LOCAL BREVITIES.

Mrs. G. M. Coffey has been quite sick for the past week.

Patronize your home paper. It works for your interests.

A. Jennings, Ot Martin and Lee Bilyeu came over from Lebanon, last Saturday.

Grahdma Butcher went on a visit to Albany and Corvallis relatives, on last Saturday.

President McKinley went to church last Sunday, so says the associate Press dispatches.

Houses to rent are exceedingly scarce now. There is not more than one empty house in town.

T. J. Claxton went down near Jefferson, on Monday morning to commence framing a barn for Mr. Dennis Wadkins.

School Director T. J. Munkers, has handed in his resignation. A new election to fill the vacancy is called for next Monday.

The rite of baptism was administered by Elder Haulman, to his daughter Beulah, aged about 12 years, on Tuesday morning.

Elder Cane, of Albany, came over Tuesday to assist in the protracted meeting now in progress at the Christian church in this city.

Uncle Tom Munkers is now at home, looking after his own affairs as peacefully as if he had never been a member of the legislature.

A. J. Johnson and Chas. Warner started for Douglas county last Saturday evening to look after some mining interests in that county.

Doctor Prill having located in Scio, can be found at his Office, in the building formerly occupied by Dr. Hyde. Calls promptly attended, day or night.

Mine host Morrow is renovating and repapering the Scio hotel, so that in a short time it will present a very neat and cozy appearance to the weary traveler.

Messrs Linch, Jones, R. Shelton and Wm. Queener went over to Lebanon to attend the trial of Bilyeu vs Lynch, last Friday. The trial was postponed for a week.

The Farm, Field and Fireside is a most valuable farmer's magazine It has from 32 to 40 pages and is published weekly. No farmer or stock raiser should be without it.

A. J. Shelton, who is in the stock business in Eastern Oregon, arrived in this city on a two weeks visit to his parents last week. Jack says that there are many more populists in his country than there were two years ago.

Kola Nels, the hop buyer was in this city Tuesday. He had just completed the purchase of Mrs. Cornell,s lot of baled hops, which she has had on hand for one and two years. The price paid was 2½ cents per pound.

Representative Kruse, of Clackamas county, who had been confined at Salem hospital for about three weeks with an attack of typhoid fever, died on Monday. He was a populist and one of the "holdouts" during the late session.

Mr. A. Jennings, of Waterloo has purchased from J. M. Bilyeu, the saloon building on the south side. Mr. Jennings and Ot Martin will engage in the saloon business in this city, in the near future. Both will move their families to this city immediately.

Mr. N. Young is on the sick list His ailment is one that is common in childhood and infancy, which we supposed he had abandoned some 60 years ago as being of too infantile a character for him to retain. But, then, you cant always sometimes tell what notions people will take, dont it.

The city council at its last meeting re appointed A. Hagey superintendent of the electric and water plants. The way the appointment was made, not reflecting upon Mr. Hagey in the least, has caused considerable dissatisfaction in that but one application was allowed to come before the council. It is quite likely that it will result in the resignation of two or three of the councilmen.

Maccabee s Night.

Quite extensive preparations had been made by Scio Tent No. 37, K. O. T. M. for the reception of visitors on last Friday evening, the occasion of which was the initiation of the large class of candidates numbering 21 in all.

The committees appointed at a previous review did their work well and everything turned out according to expectation in every respect.

At about 7 P. M. the reception committee, the Scio brass band and a number of others boarded our railroad engine and went out to the main line to meet and bring in the Albany excursionist's car, all of whom reached town on their return at a short time after 8 P. M. The excursion was greeted on its arrival in town by a large number of members of the K. O. T. M. and L. O. T. M. and others. The Albany boys when they had all reached the street, greeted those present and the city in general by a Maccabee yell as follows: "Who! Who! Who, Who are we? Maccabees from Albanee. Scio-i-i i-o." After all had repaired to the hall, the work of the evening was at once begun and continued till about 11 P. M. when adjournment to the Ramsey brick was taken. Here a most elegant repast had been spread by the L. O. T. M. ladies assisted by the committee of general arrangements. At midnight or shortly thereafter, the L. O. T. M. ladies and several other ladies and gentlemen visited the lodge room and spent about two hours in social converse, music, speeches, recitations, etc., the whole winding up with the grand march, the ladies very appropriately selecting their partners from among the visitors. After the departure of the ladies and those who were not members of the order, the initiatory ceremonies were completed, and social intercourse indulged in till 5 A. M., when the Albany boys started on their return The following visitors were present from Albany:

J. B. Tillotson,	J. A. Finch,
Dr. J. L. Hill,	W. A. Hammer,
I. B. Beam,	Oren Beam,
J. C. Handley,	Dr. M. H. Ellis,
G. B. Miloy,	N. M. Newport,
John Troutman,	A. D. Barker,
E. M. Burkhart,	Jas. Dixon,
J. S. Van winkle,	Wm Emerick Jr.,
Samuel Conn,	T. J. Butler,
Henry Stewart,	Steve Riley,
T. E. Riley,	J. S. Willis,
Wm Myer,	Frank Snyder,
A. Senders,	L. Gottlieb,
Maurice Payne,	W. A. Cox,

G. W. Goff. Dr. Hawk and wife and Otto Shultz, of Jefferson and Deputy Supreme Commander Sherwood, of Portland.

Though we believe that the Albany Knights about all, lost their hearts while here, some of them also lost portions of their badges, saving only the pins As a matter of fact we believe that the missing portion of the badges were not lost at all but were left with Scio's fair ones by the smitten Sir Knights, as souvenirs of the trip.

Fine Electric Machine

On Monday Dr. Prill received directly from the East, the most complete electric apparatus we have ever seen. To look at it, it appears to be but an ordinary commode with a small square glass showcase on its top containing harmless appearing, nickel plated knobs, etc. But how disappointed one would be, should he take hold of the handles when the battery is full charged. He would find enough chain lightning stored somewhere in the cabinet to make him think he was being electrocuted.

The battery is a combined galvanic and faradic one, having 25 cells and so arranged that the doctor can use from the most gentle to the most powerful electric current the machine is capable of producing, at will. He designs using it, of course in his practice, in which he will find it of great service, as he can treat a class of disease by this means that cannot be reached otherwise.

Notice Of Thanks.

The Knights of the Maccabees of Scio Tent No. 37, extend a vote of thanks, to the Ladies of the Maccabees and all who so kindly rendered assistance, in their entertainment on March 5th.

Especially to the Scio Band who donated their valuable services on this occasion.

If any one was slighted, it was an oversight and entirely unintentional.

Mrs. Ella Morris has been quite sick for a number of days. Dr. Hawk of Jefferson came over to see her last Friday.

Plaining Mill Property Sold.

Colonel Jeff Myers came up from Salem last week. With him came Messrs Johnson to whom he had sold their plaining mill property and undertaking business in this city. Messrs Johnson takes charge of the business at once. We are told that the new firm contemplates severa important changes in the business and enlarging the same which will be developed later on.

To the Citizens of Scio and Vicinity.

I will return to Scio, on or about April 20. Kindly save your work for me. I do all manner of work on watches, clocks and jewelry, that can be done in any city and at low prices. Respectfully

J. E. ADCOX.

Governor Lord has appointed ex-Senator Corbett, U. S. senator, to fill the vacancy caused by the expiration of J. H. Mitchells term. Opinions differ as to whether Mr. Corbett will be allowed to take his seat or not. Should the Senate accord him a seat, it will violate precedents established heretofore. However on almost every other point save that of currency, he would vote more nearly in accord with what the people desire, than would his predecessor.

Dr. Prill has just recieved from the normal college of Electro Therapeutics, of Indianapolis, Indiana, a paper conferring the degree of master of electro therapeutics, upon him by that institution, which required a course of study of over one year to obtain.

Dangers of the Grip.

The greatest danger from La Grippe is of its resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who have used this remedy for la grippe, we have yet to learn of a single case having resulted in pneumonia, which shows conclusively that this remedy is a certain preventive of that dread disease. It will effect a permanent cure in less time than any other treatment. The 25 and 50 cent sizes for sale by
