Alum

Baking powder is almost as strong as Dynamite. Use and prove and it strongly does danger.

A Baking powder has formerly a reputation for purity, but the Alum Baking Powder has lost its reputation and is now a dangerous article. Alum is a poisonous substance, and should not be used in food. Alum is a cheap substitute for cream of tartar, which is the best and most wholesome of all baking powders.

ROYAL PREPARED ALUM FREE.

ELECTRIC LIFE-GIVER

Dr. Sanden's Electric Belt.

It is proved to be a fact. Electricity is life. Without it life is impossible. Life is the current, the spark of life. Without the current there is no life. Keep the current up and life will last. Dr. Sanden's Electric Belt is the current.
