Ordinance No. 486.

An ordinance granting a franchise to the City of Eugene, through the Eugene Water board, to have and maintain a water pipe line within the town of Springfield, Oregon.
The town of Springfield does ordain as follows:
Sec. 1. That the City of Eugene be and is hereby granted the right and privilege to construct, operate and maintain a water transmission pipe line, with all necessary appurtenances therefor, within the town of Springfield, for the purpose of transmitting water from the McKenzie river to the City of Eugene.
Sec. 2. The City of Eugene is hereby granted the right to construct and maintain said water pipe along the south side of the county road in the north boundary line of the present town of Springfeld, and the right to cross such streets and alleys leading into said county road as may be necessary, provided that said pipe line shall be one continuous line running in one direction through the town of Springfield.
Sec. 3. The said water pipe line shall be laid at sufficient depth in crossing streets and alleys to not interfere with the proper construction, maintenance, or drainage of said streets and alleys, and the said streets and alleys shall be restored and left in as good condition after construction of the pipe line as they were in before construction, such restoration to meet the approval of the common council of the town of Springfield, or any authorized committee thereof.
Sec. 4. The city of Eugene by its water board shall accept this franchise in writing within thirty days after the passage of this ordinance, otherwise this ordinance shall be void and inoperative.
Passed by the Common Council this 10th day of August, A. D. 1925.
R. W. SMITH,
Recorder.
Approved by the Mayor this 10th day of August, A. D. 1925.
G. G. BUSHMAN,
Mayor.
I, R. W. Smith, City Recorder hereby certify that this is a complete and correct copy of the original ordinance, and the whole thereof.
