WHEAT MARKET.—Yesterday one of the leading farmers contracted to deliver 6,000 bushels of wheat in Corvallis for 80 cents per bushel, with the privilege of delivering 10,000. Wheat is about ten cents per bushel higher now than a year ago, and many predict that it will reach the dollar mark before next spring.—Times. Probably the wheat purchased by Mr Crosby, mentioned by the DEMOCRAT, for 75 cents per bushel. Though, so far as that goes, Corvallis always starts out 2 or 3 cents ahead of other towns on small quantities, owing to a local mill competition. When the market settles this is not the case. Yesterdays San Francisco market jastified 76 to 78½ cents. In Albany the price is 75 cents.

A CAMP MEETING.—The M E church, south, will hold a camp meeting near Leeanon, Sept 2 to 10. Bishop W W Duncon, D D, will be present, besides other preachers. Committee—G F Burkhart, F M Smith, B Burtenshaw, C W Cobb and D F Crabtree. The campground is situated one mile from Lebanon depot, in a beautiful maple grove, immediately on the wagon road from Lebanon to Albany, on the land of Wm B Gore. The Albany canal runs through the grounds, affording water for stock. There is a fine well on the ground for drinking and cooking. Tent poles and wood for cooking can be had on grounds free of charge.

SALEM'S SHOOT.—At the Salem Rod & Gun Club's monthly shoot for the medal the combination was broken, C D Gabrielson having failed to come out victorious. He won at the two shoots last preceding and had he been victor yesterday the medal would have been his to have and to hold. The score follows: Griffith 18, Harvey Cottle 9, Howe 17, Conn 21, Childs 21, Gabrelson 18. Conn and Childs tied for the medal and in shooting off the tie Conn scored four and Childs five straight.—Statesman.

A JAIL BREAK.

On going to lock up the prisoners in the north part of the County jail last evening shortly after 9 o'clock, Sheriff Scott discovered that Jos. L. Miller awaiting the action of the grand jury for obtaining money under false pretenses, and Sam Sing, for larceny of $40 from San Wa, had fled. They had sawed four of the iron bars of the rear window off and bent the fifth, making their escape. They must have been some time at the job. Friends of Sam Sing had made frequent visits to him, and it is probable had given him saws for the purpose, which a Celestial has means no one else possesses of concealing. Having all night in which to travel it is probable neither one of the men will ever be captured. Before going Mr Miller left an order and note in his cell, as follows, displaying a gall not often witnessed:

ALBANY, Or., Aug. 10th, 1891.

MR. WOODS—Dear Sir: Please pay to Mr Scott, the sheriff, the money due me and oblige

Your humble servant,
JOSEPH L. MILLER.

MR. SCOTT:—Will you please get this money and keep it until I call for it. It is somewhere near seventy dollars (70.00.) Be sure to get it for it is coming to me, and I want you to keep it for me. If anything should happen that I did not get time to call for it, then it is yours.
J. L. MILLER.

Vincent, of 6 Terrence Court, S. F. writes: "I am 60 years of age and have been troubled with constipation for 25 years. I was recently induced to try Joy's Vegetable Sarsaparilla. I recognized in it at once an herb that the Mexicans used to give us in the early 50's for bowel troubles. (I came to California in 1852,) and I knew it would help me and it has. For the first time in years I can sleep well and my system is regular and in splendid condition. The old Mexican herbs in this remedy are a certain cure in constipation and bowel troubles." Ask for

What is Home Without a Mother

"What is home without a mother,"
Sang the poet long ago.
What is life without good food ?
We should really like to know.

What's a boat without a rudder?
Or a ship without a sail?
What's a goose without a gander,
Or a "hoss" without a tail?

What's a life without a baby?
What's a hen without a coop?
If your groceries don't come from
Parkers'
You may find you're in the soup.

What's a sermon without chestnuts?
What's an old maid without hope?
What's a dago's squeaky organ,
Without a monkey at his rope?

What's the need of all this rhyming,
Unless to save you lots of fuss?
One thing sure you will be happy
If you come and trade with us.
