LOCAL RECORD.

LIKE'S MEANING.—The state legislature meets on next Monday. Linn county will be well represented. A short sketch of the men who will look after the interests of Linn county, as well as the state generally, will be of interest. Senator J K Weatherford was born in Putnam county, Mo, 49 years ago, and has been in Oregon since 1862. He has been speaker of the house of representatives, and senator, and mayor of Albany. Senator Jeff Myers, of Scio, was born in Linn county, and is 26 years of age, being the youngest member of either house. He is vice president of the Scio bank, mayor of the city, and has filled one term in the lower house. Representative F C Hansard, of Lebanon, was born in Knox county, Tenn, and is 63 years of age. He came to Oregon in 1871, is a farmer and filled one term in the house of representatives. Representative J F Henry, of Brownsville, was born in Harrison county, Ky, and is 45 years of age. He came to Oregon in 1870 and is a physician. This is his first official trust. Representative C J Shedd, of Shedd, was born in Mercer county, Ill, and is 43 years of age. He came to Oregon in 1864, and is a farmer and stock-raiser. He has been school clerk for five years.

ALBANY TOO.—Albany, as well as Eugene and other valley towns, has an A. E. O., Dr Weatherbee having organized a lodge here with a membership of twenty-eight and initiation fee of $7.50. It is claimed, though, that he only secured $25 for his fees. A. E. O. means Ancient Egyptian Order. The claims for the order were that it was a very ancient institution, having been in vogue in Egypt centuries ago, recently having been unearthed, and that it was meeting with wonderful favor. It now transpires that there is no grand lodge, or in fact any such organization at all, Weatherbee being a grand fraud. The Albany lodge met in the G A R Hall, Mr Arnberger is grand master, Mr Cumming, treasurer, and among the members are C G Rawlings, Percy Kelley, Dr Leinenger, Mr Brown, the barber, John Zaches, jr., Al Boenike, Mr Casey. As the order is claimed to be very secret little can be learned about it. The DEMOCRAT is informed, another meeting will be held, when the members will be refunded their share of the money in the Treasury, and the order disbanded. The boys say they have had the worth of their money already, and in fact that Weatherbee did not get much the best of them.

A CITIZENS MEETING.—The citizens of Albany are requested to meet at the court house on this (Saturday) evening at 7:30 p m, for the purpose of appointing a committee of three representative men to confer with a like number of the city council, to go over the amended charter, proposed to be submitted to the legislature.

J. L. COWAN.
Mayor.

The matter of bonding the city for $75,000 already voted on, the manner of issuing the bonds, and other important amendments to the charter will be considered.

A SMALL FIRE.—A small house belonging to A Hackleman, located on Seventh street near Maine, was discovered on fire at 12:30 o'clock this morning, and the department called out by a general alarm. The house, recently occupied by Mr Thomas, has been vacant for several weeks. It was undoubtedly set on fire to create a blaze. Damage, $50 or less.

TO-NIGHT.—The Swedish Nightingales will appear at the Opera House to-night, and our music loving people will be given one of the best musical treats ever offered our citizens. The press is universal in its praise of this octet of vocalists. Wherever they go they are greeted by a series of encores.

NO FLIES.—There are no flies on Conn & Hendricson's new clerk, that faces their customers on entering. Every body treated the same, a smile for all, and the best groceries in the city and bottom prices. See their brands of tea, coffee, their canned goods, etc. Smokers get lots of satisfaction out of the famous Peppose and other cigars.

A GOOD RESOLUTION for New Years or any other time is to buy your groceries, baked goods and produce of Parker Bros. One of their resolutions is to keep the best in the market, to sell at reasonable prices and to treat everybody with courtesy. If you want to know what store to point your tracks towards for a whole year look towards Parker Bros., where you can always find the goods you want

NOTICE.—I have moved my millinery store across the street in the Blomberg block next door to J A Cummings' drug store, where I will be pleased to meet my friends and customers.

Tonight there will be a short service, then a testimony meeting will be held, after which there will be baptism. Sunday morning the evangelist will speak especially to Christian people and desires the members of this church to be present. Young Peoples meeting in the evening at 6:30.

TWO WOMEN.—Two Portland married women have been in the city for the purpose of meeting clandestinely with a couple men not their husbands. This did not suit their husbands, who got wind of the affair, at all, so they followed them to the gem city of the valley, and this forenoon succeeded in securing them after a dodging game up and down the road, and by this time they are probably in Portland, where, no doubt, the Mercury will give them all the notoriety they wish. Their sir names begin with the third and fourth letters of the alphabet. As the men were anxious not to have their names in the papers, we refrain from saying more.

NOTICE.—Parties desiring a cab will do well to call on Trites Bros, who connect with all trains. Funerals and weddings a specialty.

THE CITY CHARTER.

Albany's city charter is being thoroughly revised, under the supervision of the city attorney, Hon. J. K. Weatherford, so that it will more effectively serve its purpose. Several amendments are being provided, some purely to strengthen the provisions of the old charter. The following are the important new provisions:

To provide for the enforcement of liens upon property for street improvements, work on street improvements to be done by the city.

To bond the city for a sum not exceeding $75,000. The city not to create any debt exceeding $6000, except that it may negotiate interest bearing bonds over and above such indebtedness in the sum of $75,000 for the purpose of building a wagon bridge across the Willamette, for constructing a system of sewers, for erecting a city hall and making other improvements, nor shall it contract any debt payable beyond two years except by issuing bonds.

To condemn private property for the purpose of widening a street or alley, or property for the construction of a sewer through same.

To appoint a deputy assessor in case of illness of Recorder, assessments to be made on property giving value on February 1, and giving enlarged powers for collection of taxes.

To change name of street commissioner to superintendent of streets.

To provide for punishment for allowing hogs and poultry running at large.

No change in boundary line of city.

To provide for the office of poundmaster, to be elected by the Council.

To provide for the tearing down of buildings erected within the fire limits of the city, in addition to fine and imprisonment of the offender.

To fine and punish parties selling unwholesome provisions, meats, etc.

THE MAN ABOUT TOWN.

The Man About Town suggests that some heavy nails should be driven in the city charter amended by the coming Legislature so that the city will have the power to build and repair sidewalks, when not attended to by property owners, and have a lien on the property for the costs of the same. As it is now property owners do as they please, a sample of which may be seen on the west side of Washington street, near Second street. Good citizens ought to do their duty without any strict laws; but there are plenty of people who seem to think they are specially exempted from all demands of all natures.

[illegible]

To whom it may concern: I have [illegible] the past five years as I am of a [illegible] suffered much from stomach [illegible] time. But nothing ever gave me relief [illegible] I obtained from using Joy's Vegetable Sarsaparilla. In fact I think it a cure for all ailments. At the time I was using it I had a little girl living in my family whose neck was seriously affected by a large open sore, and we tried a great many kinds of lotions, salves and blood purifiers to no avail. I gave her some of my medicine (Joy's Vegetable Sarsaparilla) thinking it might benefit her and as it was purely vegetable, knew it could do her no harm. To my astonishment she began to improve, and within two weeks it was entirely healed and she is now as well as ever.

"THROW PHYSIC TO THE DOGS!"

Electro-Magnetic Influence and Its Effects on the Human System.

As the world advances in age and the people become more enlightened, the old schools of medicine gradually give way to modern science. The God given powers of electricity and magnetism supplant the drastic drugs of the pharmacopeia. The nauseous internals are only kept for human sacrifices. Among the most prominent professors of the new curative age are Drs Darrin. Wonderful to relate they are especially successful in curing chronic acute and private diseases, deafness and catarrh. It is not long since the restored to health Mrs Allied Dietz, of Portland, who had been sorely afflicted with chronic rheumatism of the knee joints, and not long since that Mr George H Pepenburg, a German, a resident of Tualatin, Or, who had been almost totally deaf ten years, was cured so he could hear as well as ever in his life, and the cure is permanent as shown by many of his neighbors visiting Drs Darrin to be cured of all their chronic diseases. The certificates of cures made by these celebrated physicians would fill a volume. They embrace every disease to which humanity is exposed. The remedies are painless, almost pleasant and infallible. Drs Darrin are entitled to great credit for their almost miraculous discoveries in the art of electric healing. There is no known malady that they cannot conquer if patients will give the doctors a fair chance. Their offices 7½ Washington street, Portland, are besieged with the lame, halt, deaf and blind, from 10 a m to 8 p m. They give free examinations and charge about half the ordinary fees of other physicians. Thousands are given home treatment by mail or express. Parties not able to come can send for question blank and circular free.
