our men's and boys' shoes 2 cents a pair. We have established shoe stores in each of the fifty largest cities of the U. S., and they sell only 500 pairs of shoes a day, they will earn $25,000 a year. We should be able to pay a dividend of 15% a year, or over 300% profit on the investment. We have stock at our factory. The price of the stock is fixed at $100 a share. Not a share has ever been sold at less than this price, and it is very low. Our shares are non-assessable. Dividends are paid quarterly. We have over 5,000 stockholders, and the number is increasing daily. Among the principal stockholders are: T. S. Van Dyke, Esq., Ex-U. S. Minister to Turkey; Hon. L. J. Fetter, President Lincoln National Bank, Washington, D. C.; Hon. Jas. Phelps, President Hartford National Bank, Hartford, Conn.; Hon. Leslie Booth, President Lincoln National Bank, Washington, D. C.; Hon. B. B. Hall, President Chemical Bank, New York; E. F. Fuller, President Fuller Company, Chicago.

Write for a prospectus containing the names of our stockholders, etc., *or send an order for stock using cashier's check, cash or money order.* Orders taken for one or more shares. Price $100 a share.
