Ate And Died

Go visit the Garden of Eden and hear Satan tell Mother Eve to go ahead and eat of the fruit God had forbidden them to taste. You will not die, said Satan. But God had said—EAT AND DIE. The fruit looked good to Eve and she took of it. Then she passed it on to Adam. He was not deceived by Satan but ate it of his own free will. He ate and sinned and died—Wherefore as by one man—Adam—sin entered into the world and death by sin; so death passed upon all men in that all have sinned. Romans 5:12. Disobedience—Sin — Death—Eternal Separation from God.

THE FATHER HEART—Son had left home and wasted his all among harlots and such. But on a day as father looked out, son was seen coming into sight. Out rushed the father to fall on son's neck and kiss him. Then came the big feast. Just so, God yearns to have us back but he cannot receive us in our sins. So in Christ God died for us—GOD WAS IN CHRIST—2nd Cor. 5:19.

"Chick", one of the tougher boys came home from the Young Life Meet to tell the kids at school that he had trusted the Lord as his Saviour. He is reading his Bible and praying every day.—As reported by Tim Rayburn, Young Life Movement.

SURPRISE FRIDAY

An institution which had been generally considered exclusive with a large Portland merchandiser comes to Oregon City, with the first of April.

According to the BANNER COURIER, fifty stores have signed up in a promotion to be known as a cooperative "FRIDAY SURPRISE" campaign. Apri Fool's day was the opening presentation.

The proposition is that each store offers goods that compete or beat prices for the same articles, as charged in Portland or elsewhere. Grocery stores, women's and men's stores, department stores, used car dealers, furniture stores, novelty, jewelry and gift stores—all are tied into the super-value deal for Fridays.

TIMELY COURSE

Adult education classes take a timely, practical turn at La Grande.

Reports the EASTERN OREGON REVIEW, to assist farmers in readying their machinery for busy months ahead, the high school agriculture instructor has announced farm machinery repair classes to be held each Saturday.

FIFTEEN MILLION

Returns of $200,000 to $250,000 is forecast for the city of McMinnville.

The TELEPHONE REGISTER tells of bids being asked on better than 15 million board feet lying in the city's watershed. Bids will be opened on April 20.

The indicated timber harvest will involve only such timber that is ready to harvest and would deteriorate if left standing. None of the young growth will be touched and the watershed will be improved by this provision of more growing space for second growth. Likewise, the smaller trees will absorb less water from the soil than the larger older trees.

Two units will be selectively logged, of old growth fir, yellow fir, cedar and hemlock. The area covers about 1900 acres.

TRAFFIC TURMOIL

There is a veritable traffic turmoil taking over the city of Gresham.

Parking meter discussions, it says in the OUTLOOK, have spurred the chamber of commerce to offer $25 for a best letter on "How to Control Traffic in Gresham". And the newspaper announces a ballot will be printed to allow both city and rural residents a vote on the meter question.

The city council, meeting with parking meter firms representatives, sparked an alarm among meter opponents. The chamber of commerce set in motion a survey of parking conditions and the mayor, noting the widespread public interest in the discussion, applauded heartily.

TOO MUCH, TOO SOON

It was the opposite of too little too late, for a fisherman in St. Helens.

On the eve of the 1949 St. Helens Spring Salmon Derby, relates the SENTINEL MIST, a police sergeant and his wife were among those "testing the waters" and getting their gear in order.

The police sergeant, as a resullt, snagged a 23 pounder while his wife came in with one weighing 18 pounds.

The derby, officially, opened April 1, with a queen coronation ball. Scheduled for April 9 was a big salmon derby parade. Prizes will be awarded for each of the four weeks in April in the classifications of biggest fish, smallest fish and concealed weight. Grand prize will be a 1949 2-door sedan.

Last year, a Portland angler walked off with first prize, by catching 38½ pounds of fighting salmon. Second prize weighed 37 pounds 12 ounces.

300 SYMPHONEERS

If the drive succeeds ,there will be at least 300 signed, sealed and delivered patrons of the Portland Symphony Society, in the community of Oswego.

The REVIEW advises that solicitations have been broken down into "pyramid teams". A large committee has already been formed and will grow from week to week as new captains and lieutenants are recruited.
