THREE INDICTED BY GRAND JURY

J. D. Kennedy and James Hart Were Arrested on Two Separate Counts.

SHERIFF BODINE MADE ARRESTS LAST EVENING

True Bill Found Against Arthur Wegener, Charged with Assault Upon a Girl.

Continued from Saturday, June 14.

Returning three true bills, one against Arthur Wegner and two against James Hart and J. D. Kennedy, the March grand jury which convened an adjourned session yesterday, completed its term late yesterday afternoon after filing its report. It is believed that the jury disposed of other matters, which can not be made public at present.

All three of the principals in the indictments were arraigned this morning before Judge Kelly and given until Monday morning at 9 o'clock to plead.

In the two joint indictments returned against James Hart and J. D. Kennedy, they are found guilty of selling intoxicating liquors in violation of the local option liquor law. In the true bills it is charged that liquor was sold in one case to W. M. McDermott and in the other to William Allphin, both sales occurring on the date of June 7. In each case Judge Kelly fixed bonds of $1000 on each offender. Hart furnished his bond of $2000 and was released while Kennedy was unable to furnish the bail and went to jail.

In the third indictment, Arthur Wegner is charged with assault with intent to commit rape upon the person of Ethel Littell, under 16 years of age. Judge Kelly fixed his bonds at $1000 also, which he could not furnish and was taken back to jail.

On May 26 Wegner, who's age is given as 19, was arrested by Sheriff Bodine near Sandridge, upon complaint that he had assaulted the Littell girl, and was brought to this city where he has since been confined in the county jail. According to the complaint, Wegener met the girl in the road as she was on her way home from school and asked if he could accompany her home, receiving her consent. At a lonely spot in the road, a neighbor heard the girl scream and upon arriving at the scene the lad fled, giving his pursuers a lively chase before he was intercepted.

On two indictments returned by the grand jury during the last session, J. D. Kennedy was arraigned on one this morning, charging him with violation of the provisions of the local option law and given until Monday morning to plead. Jack Johnson was arraigned on the other, pleaded guilty, waived time for sentence, and was given 10 days in the county jail, this being his first offense. He started serving his time this morning.

Johnson skipped out shortly before the jury returned a true bill against him at the last session and was only taken into custody the fore part of the week, by Sheriff Bodine, who learned that he had returned to town, although the officers have held a warrant for his arrest since his indictment.

Shortly after the grand jury tendered its report last evening, Sheriff Bodine armed with bench warrants, went out and located Hart at Peacock's farm at the foot of Lyon street, where he was arrested at 6:30 o'clock. Sheriff Bodine arrested Kennedy at 7 o'clock on East First street.

PROMINENT ROSEBURG BUSINESS MEN HERE

Made the Trip to Portland in Automobile: Distributed Signs.

Arriving in the city yesterday afternoon from Portland by automobile, L. W. Hindes and C. E. Smith, two prominent business men of Roseburg, after taking in the Rose Festival visiting friends in Albany.

Mr. Hindes is one of the proprietors of the Grande Hotel and Mr. Smith is the manager of the Roseburg garage and machine shop. They enjoyed a most enjoyable trip both in going and coming. On the way up between Roseburg and Eugene, they distributed neat signs every mile, advertising the hotel and garage, and between Eugene and Portland similar signs were laid at intervals every two miles. The same were made 1 by 2 feet square of wood and designed accordingly.

E. F. Allen and wife, of Portland, passed through the city this week on their way to Newport where they will spend a portion of the summer. Mr. Allen is a former Albany citizen, having some years ago conducted the store now operated by Asbury Bros.

SHOWERS ARRIVED AT MOST OPPORTUNE TIME

Farmers Say that Rains During the Past Two Days Means Thousands of Dollars.

Everybody appears to be happy, especially the farmers, over the showers of rain which have fallen since yesterday morning and scores are hoping that the rain will continue until the ground has a thorough soaking. Several farmers have termed the showers "the rain that means thousands of dollars."

Quite a heavy rain fell Thursday night and a big downpour came during part of last night. The farmers say that the crops need moisture at this period and that every drop of rain means money in their pockets. It has been cited that the strawberry crop is in sad need of rain and that the present showers arrived at an opportune time.

FORMER ALBANY COLLEGE PRESIDENT IS DEAD

Royal K. Warren to Be Buried Monday; Best Known Educator of Portland.

The funeral of Royal K. Warren, one of the best known educators of Portland, who died Thursday at his home in the Rose City, probably will be held from the First Presbyterian church Monday afternoon. Burial will be at Salem.

Mr. Warren, who has resided in Portland since 1866, was 73 years old. Death was caused by angina pectoris. He was closely identified with the activities of the First Presbyterian church, of which he had been a member for almost 40 years.

Mr. Warren was the first principal of the Harrison school, Portland. He held the position two years, resigning to accept the presidency of Albany College of this city, a position which he held for six years. Later he returned to Portland and accepted the position of principal of the North, now the Atkinson, school.

He was elected principal of the Portland High school in 1876, an office he held for 12 years. In 1896 he was elected school director and he succeeded himself several terms.

Mr. Warren was a native of New York, having been born at Bath. He was the youngest son of six children. A widow and a brother, Dr. Ford Warren, survive.

ATHLETICS WILL CLASH WITH OREGON CITY TEAM

Splendid Game is Promised Local Fans Tomorrow Afternoon on Local Grounds.

Tomorrow at Athletic park the locals will cross bats with Oregon City, a team which has not played here before but one which has the reputation of being fast and of having defeated Salem on June 1st, by a score of 8 to 7.

The visitors expect to win the game, but the Athletics intend to show them that they are playing a harder hitting, faster bunch than when they went against the Salem team.

Mickel, who was compelled to retire early in the game last Sunday, will not play tomorrow. Ryals will probably be placed in left field and Turk, a new man, with Rupert's Rubes last year, will be tried out in right field. Bill Patterson is slated to do the pitching and Dave Patterson will catch. The game will be called promptly at 3 o'clock. The teams will line up about as follows:

Victim of Practical Joke.

Carl Schmunstein was the victim of a practical joke, played on him by friends at the Elks' club last night, when they found a bottle of gasoline in his pocket, which he was taking home to clean some clothes with. The bottle was slyly removed from the victim's pocket and after being emptied of its contents, was substituted by water, and replaced in the pocket. This morning the joke is being told on Carl, of trying to clean clothes with water. It is understood that somebody's knuckles were worn raw before they fell to the trick.

Another Freak Record.

Another freak record was learned of today is happening in Junction. A hen owned by Mrs. C. O. Shubert was set on 13 eggs Friday, May 23, and the chicks hatched out yesterday, which was another Friday, the date being June 13 in the year 1913. However, only 7 of the 13 eggs produced chickens.

Thomas B. Dillard, of Lebanon, contracted business in the city yesterday. While here he stopped in the St. Francis.

WIDOW WANTED OR A BACHELOR

Men of this Class May Do Well to Investigate Substance of Letter.

COMMERCIAL CLUB IS ASKED TO FIND HUSBAND

Manager Stewart is now Playing the Title Role of the "Matchmaker".

If there is a widow or a bachelor in good circumstances, who is lonesome, residing in Linn county, he might do well to investigate the substance of a letter received a few days ago at the Albany Commercial club by Manager C. H. Stewart.

A few days ago Manager Stewart received a very interesting letter from a widow residing in Eastern Washington. She has some property and would like very much to remove to the Willamette valley to make her future home. The particularly interesting part of the epistle contained the information that her husband had been dead for some years, that she was getting lonesome, and would not be adverse to the marriage state again, providing she could find some widower or bachelor in good circumstances who is as lonesome as she is.

Manager Stewart stated this afternoon that he is not very familiar with the details of match-making, but that he was not at all averse to making an effort to secure a husband for the lady. He says that it is the first time that he can recall when the Commercial club had been called upon to perform this delicate task. The letter is on file at the Commercial club and Manager Stewart states that its contents will not be divulged to anyone unless they are really sincere.

PAVING OPERATIONS ON ALLEY HAVE BEEN STARTED

Work to Proceed Rapidly so as Not to Deter Commercial Activities.

Preparatory to paving, with gravel bituliths, the alley running through the main business section, from Lyon to Washington streets, between First and Second streets, initial operations were commenced yesterday afternoon when the Warren Construction company placed to work its big steam roller and a plow, tearing up the surface. The work is to proceed as rapidly as possible and a large crew of workmen will be placed to work today with teams, hauling the surface dirt away. It is probable that the excavation work for the pavement and the grade will be established in less than two weeks, when the work of paving the alley will proceed. It is the plan of the Warren company to complete the work by an early date, in order that the commercial activities of the main section of the city will not be deterred for any length of time.

ALBANY ATHLETICS ARE NOT A BIT DISCOURAGED

The Albany Athletics are not the least bit discouraged as a result of the game played with the Salem Senators last Sunday, according to a statement made this morning by Manager Senders. Although the score was against the local team 3 to 1, the game was in doubt until the last man was out in the ninth inning. Salem played in better luck than the Albany boys, and the Senators had all the breaks in their favor. Salem plays the return game here Sunday, June 29.
