

FARMERS OF CLACKAMAS COUNTY

You have long wanted to see all farmers acting and speaking together on the great problems that confront us as farm folks and as citizens. You have wanted for years to get into an organization that is nation-wide, that helps to organize farmers in various associations for specific purposes, but that does not forget the local problems of the farmers.

You want now, in this year 1921, some voice in the railroad question, in taxation schemes with which the county is filled, in legislative matters, in the great question of cooperative marketing, in the intensive educational campaign that must be continued to tell the average citizen about the real conditions as to profits and loss that the farmer is up against, and in all these questions of country living that pertain to the welfare of the home.

You have wished to see a safe, sound, farm organization with resources ample to carry on its work, one that could work harmoniously with all other organizations, doing them good in their particular fields, and receiving help in return, and one that does not neglect the women and children.

The Farm Bureau Supplies You All These Long-Felt Wants

and come to you controlled and operated by real on-the-soil farmers, working towards the solution of our farm problems, whether they are economic, legislative, productive, educational social, commercial, or what-not, in carrying this work forward the farm bureau uses all organizations that are now operating, and is used by them also.

IT TAKES BOTH MEMBERSHIP AND MONEY TO DO THIS CLACKAMAS COUNTY HAS BOTH THE MEMBERSHIP AND THE MONEY.

Membership in the Clackamas County Farm Bureau will be \$5.00 annually per family, with the opportunity given all farm people to get into this great national, state, and county organization, so that Clackamas County farmers may do their part in working out the solution of some of our farm and home problems.

The membership campaign will begin February 21 and end February 26. It will be directed by the Clackamas County Farm Bureau and the Oregon State Farm Bureau.

A Man is just as Young and Strong as his Blood

No man can fight the battles of life and hold his own if his blood is not pure, for rich, red blood is what strength is based upon. When you see a strong, vigorous man, who never knows when he is licked, you may wager that such a man has coursing through his veins rich, red blood. Many people have thin, pale blood. They are weak, tire easily, become discouraged quickly, and sometimes feel like giving up the struggle. Such folks need Dr. Pierce's Golden Medical Discovery, which is sold by druggists in liquid or tablet form.

It is made up of Blood root, Oregon Grape root, Queen's root, Stone root, Cherry Bark, without alcohol. Send 10c. to Dr. Pierce's Invalids' Hotel in Buffalo, N. Y., for a trial package of the tablets.

OLYMPIA, WASH.—"My husband always uses Dr. Pierce's Golden Medical Discovery as a stomach medicine and tonic, and declares that it is the best medicine in the world."—Mrs. J. E. FOSTER, Cor. Fear and Spring Streets.
