INVESTMENTS

THE BEST AND IS THE SAFEST INVESTMENT EVER MADE.

There are single retail shoe stores in our large cities that sell 20 pairs of shoes a day, making and profit of $6,000 a year. We sell a shoe for, but we do the most manufacturing, the clear profit on our ladies', misses' and children's shoes is 1 to 1 on men's pair, and on our men's and boys' shoes 1 to 1 on a pair. We had established shoe stores at each of the 50 largest cities of the U. S., and if they sell only 50 pairs of shoes a day they will earn $25,000 a year. We should be able to pay yearly dividends of 25% a share, or over 20 per cent a year on the investment. We sell the stock at 6 a share. The profit on the stock is much more than 6 a share. No stock has ever been sold less than at par, which is par value. It is non-assessable. Incorporated. Capital $1,000,000. We have over 1,000 stockholders, and the number increases daily. Some of the principal stockholders are: W. S. Vanderbilt, N. Y.; I. J. Potter, Boston; H. A. Peel, Jackson, Mich.; J. B. Cox, Chicago; W. J. Turner, Chicago; Jas. Lamb, Ann Arbor, Mich.; J. H. YOUR FUTURE

IS IN YOUR OWN HAND.

Palmistry assumes to tell what the lines in your hand indicate. It will amuse you, if nothing more. The above diagram almost explains itself. The beginning of the LINE OF LIFE indicates probable age to which you will live. Each BRACELET gives you thirty years. Well marked LINE OF HEAD denotes brain power; clear LINE OF FORTUNE fame or riches. Both combined mean success in life; but you must keep up with modern ideas to win it. You will find plenty of these in Demorest's Family Magazine so attractively presented that every member of the family is entertained. It is a magazine in one. A CLEAR LINE OF HEART speaks tenderness; a straight LINE OF FATE peaceful life; the reverse if crooked, etc. A well-defined LINE OF HEALTH spares you doctors' bills; so will the health hints in Demorest's. No other magazine publishes so many articles to interest the home circle. You will be subject to extremes of high spirits or despondency if you have the CIRCLE OF VENUS well marked; keep up your spirits by having Demorest's Magazine to read. By subscribing to it for 1894 you will receive a gallery of exquisite works of art of great value, besides the superb premium picture, 17x22 inches, "I'm a Dude!" which is almost a real baby, and equal to the original oil painting which cost $3,000; and you will have a magazine that cannot be equaled by any in the world for its beautiful illustrations and subject matter. That will keep you posted on all the topics of the day, and all the fads, and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; and while Demorest's is not a fashion magazine, its fashion pages are the best, and you get with it, free of cost, all the patterns you wish to use during the year, and in any size you choose. Send in your subscription at once, only $2.00, and you will really get over $25.00 in value. Address the publisher, W. Jennings Demorest, 15 East 14th St., New York. If you are unacquainted with the Magazine, send for a specimen copy. A large QUADRANGLE means honesty; a large TRIANGLE generosity; long FIRST DIVISION OF THUMB strong will; LONG SECOND DIVISION, reasoning faculty. The MOUNT OF JUPITER betokens ambition; that of SATURN, prudence; the SUN, love of splendor; MARS, courage; MOON, imagination; VENUS, love of pleasure; and MERCURY, intelligence. Take our advice as above and you will be sure to possess the last and most valuable quality.

Harper's Magazine.

The Simplon, a new novel by THOMAS HARDY, commenced in the December Number, 1892, and continued to November 1893. Whoever may be one's favorite among English Novelists, it will be conceded by all critics that THOMAS HARDY stands at the head of a master art in fiction, and the Simplon is may be estimated as one of the strongest of his productions, and fully in keeping with the high standard which has marked Trilby—the most successful story of the Year. Another special feature will be the Personal Recollections of Joan of Arc, by the Sieur LOUIS DE CONTE, who is one of her officers, under which guise the popular living American author will present the story of the Maid of Orleans. In the January Number will be the second of this three papers on Charles Dickens, by his eldest son, the first of a series of South Sea papers.

New York City is attracting more attention than any other in the since it was the seat of empire. The next volume of HARPER'S MAGAZINE will contain illustrated articles on this region, and three of them will depict the present life and manners. JULIAN RALPH will prepare for the MAGAZINE a series of eight articles, depicting with a phase of Chinese life and Manners. Serious and long stories, there will begin in the January Number the first Chapter of A Three Part Novelette, by RICHARD HARDING DAVIS—the longest work yet attempted by this writer. Complete short stories by popular writers will continue to be a feature of the MAGAZINE

A high class illustrated magazine in the home is no longer a luxury. It is a necessity, and to meet the demands created by this necessity, THE COSMOPOLITAN MAGAZINE, giving yearly, as it does, 1536 pages of reading by the ablest living authors, with over 1200 illustrations by clever artists, has stepped into the breech, with a reduction in its price that has startled the literary world.

The HERALD, fully alive to the needs of its patrons, has made special arrangements with this superb monthly, whereby it will receive orders for yearly subscriptions to both publications combined for the sum of $3.00.

The price of the great illustrated monthlies in the past has been $3.00 and $4.00 a year, and they were to be found only in the more pretentious homes. Our offer furnishes a help to all families, no matter how modest their means, to keep in touch with the greatest minds of the world, as The Cosmopolitan has today the strongest regular staff of any existing periodical.
