SCROFULA 12 YEARS

Always Sore. Burned Like Fire. Ashamed to be Seen. Got Worse Under Four Doctors. Cured by Cuticura.

For about ten or twelve years I have been afflicted with scrofula. My head was always sore, was dry and scaly, and I scratched like fire. My legs, right on to my feet, were so full of sores that I could not walk. In the fall I went to my home in Ohio, and there I tried every remedy, but they did me no good. I was ashamed to go into public sight to be looked at, and would say, what matter, why don't you take something at my daily work? I tried to wear a hood to keep the dirt from getting into my sores. After I would wash, I would be covered with pimples all over my neck and face, so that three people advised me to try the Cuticura. I did try them, and now I am well and free from all diseases. Glad to say I am in good health. I cannot praise the CUTICURA REMEDIES too highly. I enclose my photograph.

LEWIS W. EATON, Lima, Ohio.
