DR. WITHYCOMBE IS STRONG

His Nomination Is Assured and He Will Carry Many of the Counties.

As the campaign advances the fact that some of the candidates for the republican nomination for governor are unable to reach even a good second place is becoming apparent, and as a result many voters who had other favorites, seeing that their first choice is out of the race are coming over bodily to the winning candidate, Dr James Withycombe of Corvallis, whose nomination is now assured and who will receive a far larger vote than will be given any candidate who has opposition. Dr. Withycombe is especially strong with the farmers in all parts of the state, many of whom in every county have a personal acquaintance with and a friendship for him, and this has helped to make his name a household word in all portions of Oregon.

From all parts of the state come assurances of support for Dr. James Withycombe, and the indications are that he will carry a majority of the counties of the state, some of them by clear majorities. A vote for Dr. Withycombe on primary day, April 20 next, will be a vote for the next governor.—Albany Herald.

Take Time To Eat

Hurry at Meals Will Send You to Rotermund for Mi-o-na Stomach Tablets.

"Eat in haste and repent at leisure" is an old saying brought up to date.

Hurry at breakfast means a bad start for the day, and if you hurry also at the other meals, you will soon suffer with loss of appetite, sleeplessness, nervousness, furred tongue, specks before the eyes, headache, backache, weakness and debility, indigestion, or other ills that are caused by an abused stomach.

Here in Grants Pass, as in thousands of other places over the country, hurry at meals increases the druggists' business. Not a day passes that Rotermund does not sell several packages of Mi-o-na stomach tablets to those who have ruined their digestion by not taking time to eat.

Of course indigestion has many other causes, but whatever the cause, the remedy is the same, Mi-o-na. It cures any acidity there may be, increases the flow of the gastric juices, and actually gives strength and tone to the whole digestive system, so that you can soon eat anything at any time without fear of indigestion. Rotermund has seen so many cures made by Mi-o-na that he sells it under an absolute guarantee that it will be successful in every case where it is used in accordance with directions, that is, one tablet before each meal, and will refund the money to anyone whom it does not help. A large box of Mi-o-na tablets costs but 50 cents if it cures; nothing if it fails

Rheumatism Makes Life Miserable.

A happy home is the most valuable possession that is within the reach of mankind, but you cannot enjoy its comforts if you are suffering from rheumatism. You throw aside business cares when you enter your home and you can be relieved from those rheumatic pains also by applying Chamberlain's Pain Balm. One application will give you relief and its continued use for a short time will bring about a permanent cure. For sale by M. Clemens.

SEEKING GOVERNMENT AID FOR IRRIGATION

Grants Pass Citizen Working to Get Water on Big Tract of Land.

Editor Courier: In reply to inquiries concerning my Government irrigating enterprise, I wish to say that I am not yet prepared to give my plan in detail. Dealing with the government is necessarily slow and tedious. I am now in correspondence with the authorities as to ways and means and expect to be able to submit plans in a short time. The plan now in view is to have the government construct a high line ditch that will cover all the country below Gold Hill. This will be about 60,000 acres. It is intended to include all available land between Merlin and Murphy.

I have studied the irrigation problem in all of its phases and have come to the conclusion that the government can do the work more cheaply and give better satisfaction than a corporation. This plan is in keeping with the spirit of the present age. It will head off all possibility of graft or monopoly, leaving the people free.

To my mind, there can be no enterprise that would be of more general benefit to the country. It will be to Southern Oregon what similar enterprises are to Utah, Colorado and New Mexico. It will mean railroads, wagon roads, creameries and all kinds of manufacturing plants. Our alfalfa will be to us what corn has been to the people of Kansas.

It would be hard to conceive of a citizen so lacking in public spirit as to be unwilling to help along so important an undertaking. Of course that class of men who are here to get something by defrauding the people will not give us much encouragement, but the people of Oregon have certainly had enough experience with grafters. The time has come when we should learn to distinguish between prosperity for a favorerd few and prosperity for the entire people. Most of us are willing to sacrifice something for the good of all the people, but few are willing to sacrifice anything for the benefit of a few exploiters. STEPHEN JEWELL.

SPRING CATARRH

Roturmund Sells Hyomei Under Guarantee of Cure.

The changeable weather of Spring is directly responsible for the prevalence of catarrhal troubles in Grants Pass at the present time.

As a result, Rotermund has had a larger sale for Hyomei the past week than ever before in the years that he has handled this reliable treatment for the cure of catarrh.

Unlike the ordinary remedies that have been used in catarrhal troubles, there isno stomach dosing with Hyomei. It is breathed through a neat pocket inhaler that comes with every outfit and its balsamic, antiseptic healing penetrates to the most remote cells of the nose, throat and lungs, killing all catarrhal germs, healing the irritated mucous membrane, and effecting a complete and permanent cure.

If there is a single catarrhal germ in the system, Hyomei will search it out and absolutely destroy it, completely eradicating the trouble. The remedy has made so many cures among Rotermund's customers that he offers to pay for it himself if it does not benefit even the worst case of catarrh.

The complete outfit costs only $1, consisting of an inhaler, medicine dropper and bottle of Hyomei, while extra bottles of Hyomei can be obtained for 50 cents. There will not be even this small expense if Hoymei does not cure, as Rotermund will return your money.

Grip Quickly Knocked Out.

"Some weeks ago during the severe Winter weather both my wife and myself contracted severe colds which speedily developed into the worst kind of la grippe with all its miserable symptoms," says Mr. J. S. Egleston of Mapel Landing, Iowa. "Knees and joints aching, muscles sore, head stopped up, eyes and nose running, with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy, aiding the same with a double dose of Chamberlain's Stomach and Liver Tablets, and by its liberal use soon completely knocked out the grip." Sold by M. Clemens
