ON FIRE WITH ECZEMA

Terrible Sufferings of Little Baby. Seven Doctors and Two Hospitals Fail. Cured by Cuticura.

My baby boy, 5 months old, broke out with eczema. The itching and burning was intolerable. The eczema spread to his limbs, breast, face, and head, with he was nearly covered; his tormenting agonies were plainly to behold; he had no peace and but little rest night or day. He was under treatment at different times at two hospitals and by a private doctor in this city without the least benefit; every product of the disease was fully tried, but grew worse all the time. For months I expended about $3 per week for medicines, and was nearly discouraged. I purchased CUTICURA, CUTICURA SOAP and CUTICURA RESOLVENT and followed the letter. Relief was immediate, and, until rest and sleep improved and in a short time, and has now no ever a skin disfigurement. Any mother could wish to see her every mother to use it for every little sufferer.
