Daily Democrat.

CROOK COUNTY.—Wm Wigle has taken the Prineville Burns mail line and will take charge of the route on the 1st of July.

There has been sold in Prineville this season 6000 pounds of alfalfa seed. Allowing 20 pounds to the acre would be 300 acres that has been sown to alfalfa in this county during the spring.

W T Porter has sold his ranches and sheep, and has gone to Wyoming to look at the prospects for going into the stock business in that state. If not suited he will look over the grazing country of Colorado and Arizona.

Wm Gage, an old and respected citizen of this county, died at his home near Mitchell on June 9th, aged 65 years. Mr Gage was an Oregon pioneer, having come to Oregon in 1844 and lived a number of years in Polk county.

Thursday evening, just before dark, B Isenhoot met Allen Henry in Templeton's drug store as Mr Henry was coming from behind the prescription case, where he had been talking with Mr Nichols, the druggist, and fired a shot at him striking him in the right side. After firing the shot, Isenhoot went out the front door and started to run. Deputy Sheriff Clayton gave chase, overtaking him at the flume back of Union church, just as Isenhoot threw his pistol, a 38-caliber Smith & Wessen revolver, into the flume. He took Isenhoot in charge and lodged him in the county jail. The wound is a painful one, but will heal in a short time, and Mr Henry will be able in a few weeks to return to his home in California. Mr Isenhoot and Mr Henry have been engaged in a lawsuit several years over the possession of some property on Beaver creek, and the trouble has somewhat upset Mr Isenhoot's mind, which is the probable cause of his rash act.—Review.

A SCROFULOUS BOY

Running Sores Covered His Body and Head. Bones Affected. Cured by Cuticura Remedies.

When six months old, the left hand of my child began to swell, and had every appearance of a large boil. We poulticed it, thinking it would burst for the purpose. About five months after it began running sore. Soon other sores formed. We had two of them on his hand, and as his blood became more and more bad, it took less time for the sores to break out. A sore came on the chin, beneath the skin, which was very painful. His head was one solid sore, discharging a great deal. The worst was his condition at the time of five months old, when we decided the case of his mother having died of consumption was a little more than we could stand, of course). He could walk a little, but would give up at let fall down, and could not speak a word, having no use of his hands. We commenced with the CUTICURA REMEDIES, and cured. One sore after another healed, a scab forming in each one of these five sores just before healing, which would finally grow loose and were taken out; then they would heal up. One of these ugly bone formations I presume. After taking a dozen and a half bottles he was completely cured, and is now, at the age of six years, a strong and healthy child. MRS. E. S. DILLON, MAY 9, 1885. 612 E. Clay St., Bloomington, Ill.

My grandson remains perfectly well. No sign of scrofula and no sores. MRS. E. S. DILLON, Feb. 7, 1890. Bloomington, Ill.

"German Syrup"

Croup. We have selected two or three lines from letters freshly received from parents who have given German Syrup to their children in the emergencies of Croup. You will credit these, because they come from good, substantial people, happy in finding what so many families lack—a medicine containing no evil drug, which mother can administer with confidence to the little ones in their most critical hours, safe and sure that it will carry them through.

ED. L. WILLITS, of Alma, Neb. I give it to my children when troubled with Croup and never saw any preparation act like it. It is simply miraculous.

MRS. JAS. W. KIRK, Daughters' College, Harrodsburg, Ky. I have depended upon it in attacks of Croup with my little daughter, and find it an invaluable remedy.

Fully one-half of our customers are mothers who use Boschee's German Syrup among their children. A medicine to be successful with the little folks must be a treatment for the sudden and terrible foes of childhood, whooping cough, croup, diphtheria and the dangerous inflammations of delicate throats and lungs.

FAIR WARNING.

Sheriff Scott Does Not Want the World, but he Must Have the Delinquent Taxes.

Sheriff Scott proposes to make it warm for delinquent tax payers unless they settle at once. The following notice has been published several weeks; but it does not work as effectively as it should:

By order of the County Court I am directed to force the collection of all taxes standing unpaid on the assessment rolls of this county. If such taxes are not paid immediately I shall proceed to levy upon and sell the property of delinquents to make collection. I mean business.

M. SCOTT,
Sheriff of Linn county

Now he proposes to enforce the collection of all unpaid taxes, which, though not the pleasantest business in the world, must be done. Delinquents should come to time and pay up, thereby avoiding legal proceedings, as provided by the laws of Oregon. This is positively the last call. Look out for the explosion of the bomb.

$500 Reward!
