It is probable that Mr. Propst and The Condon Meat Co. will join forces and put up a large brick block which will accommodate the growing business of both firms.

Word reached Mayville Saturday that Richard Gibbons, of Newark, California, had died at that place on Friday. Deceased was a brother of Geo. Gibbons sr. of Keys' Flat, and was well known at Mayville. Mr. Gibbons was in Portland when the message was received but he was immediately notified by wire and proceeded at once to California to attend his brother's funeral.

N. Farnsworth, cashier of the First National Bank of Condon, has been handing out neat Christmas presents to his customers in the form of check books each check bearing the name of the firm or individual to whom the book is presented. The books are handsomely gotten up in lithograph work, on patent sensitized paper and makes the most attractive book of the kind that we have yet seen.

Ben Greiner who has been attending the Mt. Angel college near Woodburn this state, was on his way home to spend the holidays Monday and after leaving Arlington he became sudden and quite ill and was obliged to stop at Woods ranch at the head of the Arlington canyon. The original poem from the pen of a Matney correspondent of the GLOBE, which appeared in these columns a few weeks ago has been copied with proper credit by the Pacific Baptist, a denominational paper of Portland. A Christmas poem by the same author appears in the GLOBE this week.

Prof. Perryman, the new principal of the Condon Public School, informs us that the school work is being gotten in good shape considering the unfavorable conditions under which the teachers are obliged to work. As soon as the new building is ready and the school is once established in its new quarters the conditions will be much more favorable. A vacation of one week will be taken for the holidays.

A Costly Mistake.

Blunders are sometimes very expensive. Occasionally life itself is the price of a mistake, but you'll never be wrong if you take Dr. King's New Life Pills for Dyspepsia, Dizziness, Headache, Liver or Bowel troubles. They are gentle yet thorough 25c at Condon Pharmacy.

O. A. Edson arrived Saturday from his home in Washington county to take a position as head miller for the Condon Milling Co. Mr. Edson comes well recommended as a man who thoroughly understands his business and will no doubt give his employers and their patrons good satisfaction. He has had much experience in milling Eastern Oregon wheat having been employed in that capacity at Milton, Oregon, for several years. He owns a mill in Washington county but as there is but little wheat grown in that section any more he only has it operated as a chopper and prefers to make fine flour from Eastern Oregon wheat which is the equal of the best on earth.

Revolution Imminent

A sure sign of approaching revolt and serious trouble in your system is nervousness, sleeplessness or stomach upsets. Electric Bitters will quickly dismember the troublesome causes. It never fails to tone the stomach, regulate the Kidneys and Bowels, stimulate the Liver and clarify the blood. Run down systems benefit particularly and all the usual attending aches vanish under its searching and thorough effectiveness.

Only 50c. Satisfaction guaranteed by Condon Pharmacy.

Visited old Friends.

William Landers, a former resident of this county, but now of Cottage Grove was here during the week looking over his old stamping ground and visiting friends and relatives. Mr. Landers formerly owned the Frank Golden place near Mayville and used to punch cows and wrangle cayuses when Gilliam county was a veritable stockman's paradise. He left this county 16 years ago and this was his first return visit. It is needless to say that he found great changes in that time and could hardly believe his eyes in regard to the many improvements. He says the country does not look natural with the bunch grass gone and wheat fields everywhere and he was seriously considering the advisibility of taking steps to have the fences removed and the bunch grass replaced just to see if himself, John Downing, Bill and Jim Brown, Charlie Richmond and a lot of other old timers could still haze a cow or get their iron on a promising slick ear with the same neatness and dispatch that they could 15 or 20 years ago. Things have changed greatly since those days and the old boys will soon be gathering for the final roundup which will end at the corralls on the big home ranch which we are taught to believe is awaiting all good cowboys and pioneers over the "Great Divide."

Cupid's Capers.

Cupid, the sly little rascal, has been doing a land office business in this bailiwick lately with the result that "hearts" is just now the most popular game among the young people of Condon and vicinity. The joyous Christmas season will be more real to many of them than ever before and they can now enter the happy New Year as well matched teams instead of plodding along in single harness as they have been doing. The GLOBE extends best wishes to them all.

Following is the record in full.

Cornett-Keizur.

At Portland, Oregon, Sunday, December 20, 1903, Mr. Fred C. Cornett and Miss Lulu Keizur were quietly married in the parlors of the Perkins hotel. Both parties are well and favorably known here and their many friends in Condon will be glad to know that they will make their permanent home in this city.

Johnson-Austin.

Mr. Harry T. Johnson and Miss Madge Austin, well and favorably known young people of this vicinity were quietly married at the home of Elder W. A. Goodwin, in this city, at 5:00 p. m. last Sunday.

Both parties are comparatively recent arrivals from the East but they have both made many friends here who will join in best wishes for their future happiness and prosperity. They started in housekeeping Monday morning in C. O. Portwood's house on Potter street.

Baker-Moore.

At high noon yesterday, at the home of the bride's parents, Mr. and Mrs. Frank Moore, two miles northwest of town, Mr. Fred Baker and Miss Millie Mabel Moore were united in marriage Elder A. B. Moore, grandfather of the bride performing the ceremony.

A large number of invited guests, relatives and friends of the young couple were present to witness the ceremony and wish them well for the future. A sumptuous wedding dinner was served immediately following the ceremony.

McCarthy-Wallace.

At 5 o'clock yesterday afternoon at the home of the bride's parents, in this city, Elder W. A. Goodwin pronounced the words that made Mr. Carroll McCarthy and Miss Nora Wallace husband and wife. Both these parties are well known and deservedly popular and many friends will join in good wishes.

A license to wed has been issued to James G. Boyer, of Mayville, and Miss Annie White, of Trail Fork. The wedding is to take place to day at the home of the bride's mother, on Trail Fork.

Legislature Meets.

The special session of the legislature met on Monday. The Governor's message was read to the two houses in joint session after which an adjournment was taken until Tuesday out of respect to the memory of the late Representative Murphy.

The organization of the last regular session was adopted and the legislature was speedily ready for business. Indications point to a protracted session. A resolution to limit legislation to the tax law was referred to the committee as was also the proposal to limit the session to three days. There is a disposition among many of the members to authorize the board of portage commissioners to acquire right of way for the government canal at Celilo and provide funds to pay for same.

Fight Will Be Bitter.

Those who persist in closing their ears against the continual recommendations of Dr. King's New Discovery for Consumption, will have a long and bitter fight with their troubles if not ended earlier by fatal termination. Read what T. R. Beall, of Beall, Miss., has to say: "Last fall my wife had every symptom of consumption. She took Dr. King's New Discovery after everything else had failed. Improvement came at once and four bottles entirely cured her. This great remedy is guaranteed for all Throat and Lung diseases by Condon Pharmacy. Price 50c and $1.00. Trial bottles free.

Robbers at Lone Rock

Robbers entered the store of the Lone Rock Merchantile Co. at Lone Rock Tuesday night and after carrying the cash register some distance to the creek bank they opened it and took about $40 from the till. A number of checks were not molested. Entrance was effected by breaking one of the large show windows in the store front. The same store was entered Sunday night and about 50 pounds of peanuts taken. The cigar case in Williams' hotel was also tapped one day last week and a lot of cigars and two or three dollars in change taken. The work is believed to have been done by home talent and it is understood that it is generally known who the guilty party is. At this writing no arrests have been made.
