Infected Orchards.

From the Corvallis Times:

Many thanks to the Times for the way it helps others "speak out in meeting" Harold Rumbaugh is right, and more than one here can say "amen" to what he said of infected orchards. I, too, am trying to raise a young orchard near Albany, in Linn county, surrounded with old infected orchards, that never as yet have had any spray on them. This makes it up-hill work. It's enough to make one feel sore. The law on this line has been a sham here to a large degree. ALVIN B. CAROTHERS.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by the constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (cause by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

MISFITS.

A Mixture of Things and Thoughts

Cold weather doesn't fit in this valley.

Oregon is an up-to-date state. Keep it that way.

Senator Fulton has gotten it in the neck pretty well.

A good warm rain is good enough for the average Willamette Valleyite.

Turkey with an actual parliment in real session. The world is moving.

In the interest of political decency Pat McArthur should be beaten for speaker.

Philander C. Knox, a former well known trust lawyer, is to be secretary of state.

The man who thinks he can make the winter without an overcoat is having the struggle of his life.

The decision in the high school debate was two to one in favor of Eugene, and two of the judges were Eugene men, one from Roseburg.

The Jefferson Review wants a man elected marshal of Jefferson who will clean out a noted hobo roost at that city. Why not send for John Catlin. That's his forte.

A dispatch from Salem says the judges in the Salem-Lebanon debate were Attorney General Crawford, Judge Eakin and Judge J. C. Moreland, none of them Salem men. As a matter of fact all of them are practically the same as Salem men.

A Eugene paper is trying to knock Albany because the Portland, Eugene and Eastern Ry. Co. sent one of its cars that had been used in Eugene to Albany for use here. A car made for Albany and labeled Albany has been in use at Vancouver sometime not being needed here as soon as expected, but having got used to the Vancouver ways is being kept there. But what's the odds.

Bro. Nutting, an Albany editor, and Governor Chamberlain have just returned from Eastern trips. Strange to say they saw, on their travels, none of those "nonpartisans" that constitute the majority of the patriots of Oregon. It must have been a revelation to them that folks elsewhere are not so easily fooled.—Oregonian. All of which is of course hot air. The Oregonian doesn't know anything about what the Gov. and the Dem. man saw.

The Democrat yesterday in referring to the squabble over the U. of O. medical department, located in Portland, remarked that it helped to spend money. So it does; but it is the money of the students, being a private institution doing business under the name of a state institution. A student of the department in Albany today, says the criticism is from Portland physicians, and without reason.

Now is the time

to visit

California

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions—eternal summer for those who cannot endure a more severe climate.

California has been called the "Mecca of the winter tourists." Its hotels and stopping places are as varied as those of all well regulated cities. Visitors can always find suitable accommodations, congenial companions, and varied, pleasing recreation.

SOUTHERN PACIFIC CO.

Will be glad to supply some very attractive literature, describing in detail the many delights of winter in California. Very low round trip excursion tickets are on sale to California.

The rate from Albany to Los Angeles and return is

$55.00

Limit six months, allowing stopovers in either direction. Similar excursion rates are in effect to all California points.

For full information, sleeping car reservations and tickets, call on, telegraph or write
