BILIOUSNESS

Who has not suffered this misery—caused by bile in the stomach which an inactive or sluggish liver failed to carry off.

THE PREVENTION AND CURE IS

SIMMONS LIVER REGULATOR

liquid or powder, which gives quick action to the liver and carries off the bile by a mild movement of the bowels. It is no purgative or griping medicine, but purely vegetable. Many people take pills—more take Simmons Liver Regulator.

I have been a victim to Biliousness for years, and after trying various remedies my only success was in the use of Simmons Liver Regulator, which never failed to relieve me. I speak not of myself alone, but my whole family.—J. M. FIELDS, Selma, Ala.

A clear Head

WHY? Because he follows these rules: "Keep the head cool, the feet warm, and the bowels open." You can have a clear head and live to be ninety if you do the same thing. When the bowels fail to move during the day take on retiring two Smith's *Small* Bile Beans. Their action is so mild that you are not aware of it. All day your mind will be clear and cool. The Pastilles FOR WEAK MEN

Made so by too close application to business or extra mental strain, Sexual Excesses in middle life, or vicious habits contracted in youth. WEAK MEN are relieved of Nervous Debility or Exhaustion, Wasting Weakness, Involuntary Losses with Early Decay in Young and Middle Aged; lack of vigor and strength, with sexual organs impaired and weakened prematurely in approaching old age. WHEN WE CAN CURE we speak from knowledge of results in many thousand cases treated and cured in the past fifteen years.

Our method of introducing Prof. HARRIS' SOLUBLE MEDICATED PASTILLE treatment is one which commends itself to all sensible persons—for the reason that we supply it upon their judgment of its value. Nothing in the way of expense beyond a postal card and a two cent postage stamp is asked. The postal card for use in sending us their full address and the postage stamp for the letter returning the statement of their case for which we supply them with question blank, to be filled out, and a self-addressed envelope for use in returning it when filled.

Free TRIAL When we receive the statement on blank we prepare eight days' treatment and forward it, prepaying postage. Along with the treatment we send full directions for using. The treatment causes no pain or inconvenience and does not prevent attention to business.

We have the number of sending orders entirely with those using the free trial treatment. Having satisfied those sending for trial, we have of our ability to satisfy them we feel that they are more largely interested than ourselves in continuing the use of the Pastilles. We make the prices as low as good goods and the same will bear mention. [illegible] for one month. [illegible] for two months, [illegible] for three months.
