...CITY OFFICIAL PAPER.

LOCAL RECORD.

THE OREGON PACIFIC.—This road has ... the principal topic of conversation ... few days, on account of the pro-...d strike of employes for non pay-...t of wages for six months. The uni-...al sympathy is with the men. They ...e earned their money and should be ...l. The end of the rope has about ...n reached, and the company should ...n over a new leaf. The receipts of ...road have undoubtedly been large ...ugh to pay expenses, if not more, and ...re is where the money should go. ...s road, for a local one, does a good ...dness, and now the traffic is large. It ...s the intention of the hands to quit ...rk Monday evening, but it was de-...ed to give a few days grace. It is ...bable the matter will be placed be-...e the courts in whose hands the road ...w is, resulting in arrangements for the ...curing of the pay of the men. The ...me for a final move has not yet been ...lected. It is probable trains will con-...nue to run whatever happens.

THE COLLEGE.—The Albany Collegiate ...stitute will open on Sept 9th under ...ry favorable auspices, offering advan-...ges for students equal to any school in ...egon. The old teachers, who have ...ne such good work for the school, will ... remain, excepting Prof H M McKee, ...o will be succeeded in the commercial ...partment by Prof W W Bailey, recently ...the State Agricultural College of Texas. ...of Bailey was recently united in mar-...ge to Miss Kittie Cooley of Browns-...le, and has accepted the position in ...ler to be among her people. He is ...ll spoken of as a thorough instructor. ...of David Torbit, recently of the Santi-...m Academy of Lebanon, has been added ...the faculty. He is an educator of ...ility. The college is now stronger ...an ever and deserves the liberal pat-...age it has been receiving.

PLEASED WITH THE MINES.—E B ...rdick, of San Francisco, an old time ...ner, and an expert in all matters per-...ning to mines, has returned from a trip ...the Santiam mines, where he made a ...orough prospect of the ores there. He ...well pleased with the outlook and be-...eves the Santiam has a good future. M ...ardick is probably the most capable of ...dging correctly of any one who has vi-...sited the mines, and having made ...horough investigation of their resources ...is judgment is of great value.

INJURED BY A TREE.—Yesterday afte-...oon while Ed Fuller was working for ...rantz Bros.' logging camp, in Kings ...alley, a tree fell on his shoulder and ...rushed his right arm very badly. The ...oung man was knocked insensible and ...r a time it was feared he would not re-...over. He revived in an hour or so, and ... messenger came to this city and sum-...oned a physician. His injuries are bad, ...ut they will not prove fatal.—Corvallis ...imes.

THE MILITARY ROAD.—Hon B J Pengra informs us that the parties who have purchased the grant of lands of the Oregon military road company are very wealthy and propose to erect large lumber mills on the lands next spring, and that they have assurances that a railroad will be constructed to carry off the lumber. This means great things for Lane county.—Guard.

TAXES.—Have you paid your city taxes. Well, you'd better attend to them at once, as the tax collector informs the DEMOCRAT they are about delinquent and must be paid. The money is wanted. Dog taxes are also overdue, and a man is being secured to kill all of the animals on whom the taxes are not paid according to law.

DELINQUENT TAX NOTICE.—School taxes are now delinquent. The clerk is making out the delinquent list which will be in the hands of the sheriff as soon as completed. Those who have not paid, had better do so before costs of collection are added. Last notice.

DO NOT WILT, even if it does get warm. You can get fresh fruits, products and the best groceries to be secured at Conn & Hendricson's. They carry a first class stock of goods, and are situated so as to sell at the lowest prices. If you are going to the mountains or on a trip let them fit you out. They have the variety, and can give you the prices.

REMOVED.—P J LaPorte, the shoemaker, has removed his shop from near Vierick's barber shop to the building just opposite the Russ house, next door to Brown's barber shop. He invites all his old customers, and new ones as well, to call, as he is prepared to do work in his line in first class order.

HAVE U noticed that Allen Bros' grocery store is always full of fruits, vegetables, etc, the very latest in the market. If there is anything to be had they have it.

Berries,
Cabbages,
Turnips,
New Potatoes,

NEW SPRING GOODS.—I keep a full line of spring and summer dress goods, in wash fabrics, prints, ginghams, seersuckers, etc. I have also a new line of summer plaids, besides other novelties in lines and all wool writings. SAMUEL E YOUNG.

One half dollar reduction on every pair of Ladies' fine shoes. A good line of them at E Young's.

SOCIAL AND PERSONAL.

Mr Ed Cusick, of Salem, is in the city.

Hon Til Ford, of Salem, has been in the city.

H F Merrill returned this noon from Yaquina Bay.

Recorder Geo B Dorris, of Eugene, was in the city today.

The family of Capt E J Lanning are rusticating at Sodaville.

J H Howard and wife leave to-morrow for the East on a few weeks trip.

Mr Harry Williams left this morning for Fish Lake for an outing of a few weeks.

J W Cusick, wife and youngest son, will leave in a few days on a two months trip through the East.

J J Daly, wife and family leave tomorrow morning for Upper Soda, where they will spend a month.

J R Nell, of Portland, made merry of Albany, passed the city this noon for Corvallis, where a sister resides.

J M Nolan is the proud possessor of a nice, new girl. She made her appearance at his home Sunday night.—Corvallis Times.

Dr Harry Lane and family, Dr N R Cox and Miss Nettie Starkey, of Portland, came up to Albany last evening, and today went to the Metoleus.

For the benefit of some it will be of interest to know that Judge M L Pipes, of the Second District, went East recently in response to a dispatch announcing the dangerous illness of his father.

Two car loads of reporters went to Yaquina Bay today. Among the number were Judge R S Strahan, William Cowan, Maurice Sanders, Jay W Blain and Mrs C J Stewart and children, of Albany.

Frank C Robinson came down from Brown's mill last evening after surgical aid. A small fire was discovered in the mill by Louis Dyer. In running for water Robinson fell over a log and was somewhat bruised but not seriously. Maston & Davis attended him.

A party was tendered Mr Murray Vaughn last evening at the residence of his brother-in-law, Mr Jos Klein. A pleasant evening was spent. The occasion was a farewell send off to Mr Vaughn previous to his departure for San Francisco, which he will make his home.

L W Devoe and family and W E Baker returned last evening from a two weeks outing on the Alsea. Mr Devoe says he had the best time of his life. He and his family caught 1305 trout, killed nine deer and any number of feathered game, all the time living on the top shelf, and returning home full of mountain and sea breezes.

License was issued yesterday by the County Clerk of Marion county for the marriage of Prof. J. Benson Starr, of Olympia, formerly of the Willamette University, and Miss Laura Goltra, of Salem, daughter of W H Goltra, of Albany. The ceremony was to be performed today at the residence of J O Goltra, in Portland, provided he arrived home from a trip to the Sound, if not tomorrow.

BENTON'S DELINQUENT LIST.—An unpleasant thing about owning property in other counties is the fact that one never knows anything about the taxes on it. The sheriff of Benton county is advertising for sale property on the delinquent tax list, and among those whose property will be sold for taxes if not attended to are prominent Linn county people, who pay their home taxes promptly, among some being solid men of the county, making the affair sort of ridiculous. Judge Strahan, Dr Maston, Jas G Crawford, Curran & Monteith and Mrs E R Cheadle are down for 18 cents apiece on Seal Rock property. T J Black for a little more. Damon Smith, of Harrisburg, is in the Monroe precinct list. L E Blain, N D Conn, John Giblin, Jas V Pipe, Chas L Brush, John Fox and F A Burkhart are on the Yaquina list, and as they will probably never see the ad. will be glad to know of the fact, as the amount in each case is only nominal, enough to make the item a humorous one.

DID YOU EVER SEE IT?—We mean Cram's Unrivaled Atlas of the World. It is over 300 pages every one of which is crammed full of valuable information. It has maps of all the states and territories, countries, foreign countries, and all leading cities. It gives a bird's eye view of the Holy Land, products, wealth and peoples of the U S, days of all nations, telegraph and railroad maps, maps of statistics, length of rivers, height of mountains and many other features. Those who buy to peddle with success are agents. Address Mrs A U T, Albany, Oregon, P. O. box 61.

WAITING FOR INDUSTRY.—There is untold wealth lying at the very feet of the citizens of Newport, in the cod fisheries, if only they choose to reach for it. Almost any quantity of this fish may be caught here, and yet not one city in the valley is supplied with Newport fish. It is a mammoth industry, which lacks only energy to develop. For the time being cold storage is the only necessary outlay of capital, and being had, the industry will pay for its own unbuilding and improvements. It would be no transient speculation, but would be right here year in and year out.—Corvallis Gazette.

SMITH THINKS there is no such place to get first class groceries, fresh produce and baked goods as at Parker Bros. So do Jones, Brown and many other people. They say they not only get good goods at reasonable prices; but as well a splendid treatment. Try Parker Bros and you will become a regular customer, and what Smith thinks you will all think.

The Upper Columbia River papers report a large number of tramps. They are scarce in Albany, probably due to the vigilance of our police department, who do not allow them around.

MISHTS

The Three Sisters took a ton of cucumbers from Salem to Portland. Did the Three Sisters have the colic, that is the question.

With great mining prospects in gold, silver, coal, etc., there is no reason why this part of the world should not be heard from in an emphatic manner.

Good for one attorney general! He has taken the side of the shippers and producers before the Oregon railway commission in the great battle over freight rates.—Journal. He will always be found on the right side.

The East Oregonian says Jim Clark lost two fine horses at Cold Springs last Friday from overheat. The horses were valued at $400. They had been driven to a header. One dropped dead while hitched to the machine and the other died while being unhitched.

Of all the foolish things in the world getting a husband or wife through matrimonial papers beats them all. Evin Daley, a G A R man of Salem, tried it. Mrs Goodenough, a Denver woman, was his choice. She came to Salem, but wasn't goodenough after all. Was too homely for Daley, so he refused to face the minister. Mrs G. immediately brought suit, and here is the substance of the interesting complaint: "On February 10, 1891, and since that time she was and has been unmarried, and that the defendant was also single and unmarried, and that plaintiff and defendant being so unmarried did, in May last, enter into mutual agreement to marry each other within a reasonable time. Mrs Goodenough further alleges that she remained single, and is now ready and willing to marry the defendant; that he refused and neglected to marry her, although reasonable time has elapsed so to do before bringing this action to plaintiff's damage in sum of $2000; that defendant under the said promise of marriage induced the plaintiff, who then lived in Missouri, to sell her household effects and come to Oregon, where they would be married. She sold her household effects at a sacrifice of $400, and, relying on said promise, she did come to Oregon at great expense, to-wit: $110, by which plaintiff it damaged in sum of $570. Whereupon plaintiff demands judgment in sum of $2510 and for costs and disbursements of this suit."

OBITUARY.

Died, at Oregon City, July 28th, 1891, Effie Dean Arnold, aged 10 years, 7 months and 10 days. She was the daughter of Mrs Charles Dodge, and resided in Albany two years prior to her departure for Oregon City, to which place she removed last May. Many a little child in Albany will remember her as an affectionate friend and schoolmate.

For two weeks she struggled with that dread disease diphtheria, but her anxious mother and friends at last thought they saw a ray of hope. She grew better and called for her playthings. But soon the poor, tired little hands let fall the toys, and twining her arms about her mother's neck she whispered: "Mamma, I am going to die; don't cry, dear mamma, I am not afraid."

"When the day king had surrendered his banner of gold, and twilight had deepened through woodland and wold," she sank to sleep to awaken in a world that knows no night, no pain, no death.
