MISFITS.

A Mixture of Things and Thoughts

A New Year's resolution: a $30,000 brick depot.

Worse and worse. The present state levy has been exceeded only once. That jars one.

The depot tangle is being taken hold of in the right spirit, and the result ought to be one satisfactory to all.

We've gotten along better without the holidays than with them, and yet there are people who insisted on their being continued.

A Forest Grove girl, who doesn't like honey thinks she will have to give up getting married because she couldn't have a honey-moon.

Here's a bouquet from a Portland man in the city last evening: "I want to commend you for that sensible and courageous editoral in tonight's paper entitled " A Widespread Awakening" You are on the right track".

With $1000 due from subscribers and 15 cents in his pockets, the editor of the Jefferson Review declares isn't even, and further that he proposes to get what is due, not caring for the friendship of a man who will try and beat a newspaper out of a just account.

HOME AND ABROAD.

Born to Mr. and Mrs. A. D. Shew, of Crabtree, on Friday morning, Jan. 3rd a girl.

Corvallis defeated Eugene on Roller skates, at basket ball, last night, 18 to 14. Manager McFarland returned this morning greatly pleased with the result.

A special Home edition of the Junction Times is a remarkably fine one. It was gotton out entirely by Mr. Morehead, the publisher and confers great credit on his enterprise, and as well speaks for Junction in an emphatic manner.

Indictments have been drawn at Portland against J. Thorburn Ross, T. T. Burkhart, John E. Aitchison, Geo. H. Hill and perhaps Geo. A. Steele, on account of the T. G. & T. Co's banks doings.

Scio is to be given a treat next Tuesday evening in an illustrated lecture by Homer Davenport in Wesely and Cain's hall. Homer usde to run on the Oregonian road, and one of his early pictures graced the West Scio depot or sometime.

A Mrs. Chas. Hill, of Portland, returned from a mask ball yesterday morning, when her costume caught from a gas jet and she was burned so severely that she died afterward. Some thought it was the wife of a former Albany butcher, but her name and age are different.

S.S.S. CURES BLOOD POISON

A SAFE HOME TREATMENT

In S. S. S. nature has provided a certain, safe, home cure for Contagious Blood Poison. It is a medicine made entirely of roots and herbs of recognized blood-purifying value, and is the one medicine which is able to get down to the root of the trouble and remove every particle of the virus, and at the same time benefit and build up the system and general health. No harmful effects ever follow its use, as is so often the case when strong mineral medicines are used. As soon as the system gets under the influence of S S S the disease begins to improve, and when the remedy has thoroughly purified the blood and driven out every trace of the poison, no signs of the trouble are ever seen again. The general manifestations of Contagious Blood Poison such as falling hair, copper-colored spots, ulcerated mouth and throat, sores and ulcers, etc., are merely symptoms of the poisoned condition of the blood, and in most cases respond quickly to local treatment, while S. S. S. is doing the necessary work of cleansing the blood. Our "Home Treatment" book is of great assistance along this line. It is a complete guide for treating the trouble, containing instructions for the different stages of the disease, and also valuable suggestions about the local treatment, that will be most helpful in effecting a cure. We will be glad to send a copy of this book, free of charge, to any who desire it, and if special medical advice is wanted our physicians will take pleasure in supplying it without cost to the patient. If you are suffering with Contagious Blood Poison you can cure yourself in the privacy of your own home by the use of S. S. S., an absolutely safe remedy.
