DAILY DEMOCRAT.

BROWNSVILLE.

BROWNSVILLE, Aug. 25th, 1890.

Items are scarce except in one of the two lines of thought. All have become monomaniacs on mines or meeting at the Baptist church.

Rev Lindsley returned on last Saturday to Hillsboro, but will be here on Tuesday. In the meantime Rev Wahlrop will continue the meetings.

Our miners are on their heads, so to speak. During last week they received a letter from a gentleman at Seattle offering $100,000 for a one-third interest in one of their claims, with control of the working of the mine, and all is excitement in that line. The work on the mines is still being pushed and is nearing completion.

Rev LeRoy returned home on last Saturday and at the church meeting tendered his resignation as pastor. He expects to go to La Grande, and will take the pastorate of the church there.

School will begin on Sept 15, in District 52, being the school at Brownsville. Patrons and pupils should take notice and act accordingly.

On last Sunday the Sabbath school of this place, raised $17 17 as a memorial fund to Bert Stanard. This money is to be added to the irreducible fund and only the interest to be used for mission work. Thus until the master comes this money will be at work in the name of Bert Stanard, beloved by all who knew him.

Some say the horse spoken of last week as being shot, was sick of some disease, and not shot at all, as other horses have died of something similar; while others say he was shot and died from wounds received at the hands of careless hunters. As no examination was had no one will ever know as to the facts in the case.

OAKVILLE.

Three of the citizens of this place leave to-day for the east. Messrs Charles Pattison, Elmer Hamilton and J Melvin Bamford.

Mr Pattison will visit Coin, Iowa, St Joseph, Mo. and Sparta, Illinois.

Mr Hamilton will visit friends at Keokuk, Iowa and Garnett, Kansas. Elmer is a native of this county and is highly esteemed by all, especially by the young ladies. He was elected president of the C E at their July election.

Melvin Bamford goes to Monmouth, Illinois, to attend college. He is a model young man and has been with us about five years. It was through his work and influence that the Society of Christian endeavor was organized, and he was elected first president. He also served on the social committee two terms. There is not a member of the society but what is a friend of his. He leaves with the best wishes and prayers of us all.
