Congratulations

Mr. John H. Collum, editor of the Garland, Texas, News, has written a letter of congratulations to the manufactureres of Chamberlain's Cough Remedy as follows: "Sixteen years ago, when our first child was a baby he was subject to croupy spells and we would be very uneasy about him. We began using Chamberlain's Cough Remedy in 1887, and finding it such a reliable remedy for colds and croup, we have never been without it in the house since that time. We have five children and have given it to all of them with good results. One good feature of this remedy is that it is not disagreeable to take and our babies really like it. Another is that it is not dangerous, and there is no risk from giving an overdose. I congratulate you upon the success of your remedy." For sale by all druggists.

A Grim Tragedy

is daily enacted in thousands of homes as Death claims, in each one, another victim of Consumption or Pneumonia. But when Coughs and Colds are promperly treated, the tragedy is averted. F. G. Huntley, of Oaklandon, Ind., writes: "My wife had the consumption, and three doctors gave her up. Finally she took Dr. King's New Discovery for Consumption, Coughs and Colds, which cured her, and to-day she is well and strong." It kills the germs of all diseases. One dose relieves. Guaranteed at 50c and $1.00 by all druggists. Trial bottle free.

Greatly in Demand

Nothing is more in demand than a medicine which meets modern requirements for a blood and system cleanser such as Dr. King's New Life Pills. They are just what you need to cure stomach and liver troubles. Try them. At all drug stores, 25c, guaranteed.

W. C. T. U. Column

All matter for this column is supplied by the Grants Pass Woman's Christian Temperance Union.

The mothers meeting on Friday, January 13th, was a success. The business of the meeting was dispatched as quickly as possible to have time for the program. The secretary reported letters written by order of the Union to Congressmen Williamson and Hermann, and Senators Mitchell and Fulton, requesting them to use their influence to pass a bill to prohibit liquor selling in soldiers' homes and government buildings and continuing of anti-canteen law with full trial of gymnasium as ordered by congress. Also letters asking that they favor investigation of Utah's alleged violation of contract to suppress polygamy and if proved, rescinding of statehood, also for senate trial of Smoot and anti-polygamy amendment. Secretary also reported petition signed by 14 representative ladies of the Union and sent to the state legislature asking that the age of consent in Oregon be raised to 18 years.

We sincerely regretted that every mother in Grants Pass was not present to listen to Mrs. Findley's address on the best method of securing true and lasting happiness of children, whatever the financial condition of the home. Obedience was the first principle to be enforced, as respect for parental authority made it easy to be law abiding citizens and led to reverence for God and obedience to His commands, resulting in peace and happiness in this world and the world to come. A rising vote of thanks was given Mrs. Findley.

In the after discussion, the absence of children from the preaching service was lamented because under present conditions, children grow to manhood and womanhood, seldom hearing a sermon.

Representatives of the liquor interests and certain others who seem to think that they are moral reformers, and, therefore, are in favor of reforming the saloon, are very much given to saying that "prohibition doesn't prohibit." They are not ready to buttress their boast with reliable statistics, simply because they cannot get the figures to do the work.

For the benefit of these all-good moral reformers, as well as for the instruction and edification of such as may be disturbed by their blatant assertion, we reprint this statement from the Advance: "Kansas has been under constitutional prohibition for 21 years, a period long enough, it would seem, to give the law a fair test. As to what the test shows statistics recently published are illuminating. In five of the ten thickest and five counties of Kansas, the prohibitory law is generally ignored. These five counties have 17 per cent of the population, and furnish over 50 per cent of the crime. The population in these 21 years has increased from 996,096 to 1,470,495, while the number of prisoners has increased from 917 to 989. That prohibition is generally, not enforced, is evident from the fact that the United States still collects a liquor tax from Kansas of only $7,700 for each 100,000 inhabitants, while in Nebraska, not a prohibition state, it collects $252,000. In the last 10 years, Kansas has gained three cities of over 10,000 inhabitants, while Nebraska has lost three."

These few facts should bring any doubter under conviction, and screw up to the sticking point, the courage of any brother who becomes doleful because the battle sometimes goes against the forces of righteousness and temperance.

A Prisoner in Her Own House

Mrs. W. H. Layha, of 1001 Agnes Ave., Kansas City, Mo., has for several years been troubled with severe hoarseness and at times a bad cough, which she says Would keep me indoors for days. I was prescribed for by physicians with no noticeable results. A friend gave me part of a bottle of Chamberlains Cough Remedy with instructions to closely follow the directions and I wish to state that after the first day I could notice a decided change for the better, and at this time after using it for two weeks, have no hesitation in saying I realize that I am entirely cured." This remedy is for sale by all druggists.

Remember in the world life is at stake every minute of the day. Right at your elbow, perhaps, is going on a struggle to grab and force as any hold or fight on record. You hear the feble hearing cough by some one of blood-stained lungs; mark the pale cheek and hectic check. Be on the watch! Perhaps Golden Medical Discovery will carry a life in its cures of obstinate coughs, the lassitude, the loss of flesh, the night sweats, the "Throat, Lung and Chest" troubles which are symptomatic of Consumption. Why not buy and try a bottle today in its behalf? Cures or money back. Only by druggists.

Rev. Carlisle P. B. Martin, L. L. D.

Of Waverly, Texas, writes: "Of a morning, when first arising, I often find a troublesome collection of phlegm, which produces a cough and is very hard to dislodge; but a small quantity of Ballard's Horehound Syrup will at once dislodge it, and I know of no medicine that is equal to it, and it is so pleasant to take. I can most cordially recommend it to all persons needing a medicine for throat or lung troubles." 25c, 50c and $1.00 at Entermond's and Model Drug Store.

Four Hundred Babies

St. Vincent's Infant Asylum, Chicago, shelters homeless waifs awaiting adoption, and there are nearly 400 babies there. Sister Julia writes: "I cannot say too much in praise of Foley's Honey and Tar for coughs, colds, croup and whooping cough." Contains no opiates and is safe and sure. Ask for Foley's Honey and Tar and insist upon having it, as it is a safe remedy and certain in results. Refuse substitutes. For sale by H. A. Entermond.

Spoiled Her Beauty.

Harriett Howard, of 209, W. 34th St., New York, at one time had her beauty soiled with skin trouble. She writes: "I had Salt Rheum or Eczema for years, but nothing would cure it, until I used Bucklen's Arnica Salve." A quick and sure healer for cuts, burns and sores. 25c at all drug stores.

Miss Ida M. Snyder,
Treasurer of the Brooklyn East End Art Club.
"If woman would pay more attention to their health we would have more happy wives, mothers and daughters, and if they would observe results they would find that the doctors' prescriptions do not perform the many cures they are given credit for.
"In consulting with my druggist he advised Mother's Wine of Cardui and Thedford's Black-Draught, and as I took it and have every reason to think him for a new lease upon life in me with restored health, and it only took three months to cure me."
Wine of Cardui, as regulator of the menstrual functions and is a most powerful tonic for women. It cures headache, backache, bad feelings, nervousness, sleeplessness, fainting spells, which are nearly all nervous troubles. It is indicated when any searching weakness, whether from overwork, after childbirth or at the change of life. It does not contain a drop of alcohol or habit forming drug. It has been in use for many years. All druggists have it. 50 Bottles of Wine of Cardui.
