TELEGRAPHIC NEWS

Another City Gone.

Bakersfield, Cal., July 7.—About noon to-day fire broke out in the kitchen of the Nickelsey's house, a new building just erected in the same block with the Southern hotel. In spite of all efforts, it spread to the adjoining buildings, which were wooden, and then to the Southern hotel.

By this time the flames had gained such headway that the firemen were powerless, and all that could be done was to let the fire burn itself out.

Every business house in town is burned, together with about forty dwellings, involving a loss of perhaps $1,250,000, with insurance of about $300,000.

Thirteen block are whiped out, and not a hotel, restaurant or business house is left.

Came to Oregon.

Pittsburg, July 7.—A Zanesville, O., special reports the disappearance of Heel D. Miller, cashier of the Malta National bank, of Malta, O. There is a shortage in his accounts, it is said, of at least $32,000 and it may reach $50,000. Before leaving he made a confession, and turned over his property and $10,000 stock in the bank to his bondsmen. Miller is said to be in Eugene City, Or., or British Colombia. The money is supposed to have been lost in speculation and poker.

They are Plucky.

Ellensburg, July 7.—The people are determined to a man to have a large, splendid city here, and they are going to build it whatever the cost, even if men have to work every day in the year, Sundays included. They already have the indomitable pluck and energy on the ground; they can get all the money they want, and all they fear is a lack of men and material. There are five brick manufacturers, and every one will double his working force, in order to supply all demands. They expected to burn 7,000,000 brick this year, of which number they intended to carry over 1,500,000, Ellensburg people will use their 7,000,000, and as many more as they can burn.

A Careless Switchman.

Cologne, July 7.—Through the blunder of a switchman eight lives were lost on the railway near Roohemoos to-day. The Frankfort express, while going at a high rate of speed, ran into an open switch and dashed into an empty train which was standing on a side track. Eight persons were instantly killed and eleven others injured.

A Priest Now.

Philadelphia, July 7.—Thomas Ewing Sherman, son of General Sherman, to-day received the final orders of priesthood. The ceremony was held in the archbishop's private chapel connected with the Cathedral.
