DAILY DEMOCRAT.

BROWNSVILLE.

BROWNSVILLE, Aug 19, 1890.

Some of those many hunters have again been out. This time it is a valuable horse of Joe Harrison. The horse was evidently shot twice, as he was wounded in the front part of the hind legs and in the back of the front legs. He will no doubt die.

Joseph Sawyer came near losing his life yesterday while at work in the saw mills of H B Moyer. Mr Sawyer, was mending a belt and in adjusting it to the pulleys his shirt was caught on the shaft winding him up with one arm over the shaft, burning the flesh in bad shape. The engine was stopped as quick as possible, when he was taken down from his perilous position. The only thing that saved him was his dead grip on a standing pulley.

The woolen mills have one more twister just received and being put in position.

WARM WEATHER.—A fine stock of refrigators and ice cream freezers may be seen at Stewart & Sox's. Nothing like them for the house.
