## GOOD EVENING.

REEN AND BRUCE.—The Salem States- gives the following additional particu- about the two pick pockets recently in ny: William Green and Edward e were arrested in Portland on August for the larceny of a $140 watch from mpion. The robbery took place on rison street. The police there were med by Bruce that the works of the h were sold to a Salem jeweler. The n was not sold to a Salem jeweler as ll by Bruce. Saturday Bruce "squealed" tective Sam Simmons and James Ber- l told where the works of the watch Officer Johnson of the Union depot up Saturday and endeavored to locate t failed to discover the least trace after st diligent and shrewd search. Chief lice H P Minto was telegraphed about matter upon the return and report of er Johnson. Yesterday morning the found the missing watch works. They in an envelope and concealed—the last e on earth where anyone would be likely nt for a watch that had been sold to a der—under a sidewalk in front of the saloon. It was found that there was her set of watch machinery in the en- ne with the works in question. The les were packed and sent to Portland he 1:40 train yesterday.

FIRE.—About 8:15 o'clock last even- a fire was discovered in the rear of Wm Ralston house, now owned by D R nteith, and occupied by E E Parrish as oarding house, at the corner of First and er streets. It had evidently started n the fire place in some manner. The fire ines were on hand promptly; but water slow in coming, or little damage would e been done. As it was the building badly burned through the rear of it, naging it nearly a $1000. Considerable he furniture was gotten out, including ano and organ, the former though be- nearly ruined. The house was not in- d. The furniture had been insured nt a week in the Farmers and Merchants urance Co of this city, for $1475. The has not yet been adjusted. The wet ther proved a fortunate thing for the flagration, else the damage would have n much larger.

TRAMP ROW.—About thirty tramps at depot late Saturday afternoon got into ow among themselves. It appears that professional tramps are not agreeable to e men that are consorting with that ment merely to beat their way on the lroads, and the professionals held up the positors and robbed them of some money d jewelry. The officers were called on to vestigate the matter, but no arrests had en made, although some of the jewelry s recovered. The tramps left the town that evening's train bound southward. is something new to see these gentlemen leisure protecting their "profession."—gene Guard.

### MISFITS.

Secretary of War Herbert named Ruth Dolph to christen the new Warship Oregon, and Governor Pennoyer designated Miss Daisy Ainsworth. Governor Pennoyer is mad, and claims it is none of Herberts busi- ness. Oregon's Governor has more fun than any Governor in the United States.

Allen G Thurman says: "I hear them talking about the national law and the gov- ernment policy as being the cause for the money stringency. How ridiculous when one knows that this financial stringency prevails not alone in the United States, but in every nation of Europe, Asia and South America." People should not be dema- gogues, because they can without much ef- fort.

Tramps are still quite plentiful. The police force reports having shipped thirty- one away this afternoon on the freight train, one of the number being a ten year old boy who hailed from Butte, Montana. It is wonderful where they all come from.—Guard. How did the police force send thirty-one men off on a freight when the S P has given strict rules to keep tramps off the trains. It takes lots of figuring to keep up with the procession these days.

OF INTEREST TO ALL.—Wholesale mer- chants in the Eastern states have offered us great inducements and we want to give our customers an opportunity as well, provided you will buy now. We have made great reductions in the price of our dress goods, fine shoes, capes, jack- ets, etc, for cash, and intend to sell them as fast as possible. Eighty five cents in most cases will buy a dollars worth of goods and some times more. Come in and make your selections. Our goods are nearly all new, and can't be bought else- where in Linn county for the prices we will sell them at if bought now.

READ, PEACOCK & CO.

AT MEAL TIMES do you ever consider the quality of the food you are eating? It may be good. It might be better, purer, fresher and more wholesome. Is it not worth while to make sure that your tea, coffee, sugar, baked goods and innumera- ble other groceries are of the best quality? There is such a trifling difference in the prices of the best and the worst that it does not pay to buy the worst, even on the false ground of supposed economy. The best is always the cheapest, because the most satisfactory and durable, and the very best of everything in the grocery line is kept at Parker Bros.

CORSETS.—All our Kabo corsets are made with the new patented soft eyelets which are warranted not to pull out or cut the lacers. Their use prevents the back of the corset showing through the dress, and avoids staining of underclothing, which is the case when metal eyelets are used. We confidently recommend them, not only as a perfect fitting corset, but the most durable one in the market. Made in medium, ex- tra long, and extreme long waist. For sale by Samuel E Young, Albany, Oregon.

### On a Conservative Basis.

OWING to the present monetary strin- gency and during the existing condi- tion of the financial market, I find it compulsory to run my business on a very conservative basis. Sugar, as you are aware, is handled on a very small margin of profit; so small in fact to scarcely pay for the handling of it, and the terms upon which it is bought are very strict (cash only.) While money was plentiful and collections good, I was able to allow sugar bills to run 60 days; but conditions at present are such that I will sell sugar for cash only. I assure you I was very re- luctant to make a rule of this kind, but the conditions of the market are such as to make it imperative. Trusting you will look at this in the proper light and also understand that this rule applies generally.

Will & Stark of this city keep the largest and finest line in the valley, making a specialty of good goods.
