BABY ONE SOLID SORE

Tried Everything without Relief. Rest Night or Day. Cured by Cuticura Remedies.

My baby, when two months old, had a breaking out with what the doctor called eczema. Her face, arms, feet, and hands were each one solid sore. We tried everything, but neither the doctors nor anything else did her any good. We could get no rest day or night with her. It was extremely painful to see her. I tried the Cuticura Remedies, but confess I had no faith in them. But I had tried everything else without avail, so I tried the Cuticura. It was a surprise, in one week's time we could see a change in her. We continued to use the Cuticura Remedies, the sores were healed, we continued to use the Resolvent for a little while, and now she is as fine a baby as you could find, as sound as a dollar. I believe my life would have died if I had not tried Cuticura Remedies. I write this that every mother with a sick child may know that there is a remedy that will cure the most eczema, and that is the Cuticura Remedies.

MRS. BETTIE BIRKNER, Lockhart, Tex.
