While we have not checked closely how or where this money will be spent, we have been informed by several parties in Central Point that when it comes they will pay up for the paper. Others we know of have bought trucks and a number working in the big mill have purchased new cars on the strength of it. One party intends to pay back grocery and meat bills and paint his house. Another will pay his taxes first, etc. etc.

A very interesting article on this subject appears in the American Magazine for June and is well worth reading.

Texas Carries Coals to Newcastle

Here is Rangerette Frances Nalle, of the Texas Centennial Exposition, as she taught Oscar of the Waldorf, famous New York host, how Texas ranch barbecue is made. Oscar, center, inspects the first barbecue as his chief chef and Miss Nalle look on, before it is served as part of the Waldorf-Astoria Hotel's menuff On her return from New York, Miss Nalle won the title of "Bluebonnet Girl" for the Exposition, which opens in Dallas June 6.

"40 and 8" Boys Will Meet at Caves on Saturday June 6

Members of the "40 and 8" Societe of California and Oregon will gather at the Oregon Caves Saturday, June 6, to participate in a big annual interstate "wreck". This is the first event of its kind ever attempted by California and Oregon voyageurs and much credit is due Voiture Locale 165 for bringing this initial ceremonial to southern Oregon. Many prominent legionairres will be present, including 40 and 8 officials and members from as far south as Los Angeles. and much favorable publicity for southern Oregon has already appeared in print.

The beautiful new chateau at the Oregon Caves has been reserved for the voyageurs and their wives and will be the center of the social features which will include the official banquet, entertainment program and dance. The "wreck" will take place in the famous "Ghost Chamber" of the Oregon Caves, 3200 feet underground, and an impressive ceremony is planned.

It is safe to say that no more fitting background for a ceremonial of this nature could be found in this or any other state in the union. Several "goofs" or candidates from various American Legion posts in southern Oregon will be introduced to the many mysteries and foreign customs of "La Societe" during the "wreck" which is scheduled to start at 6 p. m.

The banquet will be served at 9 p. m. and will feature short talks by Grand Chef de Gare Laban A. Steeves of the Oregon "40 et 8" Grand Chef de Gare Tom Eastbrook of the California "40 et 8" and other prominent officials of this unique veterans' organization. The committee in charge of the various activities comprises the following: Lee Garlock, Medford, general chairman Neil Allen, Grants Pass, housing; Horace Bromley, Medford, banquet; Harold Prestel, Grants Pass, wreck; Cass Wymore, Medford, train; Paul Taylor, Ashland and Henry Pace Medford, refreshments; Paul B. Mc Donald, reception.

Grand Chef de Train Lee Garlock urges all voyageurs to send their reservations to Neil Allen at Grants Pass at once for although the entire chateau has been reserved for the 40 and 8 members and their wives, present indications point to a capacity crowd. Reservations have already been received from Los Angeles, Fresno, San Francisco, Portland, Salem, Roseburg, Grants Pass, Medford, Ashland and Klamath Falls, and a successful events is assured.

Miss Vivian Jones and a group of friends from Medford spent Monday evening at the Roy Jones Shack.

Miss Olson, who has been visiting her aunt Mrs. Thorson on Beal Lane, left for Los Angeles recently. Miss Olsons home is in Motnana.
